[57] **CLAIM**

The ornamental design for combined filter and panel for evaporative airconditioner, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the combined filter and panel for evaporative airconditioner, FIG. 2 is a rear perspective view thereof, the wire mesh pattern shown partially is understood to repeat throughout the filter, and FIG. 3 is a detail of that portion in FIG. 1 identified by "3"
