[57] CLAIM

The ornamental design for a combined bell and stand therefor, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a combined bell and stand therefor showing my new design;

FIG. 2 is a right side elevational view thereof, the left side being a mirror image thereto; and

FIG. 3 is a perspective view thereof.

The bottom of the base of the stand, not shown, is substantially plain and unornamented.

The opposite side of the support beam is unornamented save for the wood grain.
