[57] CLAIM

The ornamental design for a tire changer or similar article, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the top, rear and adjacent side of the tire changer or similar article showing our new design;

FIG. 2 is a top plan view;

FIG. 3 is an elevational view of the front of the tire changer; and

FIG. 4 is an elevational view of the side of the tire changer opposite from the side shown in FIG. 1.
