[57] **CLAIM**

The ornamental design for embossed plastic sheet material, substantially as shown and described.

DESCRIPTION

FIG. 1 is a plan view of embossed plastic sheet material showing my new design. A design unit is contained within the rectangle defined by dark lines. As shown, the design is repeated by extensions outside the defined rectangle; and

FIG. 2 is an enlarged plan view of a portion of the design unit of FIG. 1 showing the embossment at substantially actual size.

FIG. 1

FIG. 2
