[57] CLAIM

The ornamental design for a squeeze bottle or the like, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a squeeze bottle or the like showing my new design;
 FIG. 2 is a side view;
 FIG. 3 is an end view;
 FIG. 4 is a bottom plan view; and
 FIG. 5 is an end view showing the end opposite that seen in FIG. 3;
 FIG. 6 is a top plan view showing a modified form of my new design;
 FIG. 7 is a side view;
 FIG. 8 is an end view;
 FIG. 9 is a bottom plan view; and
 FIG. 10 is an end view showing the end opposite that seen in FIG. 8.
