[57] CLAIM

The ornamental design for a combined chair and collapsible table unit, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined chair and collapsible table unit including an attached rotatable table in a partially rotated position showing my new design;

FIG. 2 is a perspective view thereof with said rotatable table stowed in the armrest portion of said combined chair and collapsible table unit;

FIG. 3 is a top plan view on an enlarged scale of said combined chair and collapsible table unit of FIG. 2 with said rotatable table stowed in the armrest portion of said combined chair and collapsible table unit;

FIG. 4 is a side elevational view of said combined chair and collapsible table unit of FIG. 3, the opposite side being substantially a mirror image thereof;

FIG. 5 is a front elevational view of said combined chair and collapsible table unit of FIG. 4 with said rotatable table in the fully rotated operational position;

FIG. 6 is a rear elevational view of said combined chair and collapsible table unit of FIG. 5; and

FIG. 7 is a fragmentary plan view showing the top of the combined chair and collapsible table unit in greater detail.
