[57] **CLAIM**

The ornamental design for embossed plastic sheet material, substantially as shown and described.

DESCRIPTION

FIG. 1 is a plan view of a sheet of embossed plastic sheet material showing my new design. A design unit is contained within the rectangle defined by the black lines. As shown, the design is repeated in a vertical row as indicated by the extension of the black lines; and FIG. 2 is an enlarged plan view of a portion of the sheet of FIG. 1 showing the embossment at substantially actual size.

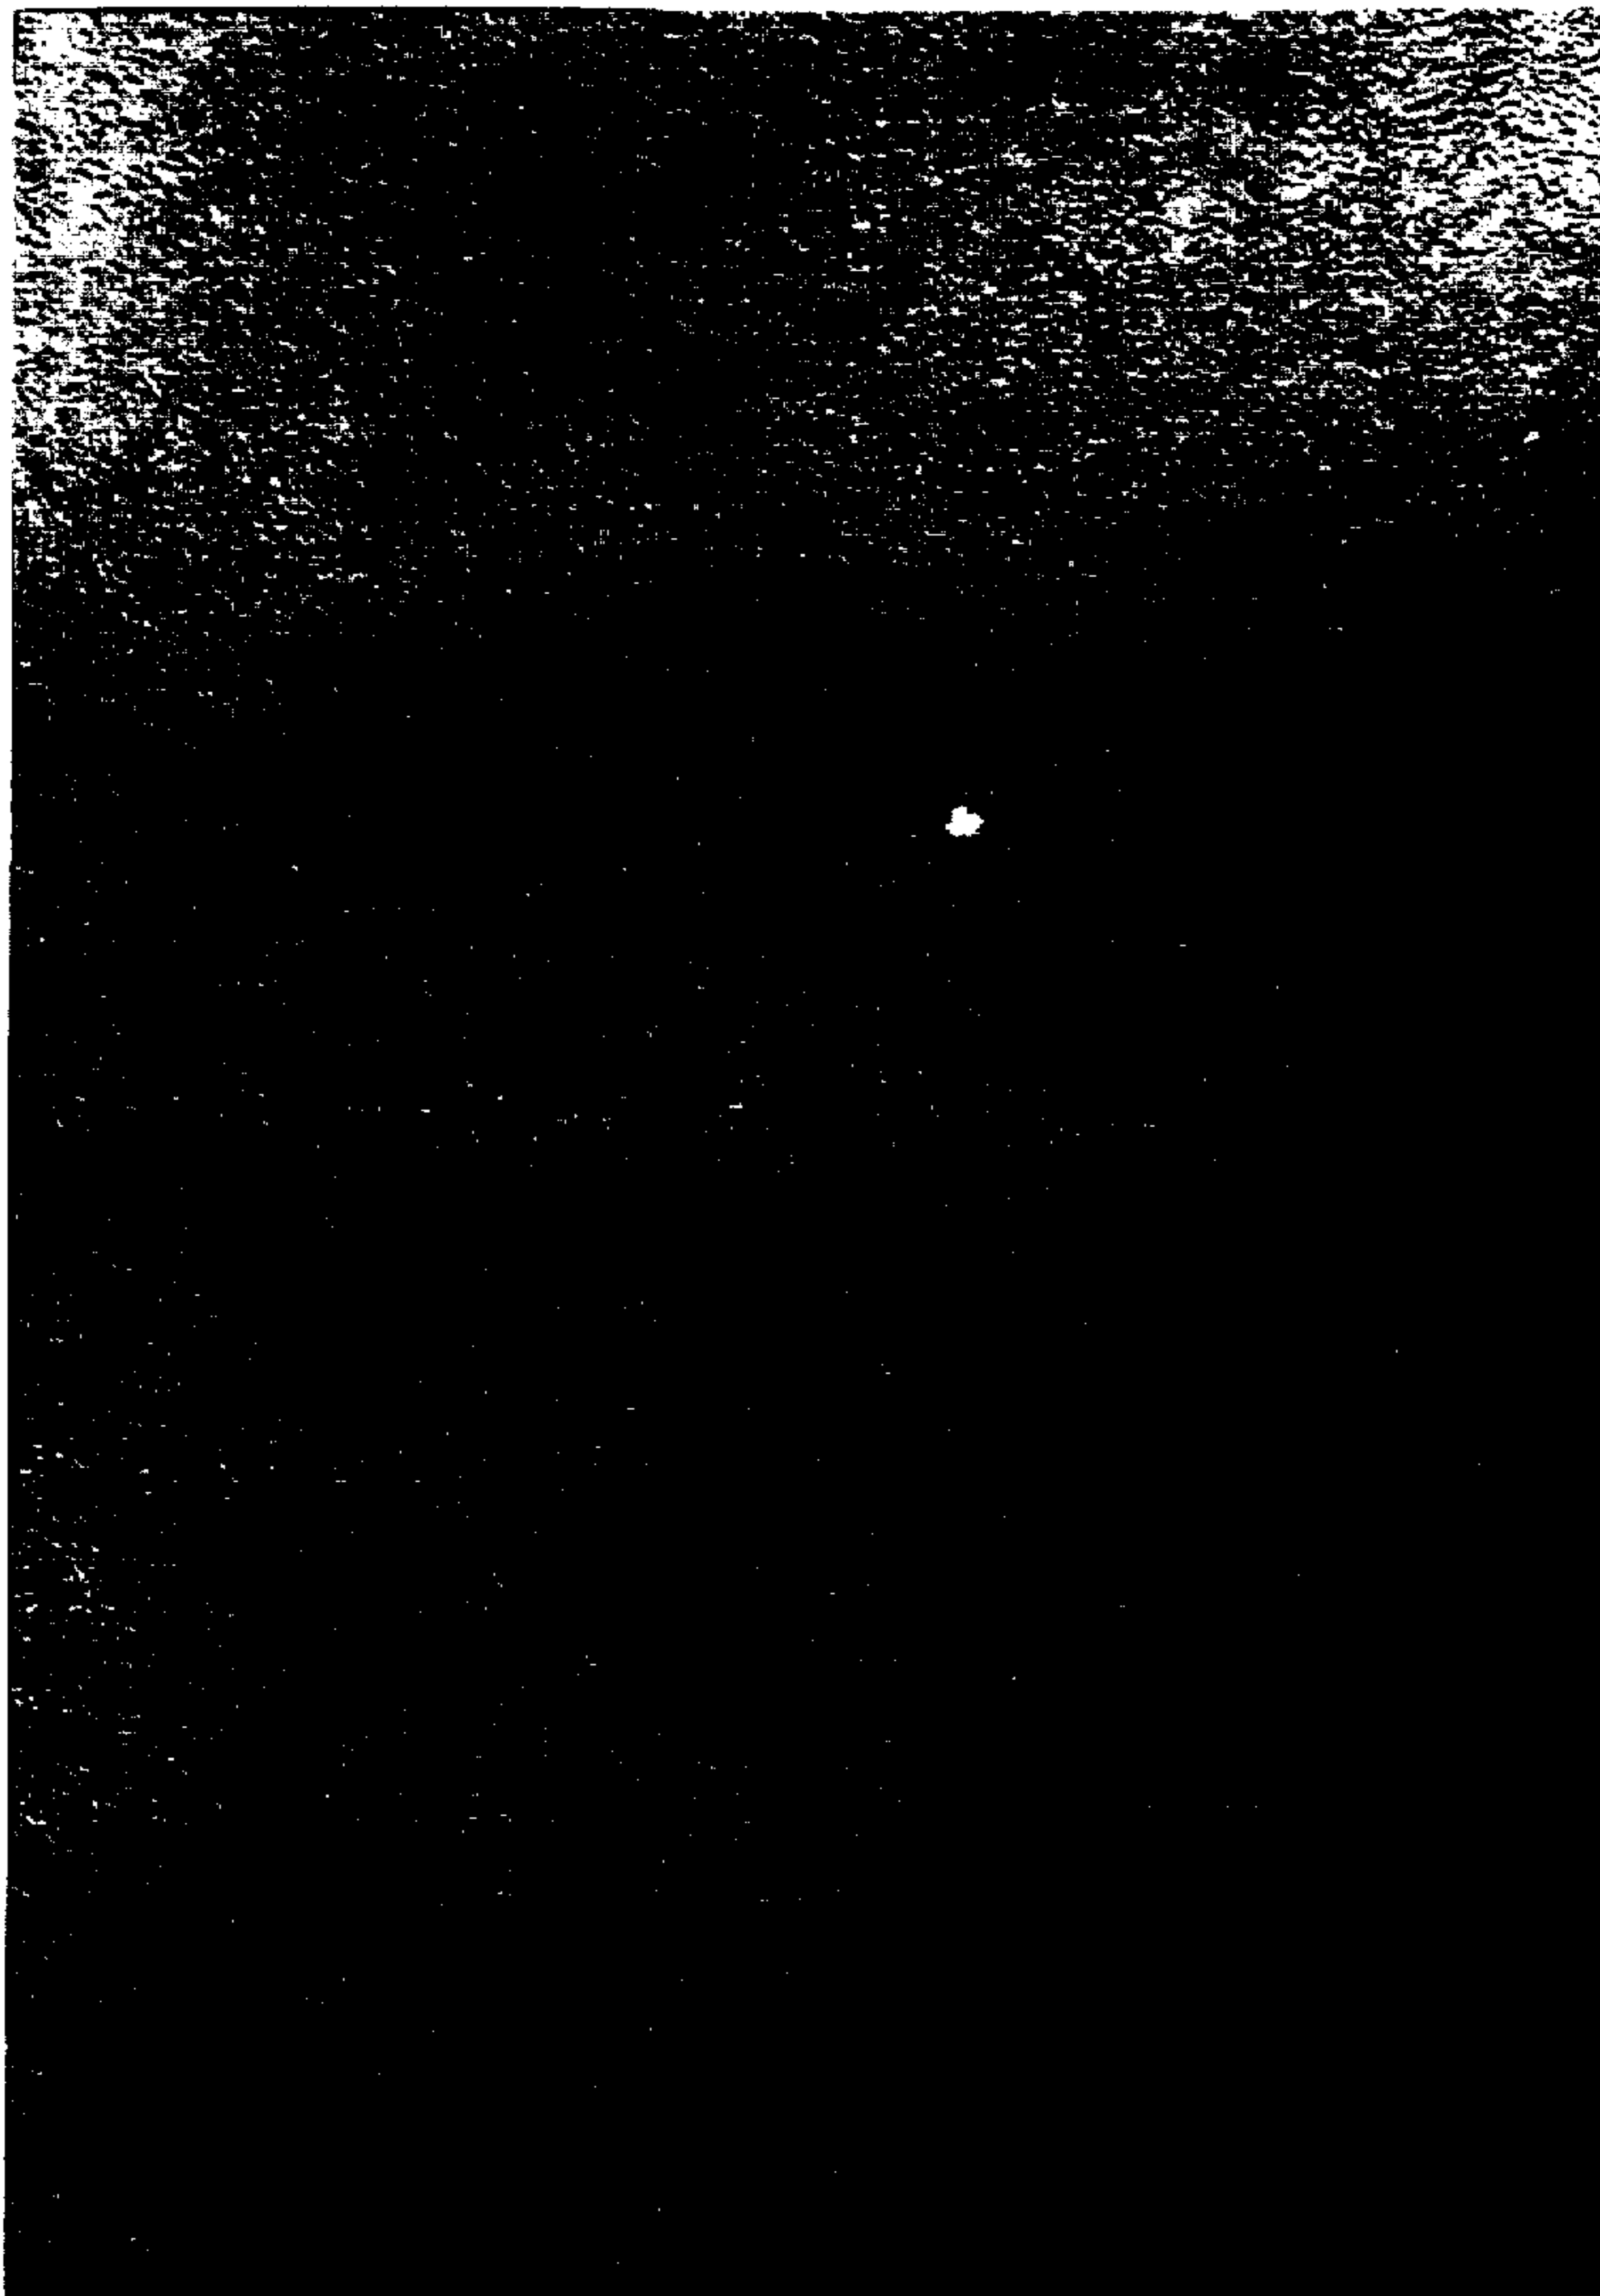

FIG. 1

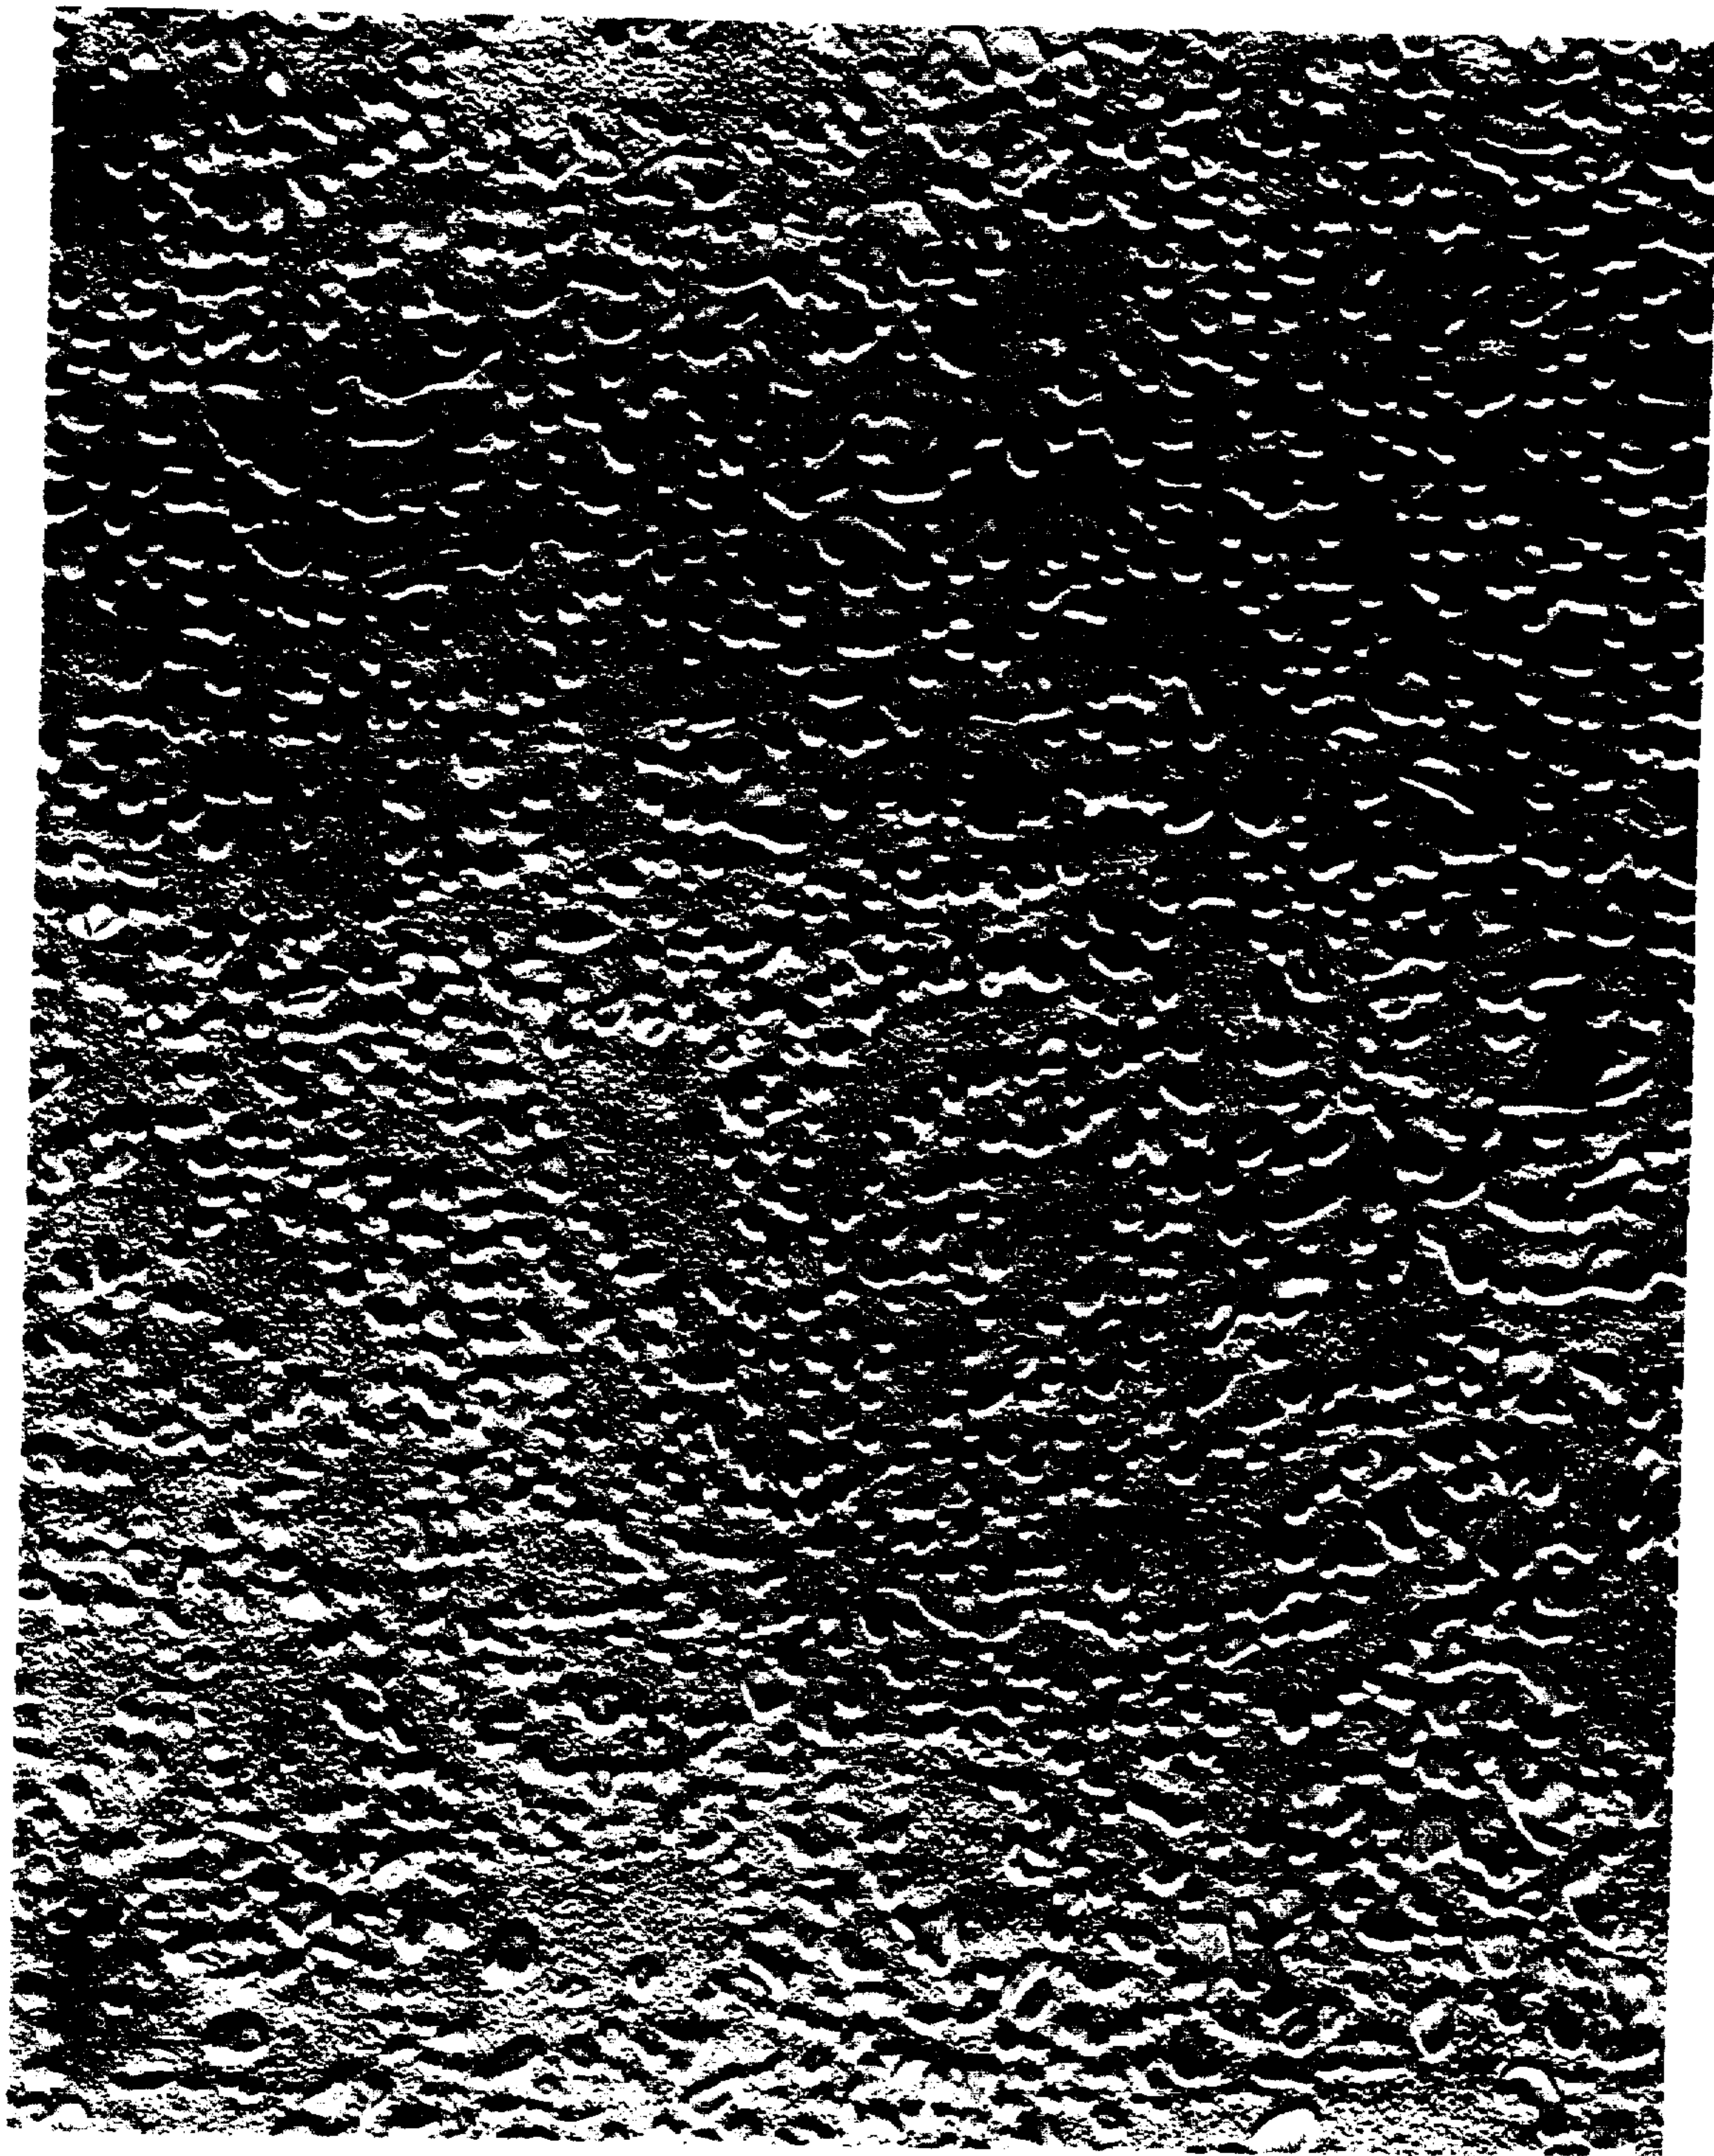

FIG. 2
