[57] CLAIM

The ornamental design for a covered storage container, as shown and described.

DESCRIPTION

FIG. 1 is an exploded elevation view of a first embodiment of the covered storage container of my new design, centered upon a corner between two sides of the covered storage container;

FIG. 2 is a top plan view of the covered storage container;

FIG. 3 is a side elevation view of the covered storage container of FIG. 1, with a portion broken away and sectioned;

FIG. 4 is a bottom plan view of the cover;

FIG. 5 is a top plan view of the covered storage container of FIG. 1, with the cover removed; and

FIG. 6 is a bottom plan view of the covered storage container of FIG. 1;

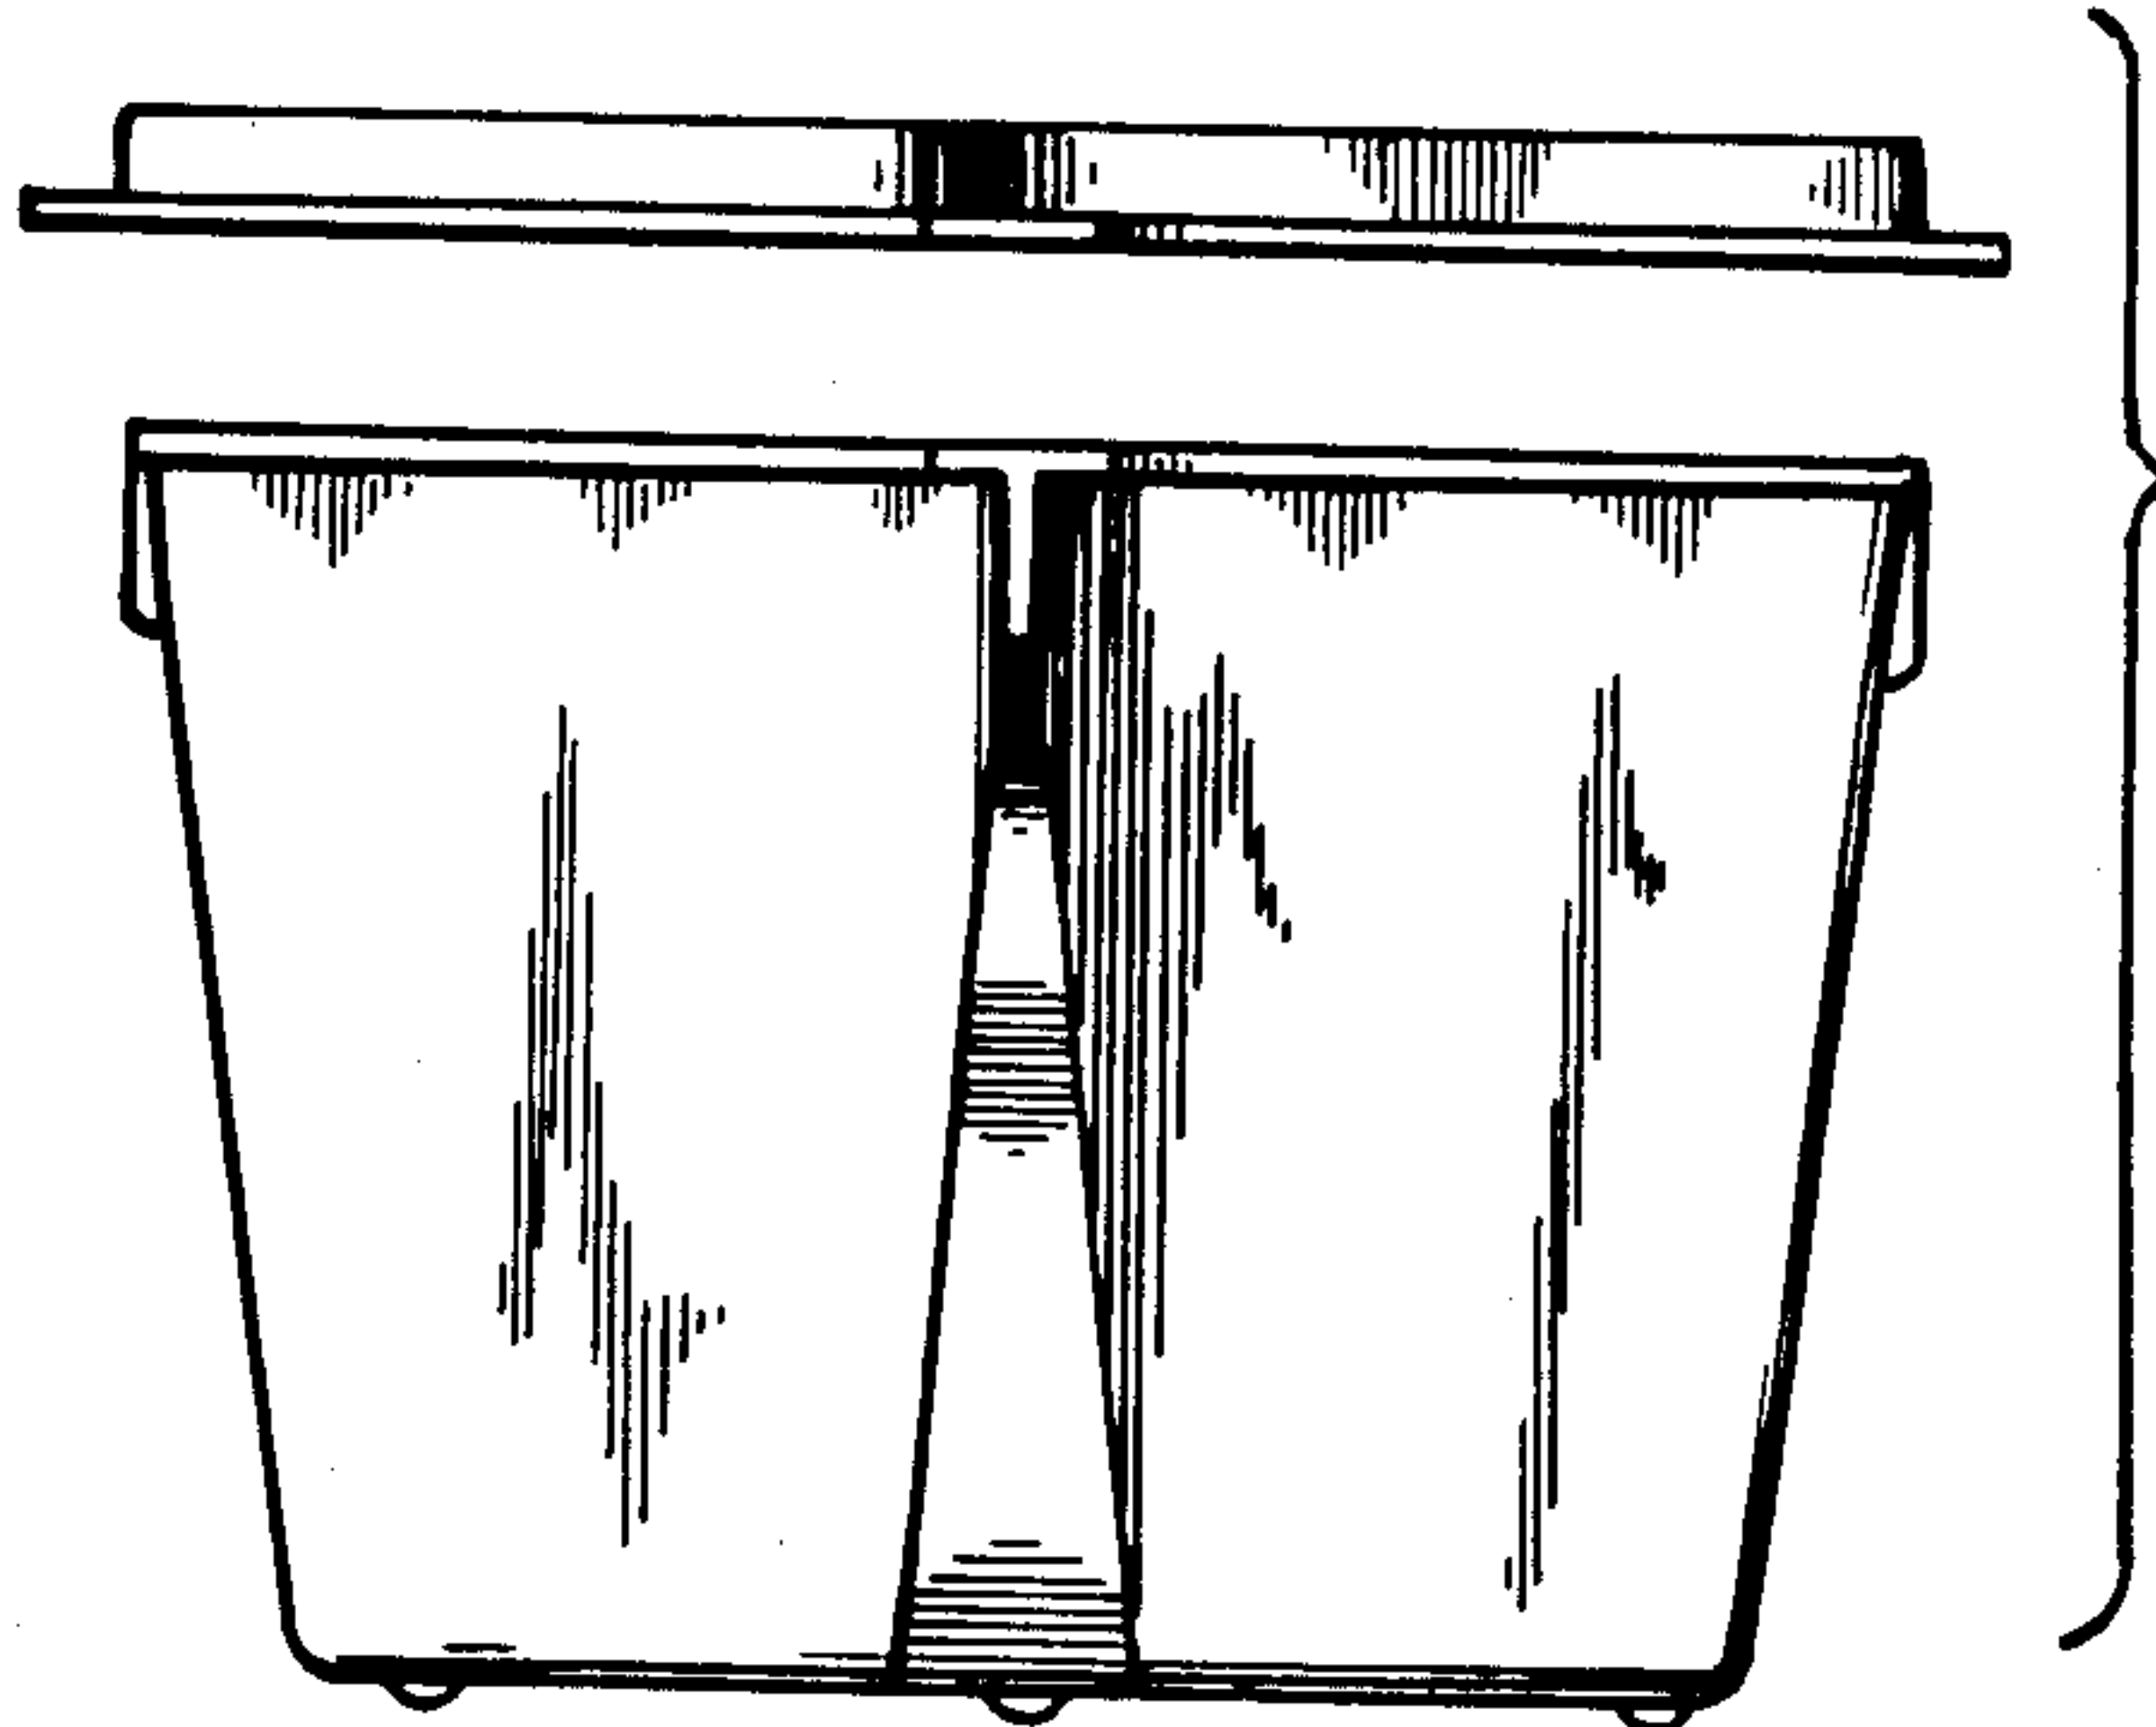

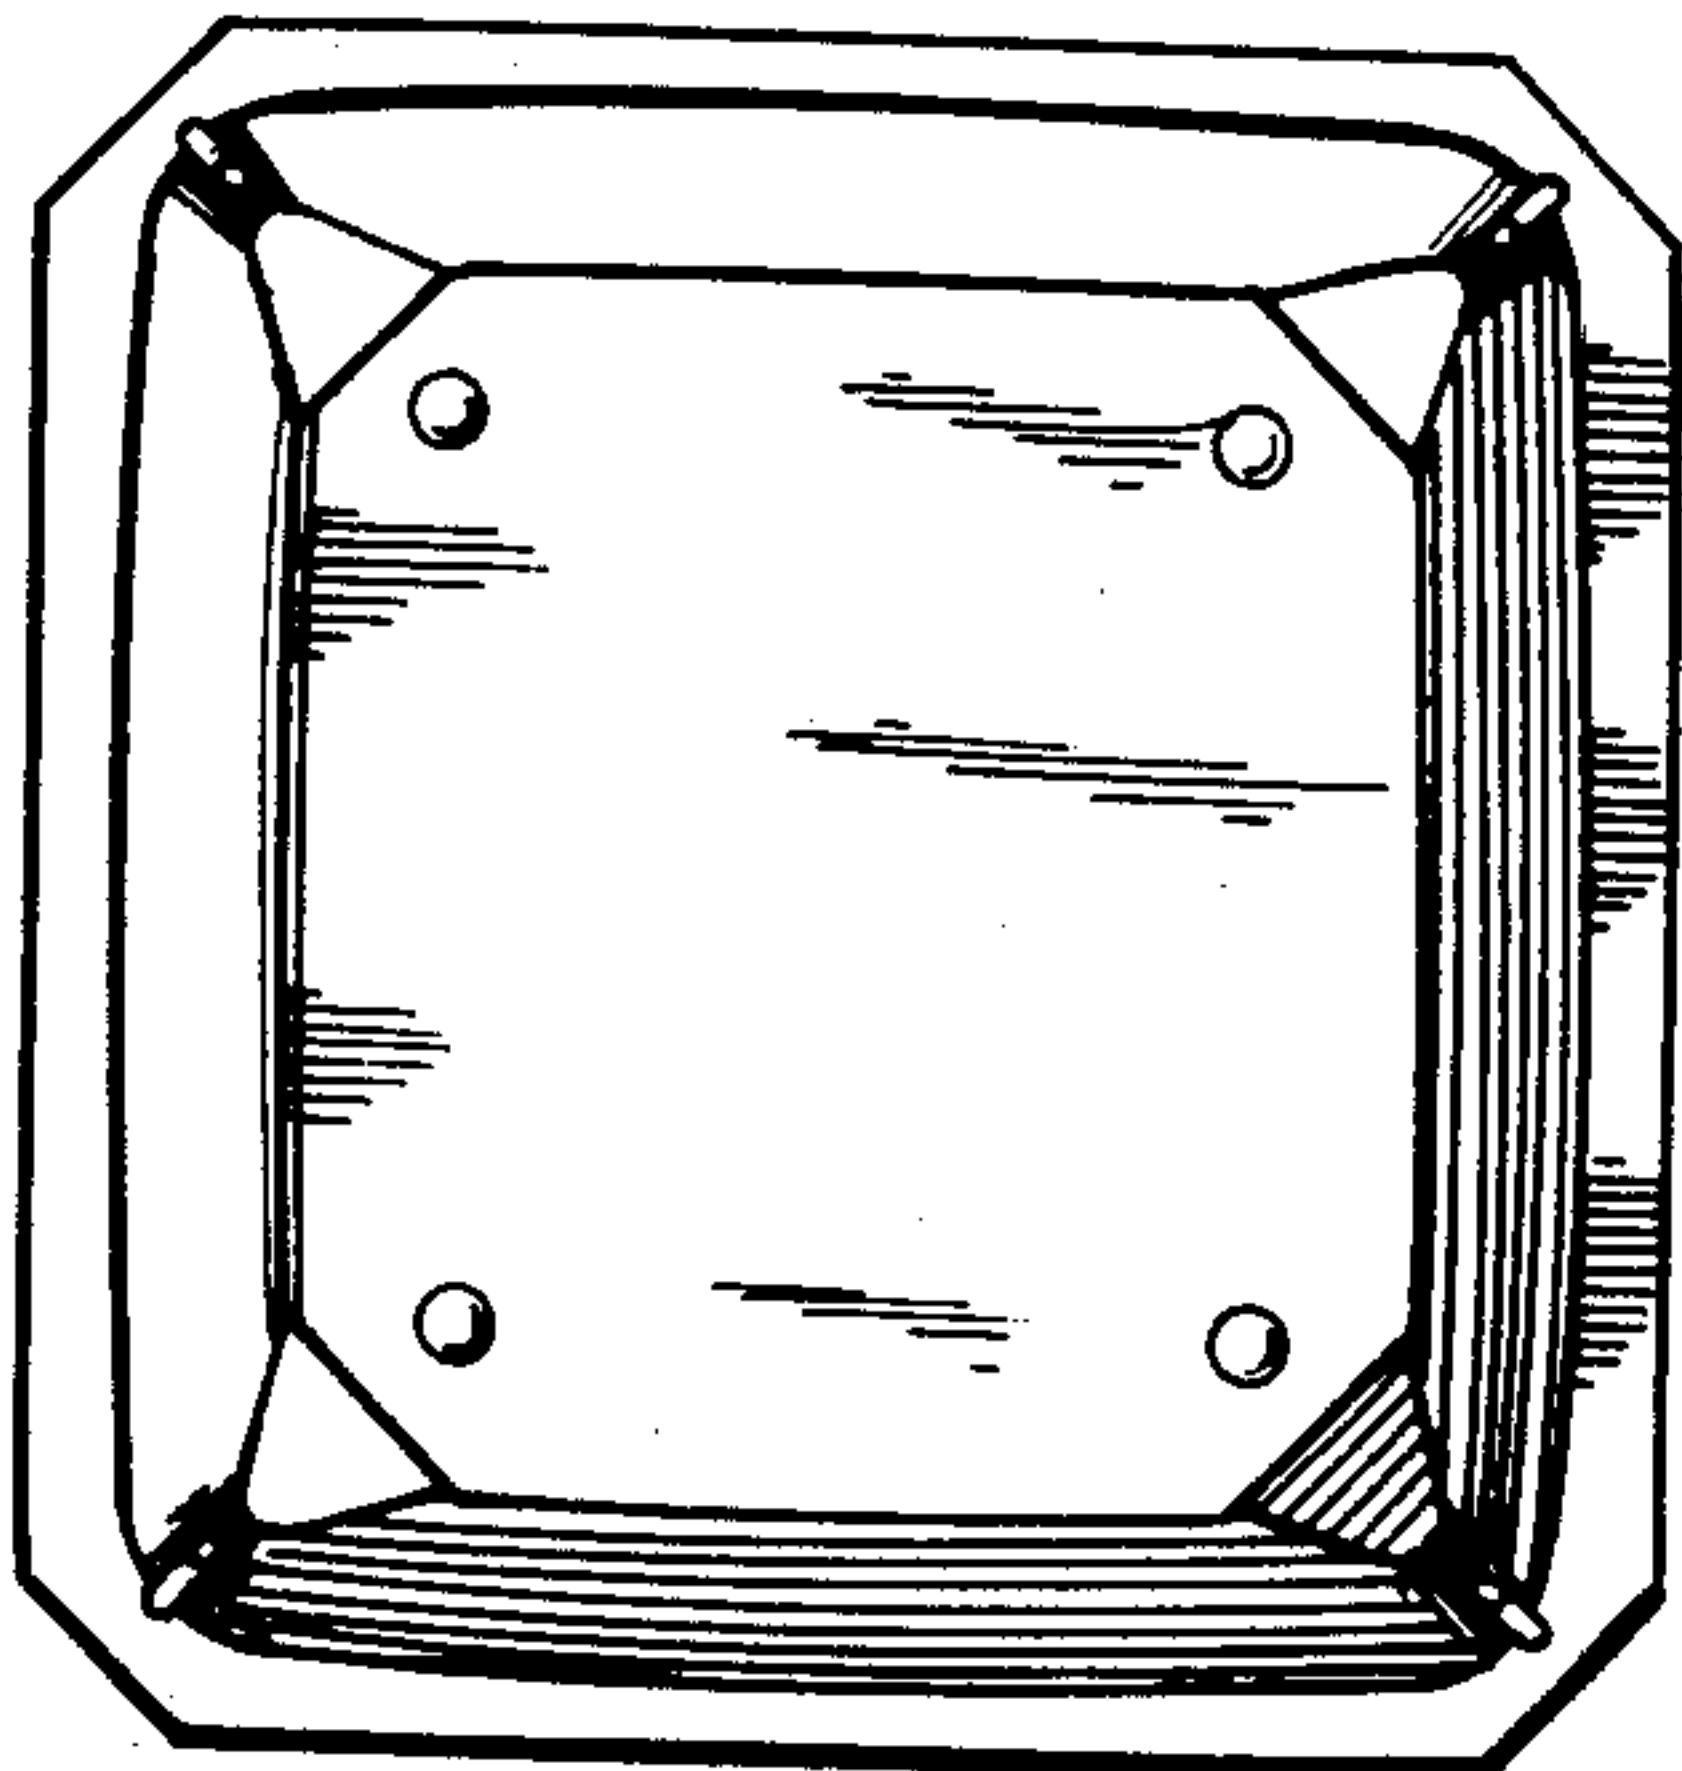

FIG. 7 is an exploded elevation view of a second embodiment of the covered storage container of my new design, centered upon a corner between two sides of the covered storage container;

FIG. 8 is a side elevation view of the covered storage container of FIG. 7, with a portion broken away and sectioned;

FIG. 9 is a top plan view of the covered storage container of FIG. 7, with the cover removed; and

FIG. 10 is a bottom plan view of the container of FIG. 7.

A top plan view of the covered storage container of FIG. 7 and a bottom plan view of the cover thereof would respectively replicate FIGS. 2 and 4.
