[57] **CLAIM**

The ornamental design for a combined burner, blower and support stand for simulated logs, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined burner, blower and support stand for simulated logs showing my new design, the simulated fireplace logs being shown in broken lines for illustrative purposes only, and which are not a part of the claimed design.

FIG. 2 is a top plan view;

FIG. 3, is a side elevational view, taken from the left of FIG. 1.

FIG. 4 is a front elevational view;

FIG. 5, is a side elevational view, taken from the right of FIG. 1.

FIG. 6 is a rear elevational view;

FIG. 7 is a bottom plan view.
