[57] CLAIM

The ornamental design for a store front, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the store front, FIG. 2 is a top view of the store front shown in combination with a store building, in dotted lines, with which the store front may be utilized, and FIG. 3 is a front elevational view of the bow of the ship portion of the store front. The rear of the store front is flat and plain and, therefore, is not shown in the drawing.
