Primary Examiner—James R. Largen

[57] CLAIM

The ornamental design for a thermal deflector for fireplaces, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a thermal deflector for fireplaces showing my new design; and FIG. 2 is a side elevational view thereof. The broken line representation of support structure in FIGS. 1 and 2 and the fragmentary broken line representation of a fireplace floor and wall in FIG. 2 are for purposes of illustration only.

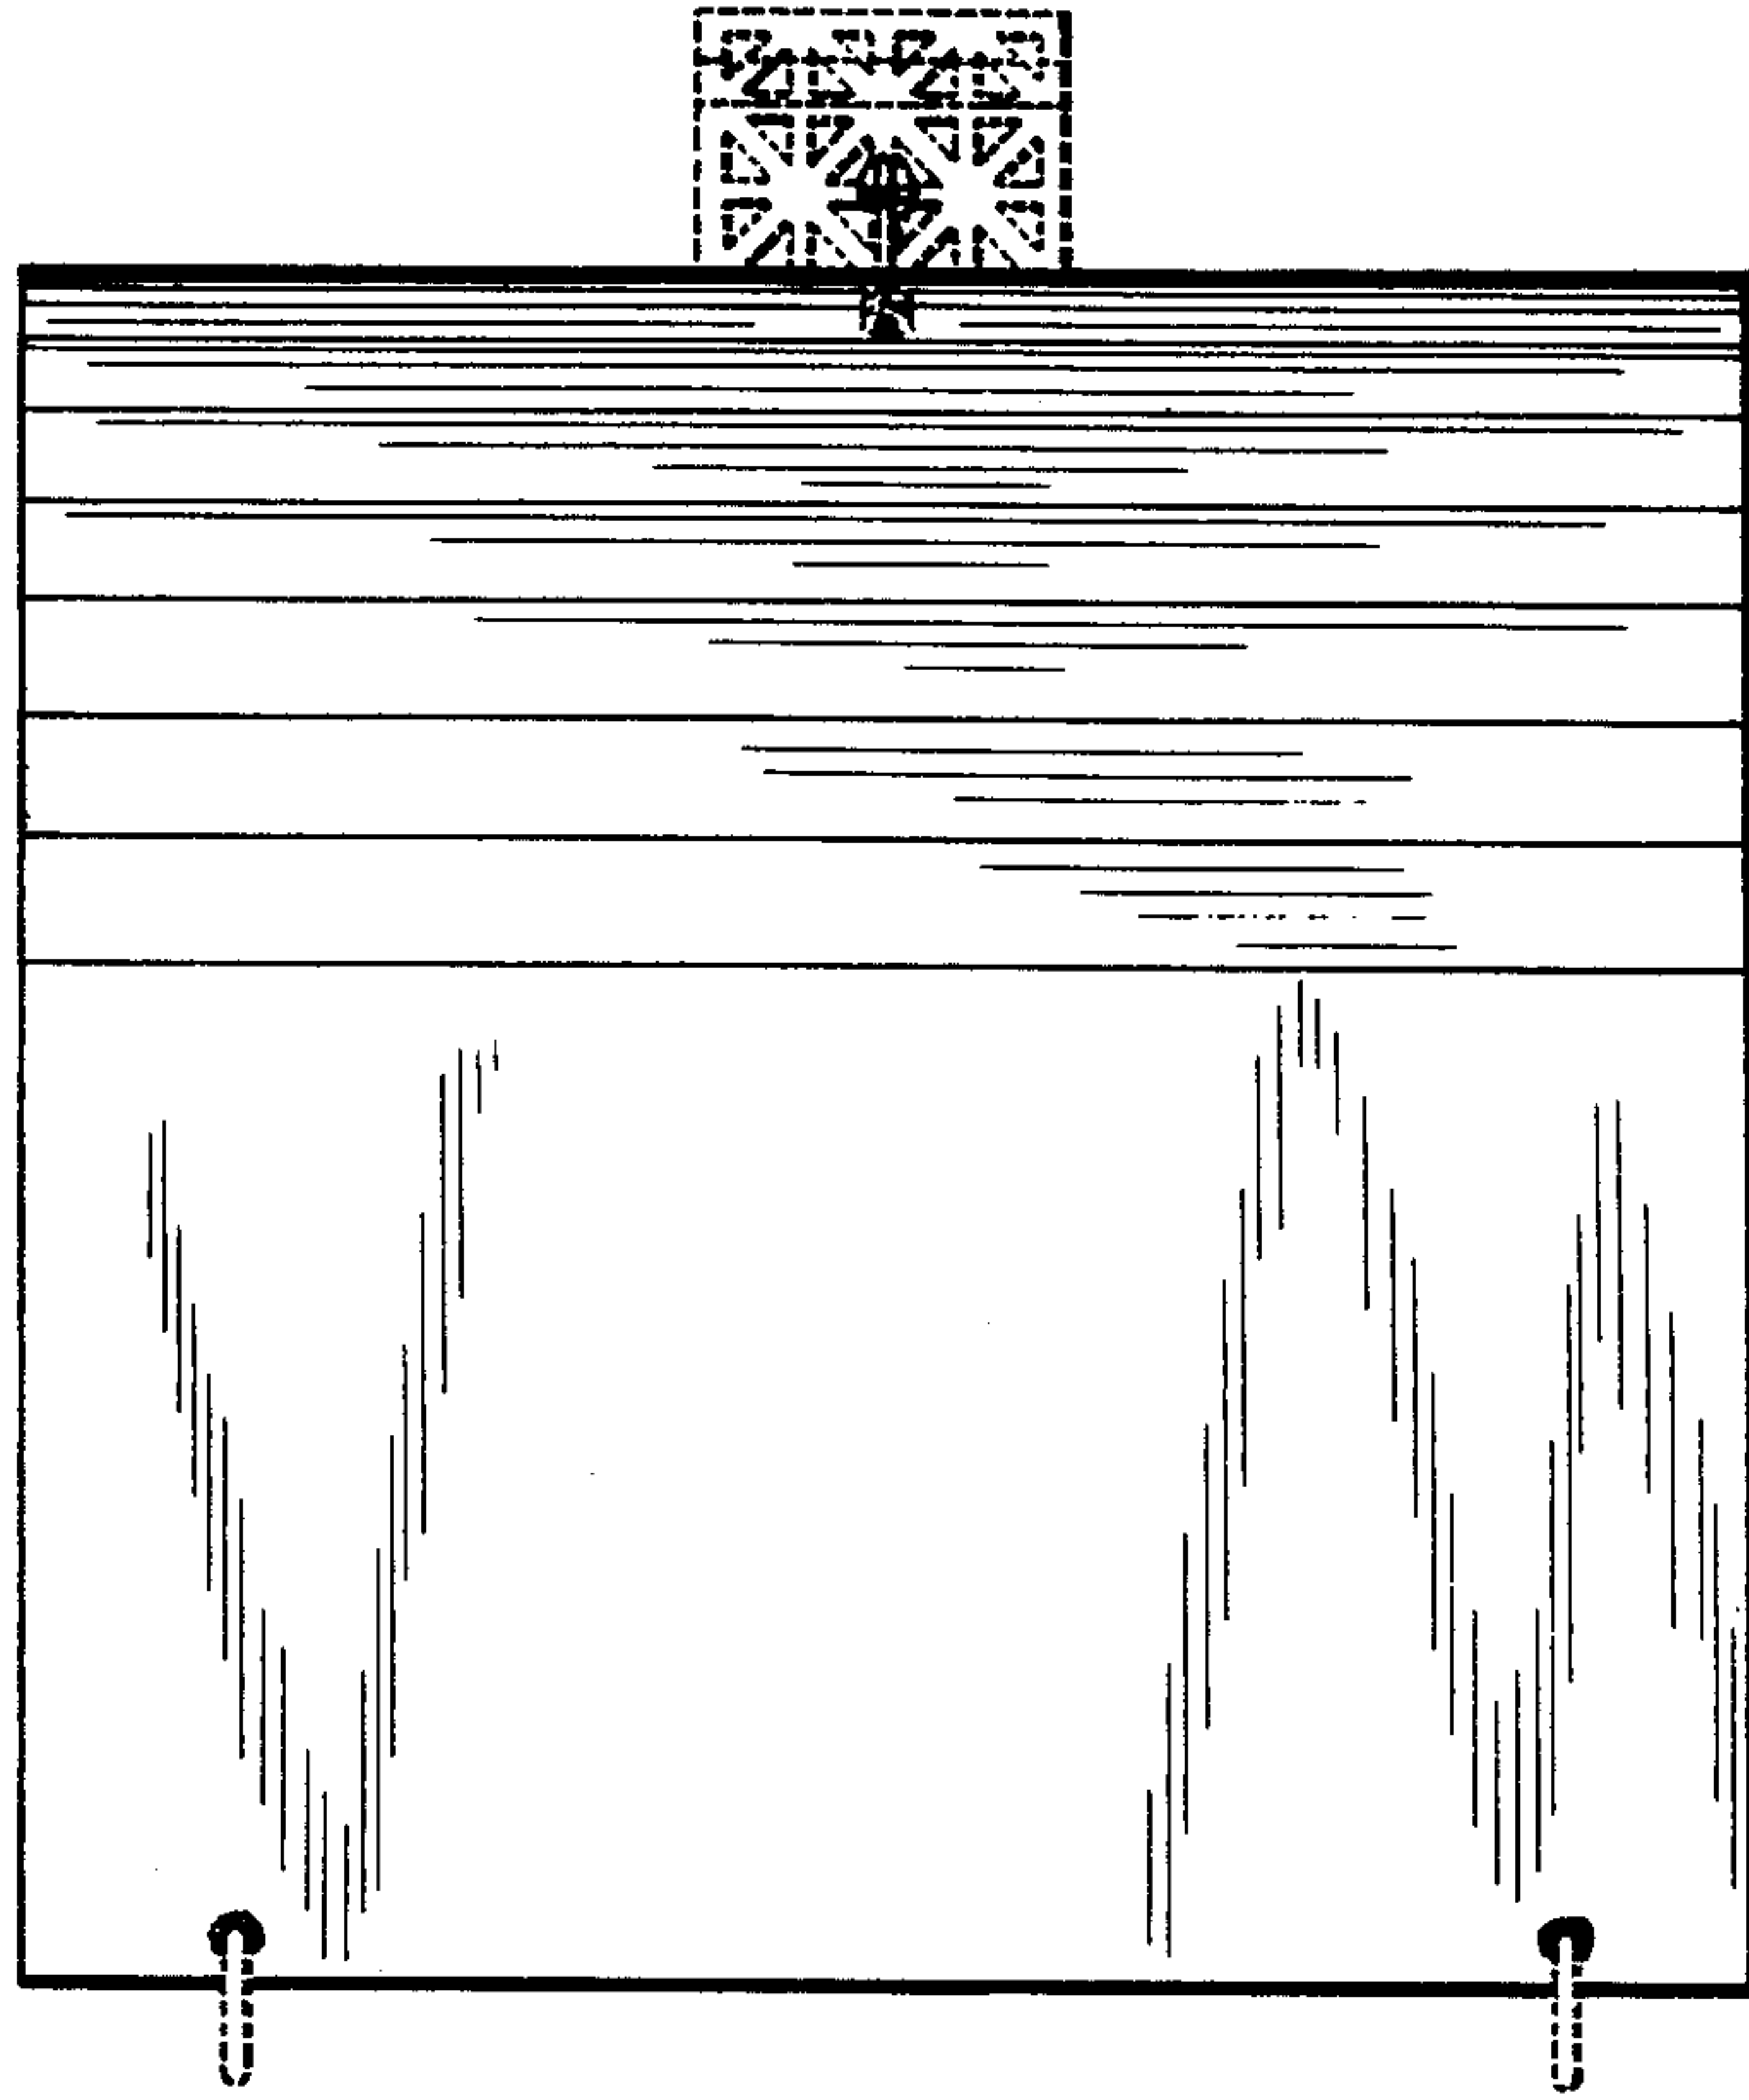

FIG. 1

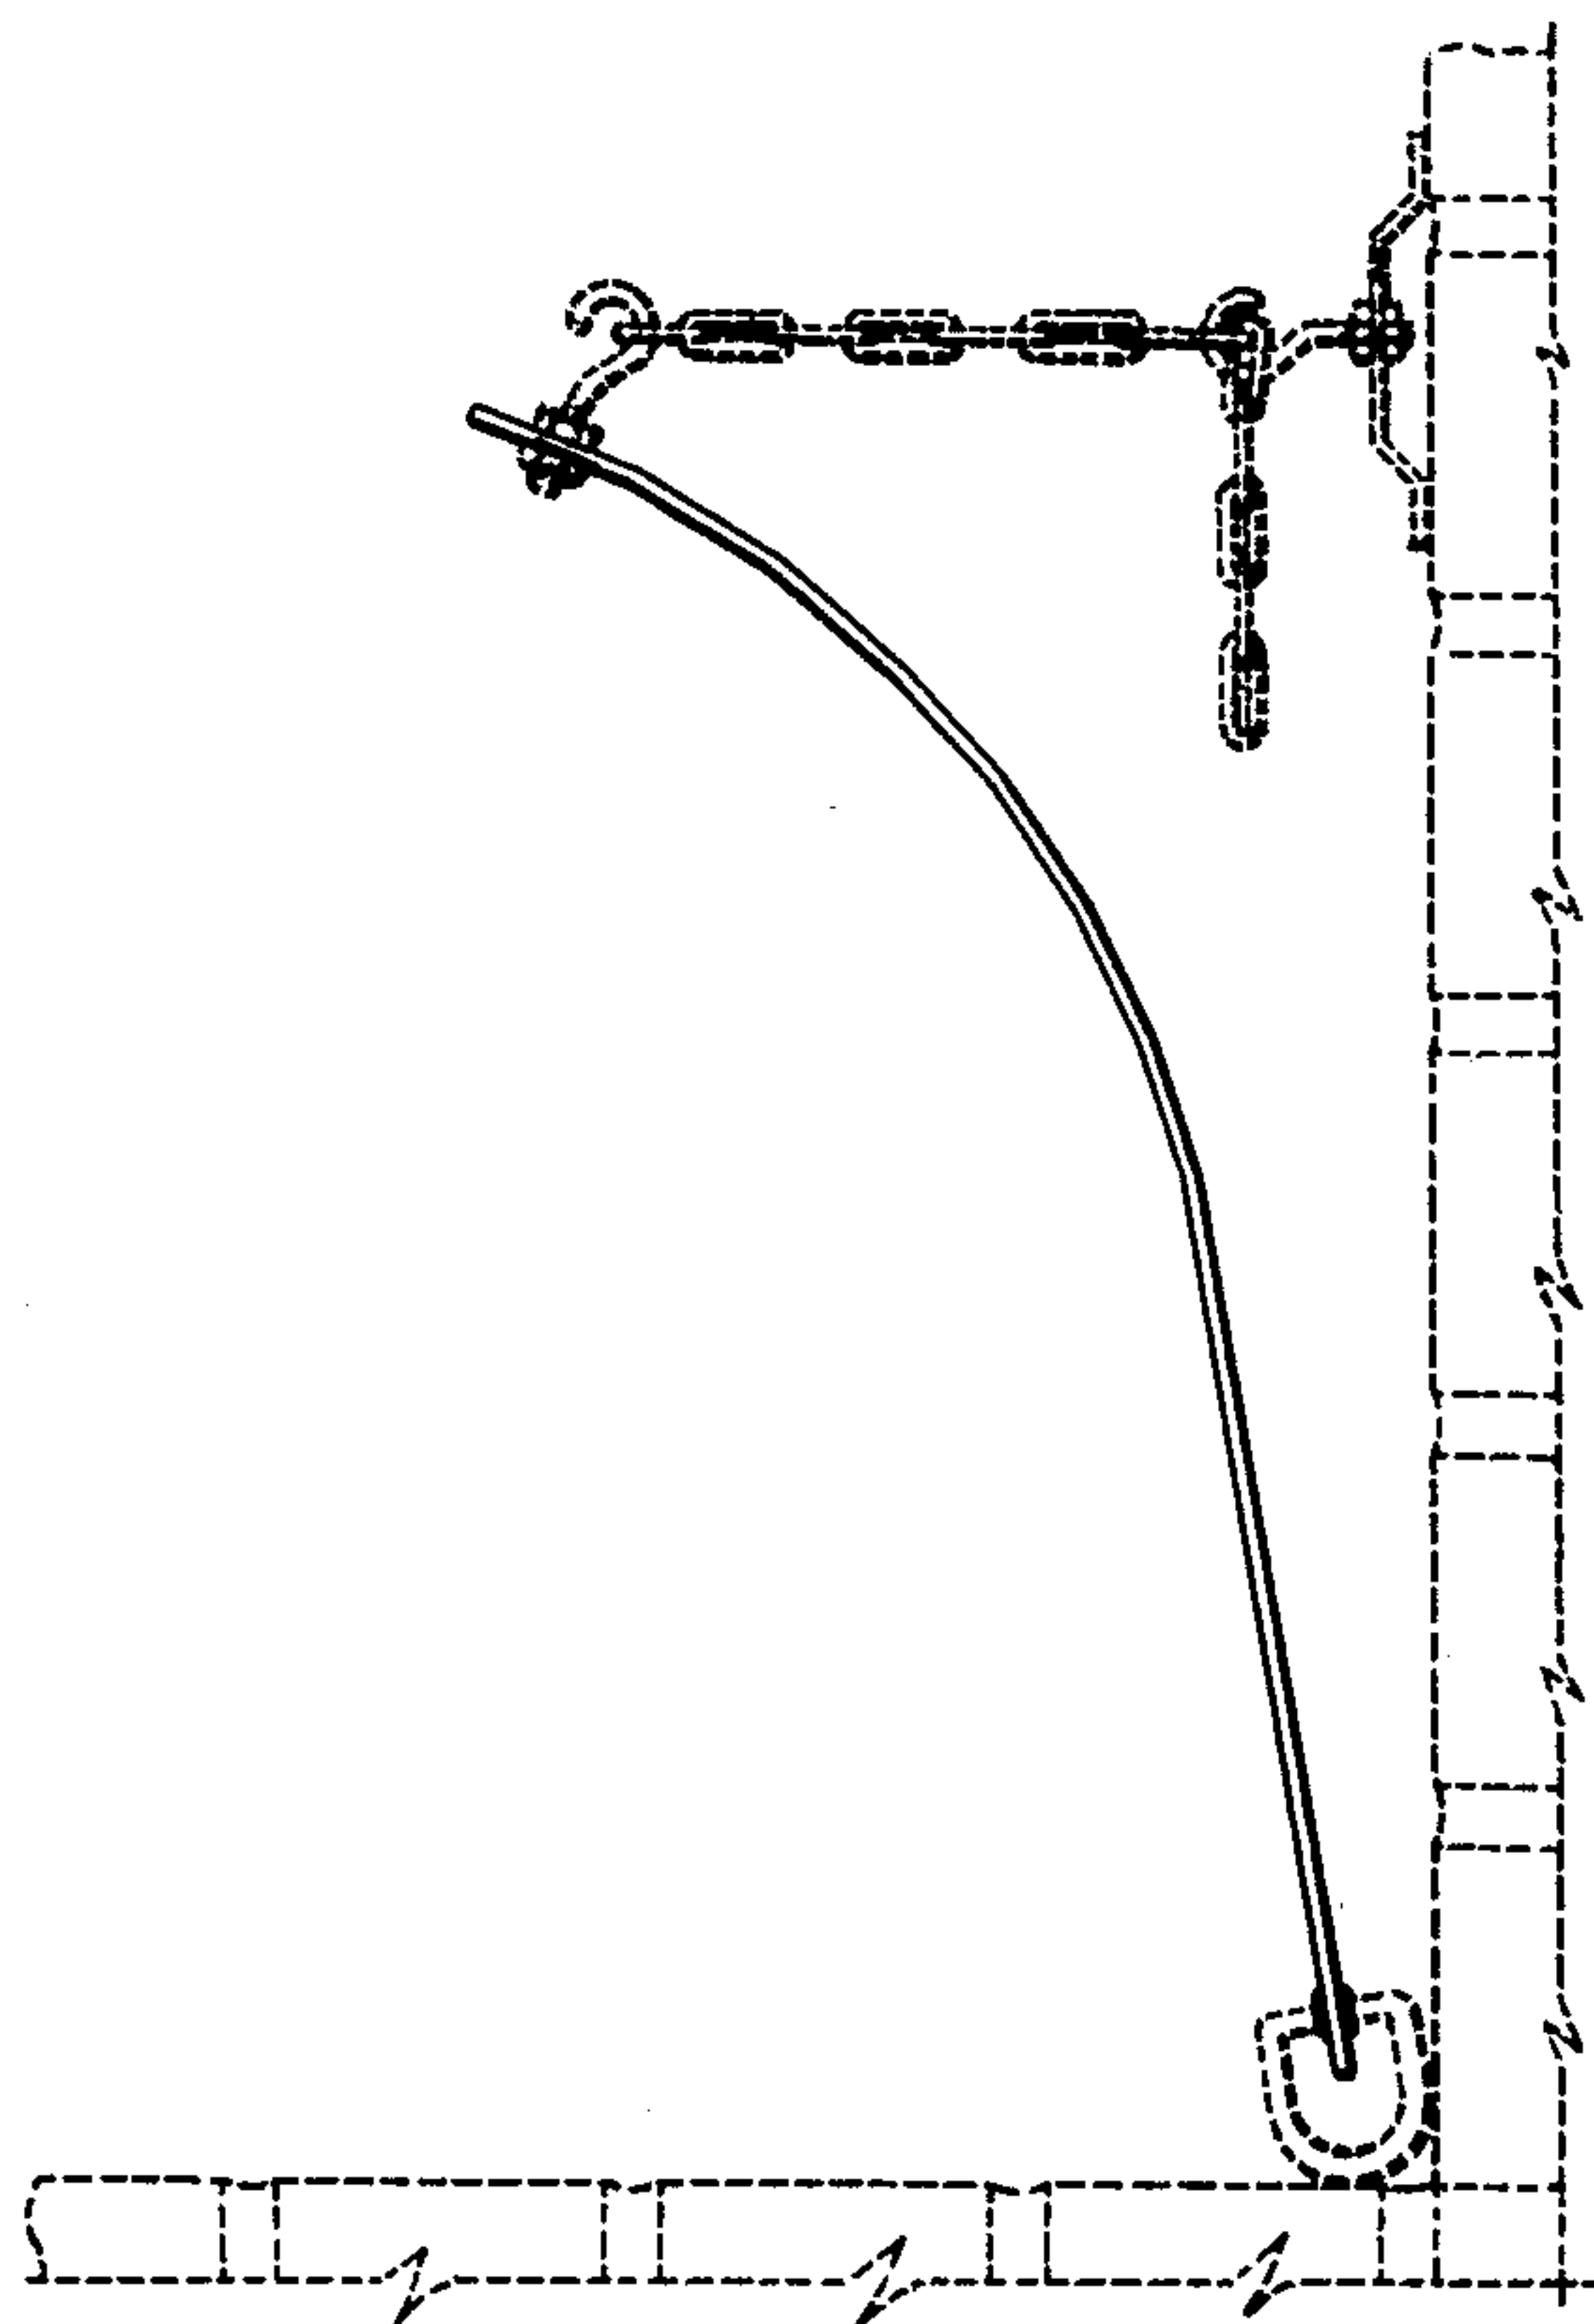

FIG. 2
