[57] CLAIM

The ornamental design for a small transmission, substantially as shown and described.

DESCRIPTION

FIG. 1 is an upper, left front view in perspective of a small transmission showing my new design;

FIG. 2 is a lower, left rear view in perspective of the small transmission;

FIG. 3 is a lower, left front view in perspective of the small transmission;

FIG. 4 is an upper, right rear view in perspective of the small transmission; and

FIG. 5 is a top plan view of the small transmission.

Two of the three shafts shown in the drawings have been interrupted to show indeterminant length.
