[57] **CLAIM**

The ornamental design for a stand for holding a vehicle air conditioner compressor at different angles during repair, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a stand for holding a vehicle air conditioner compressor at different angles during repair, showing my new design;
FIG. 2 is an elevational view of the right-hand end of FIG. 1;
FIG. 3 is a top plan view;
FIG. 4 is an elevational view of one side, the opposite side being a mirror image thereof;
FIG. 5 is a bottom plan view; and,
FIG. 6 is an elevational view of the left-hand end of FIG. 1.

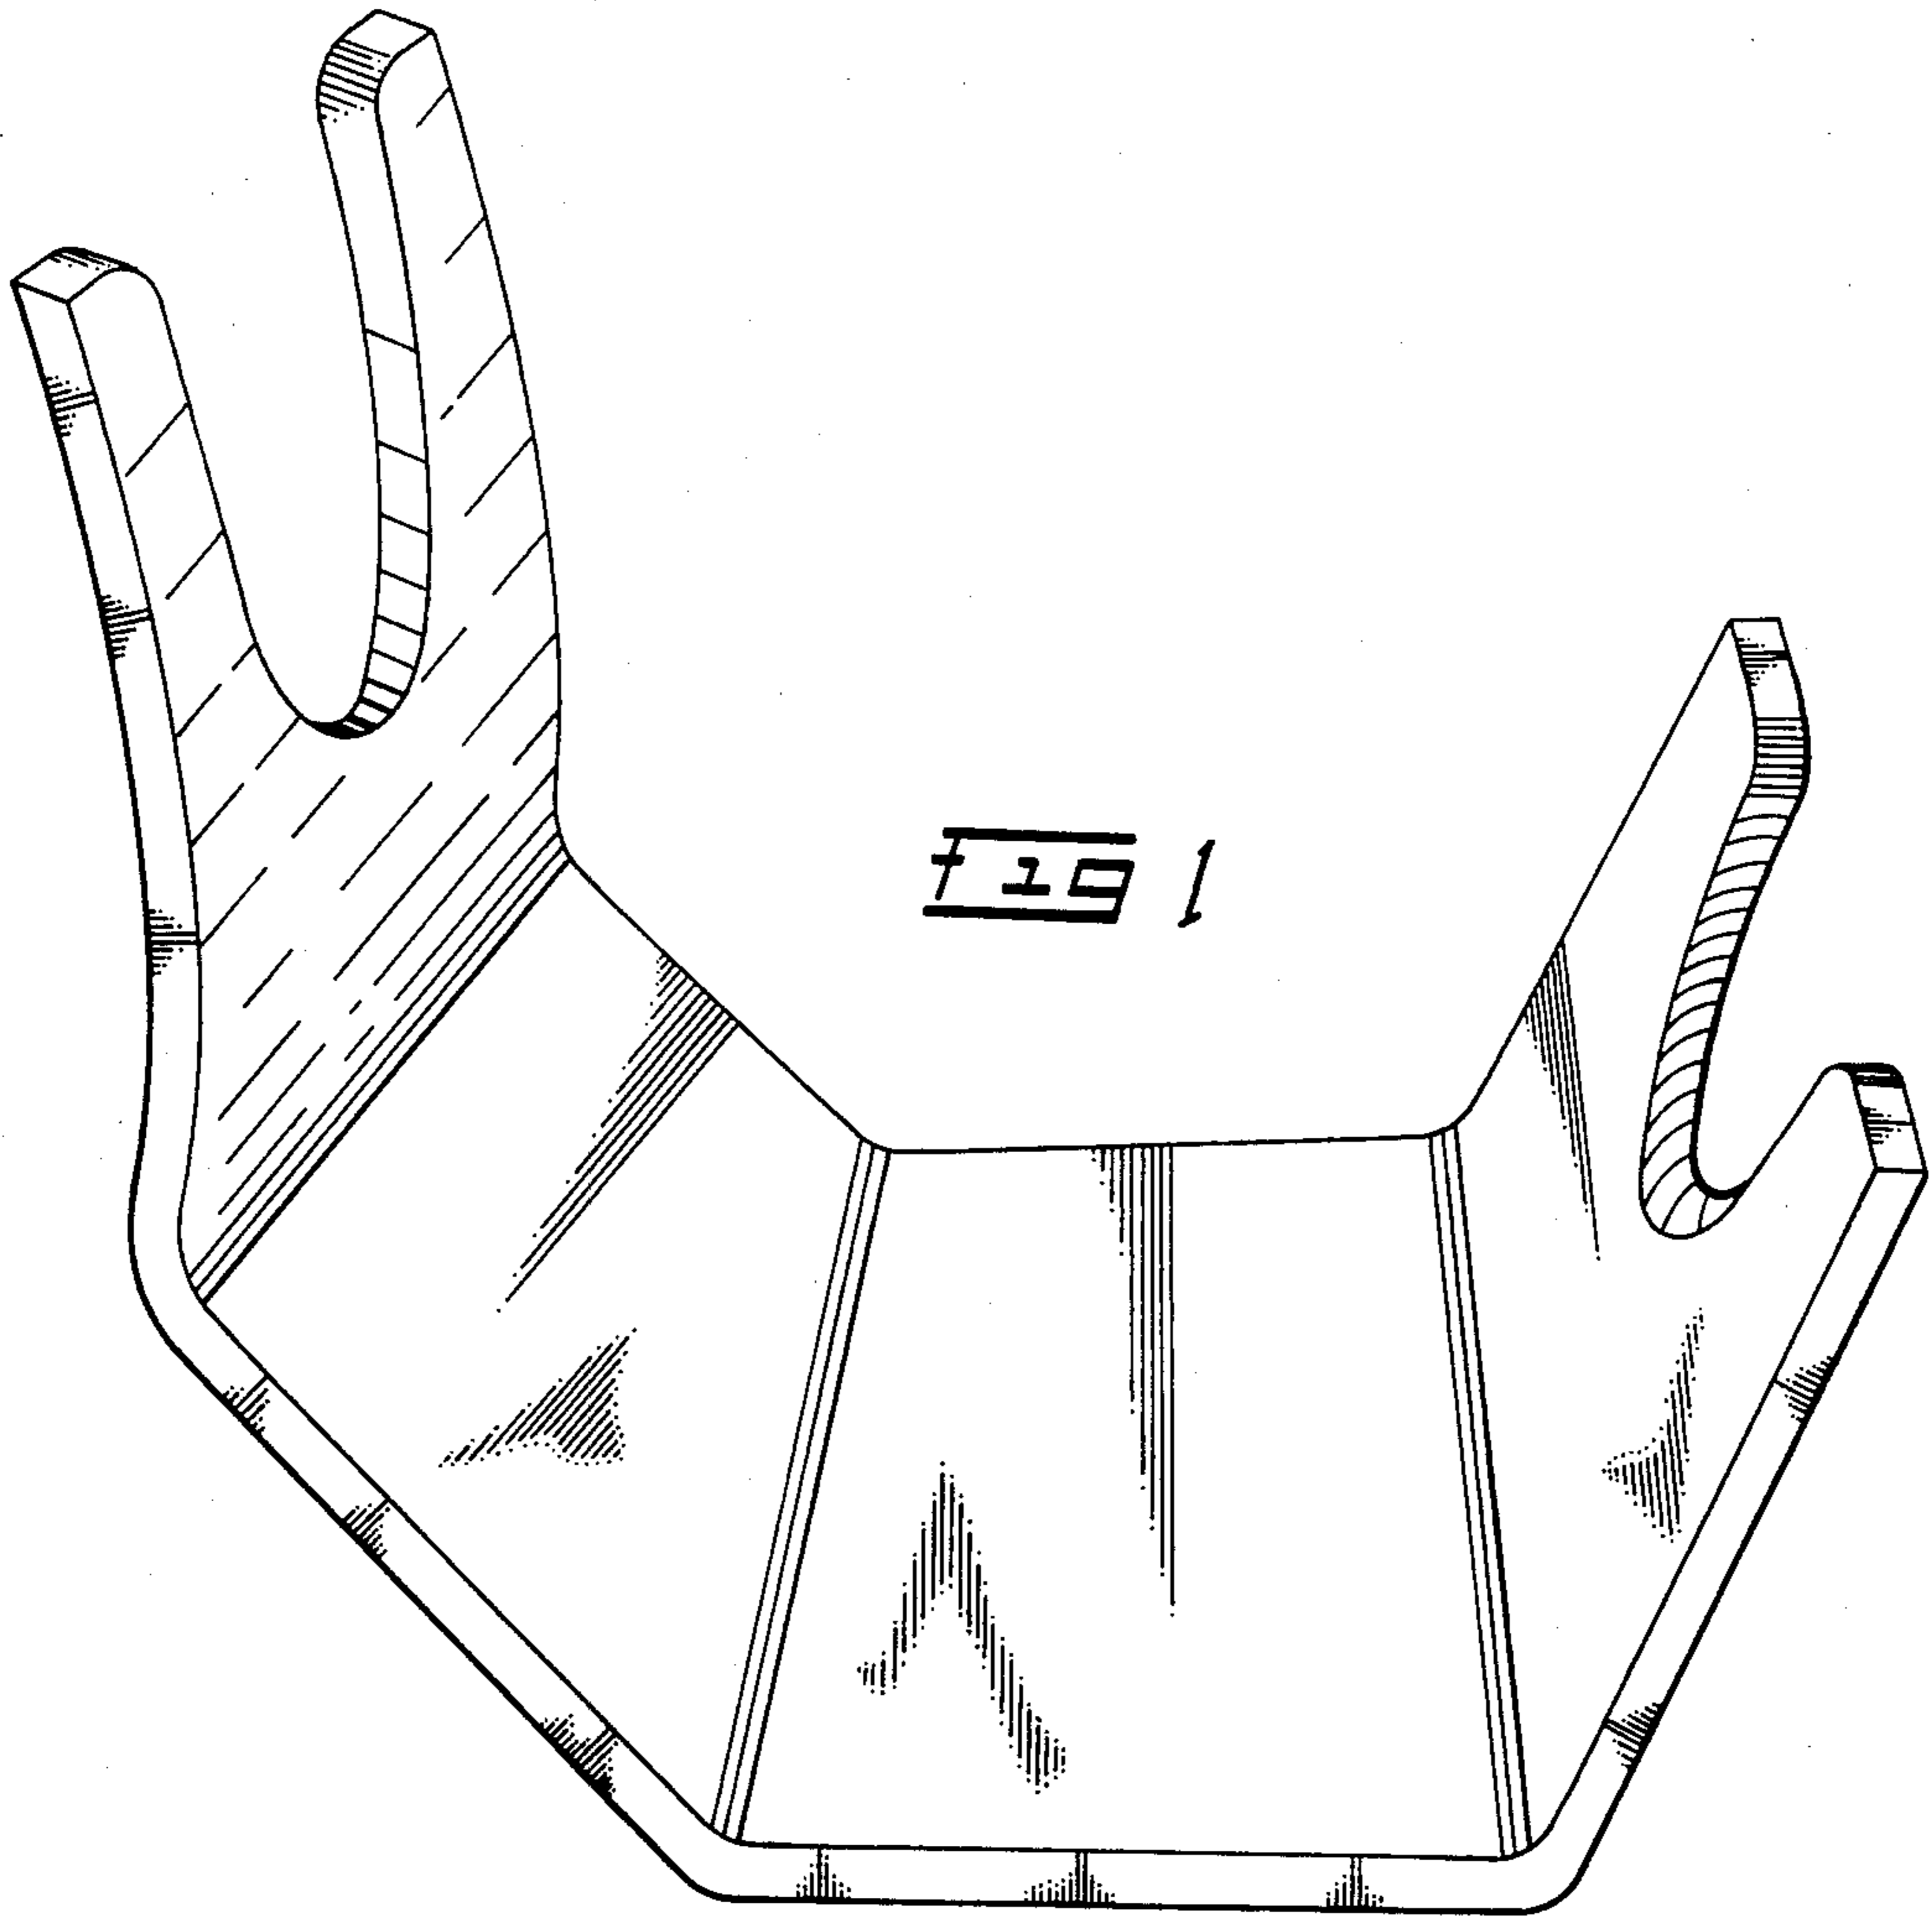

FIG 1

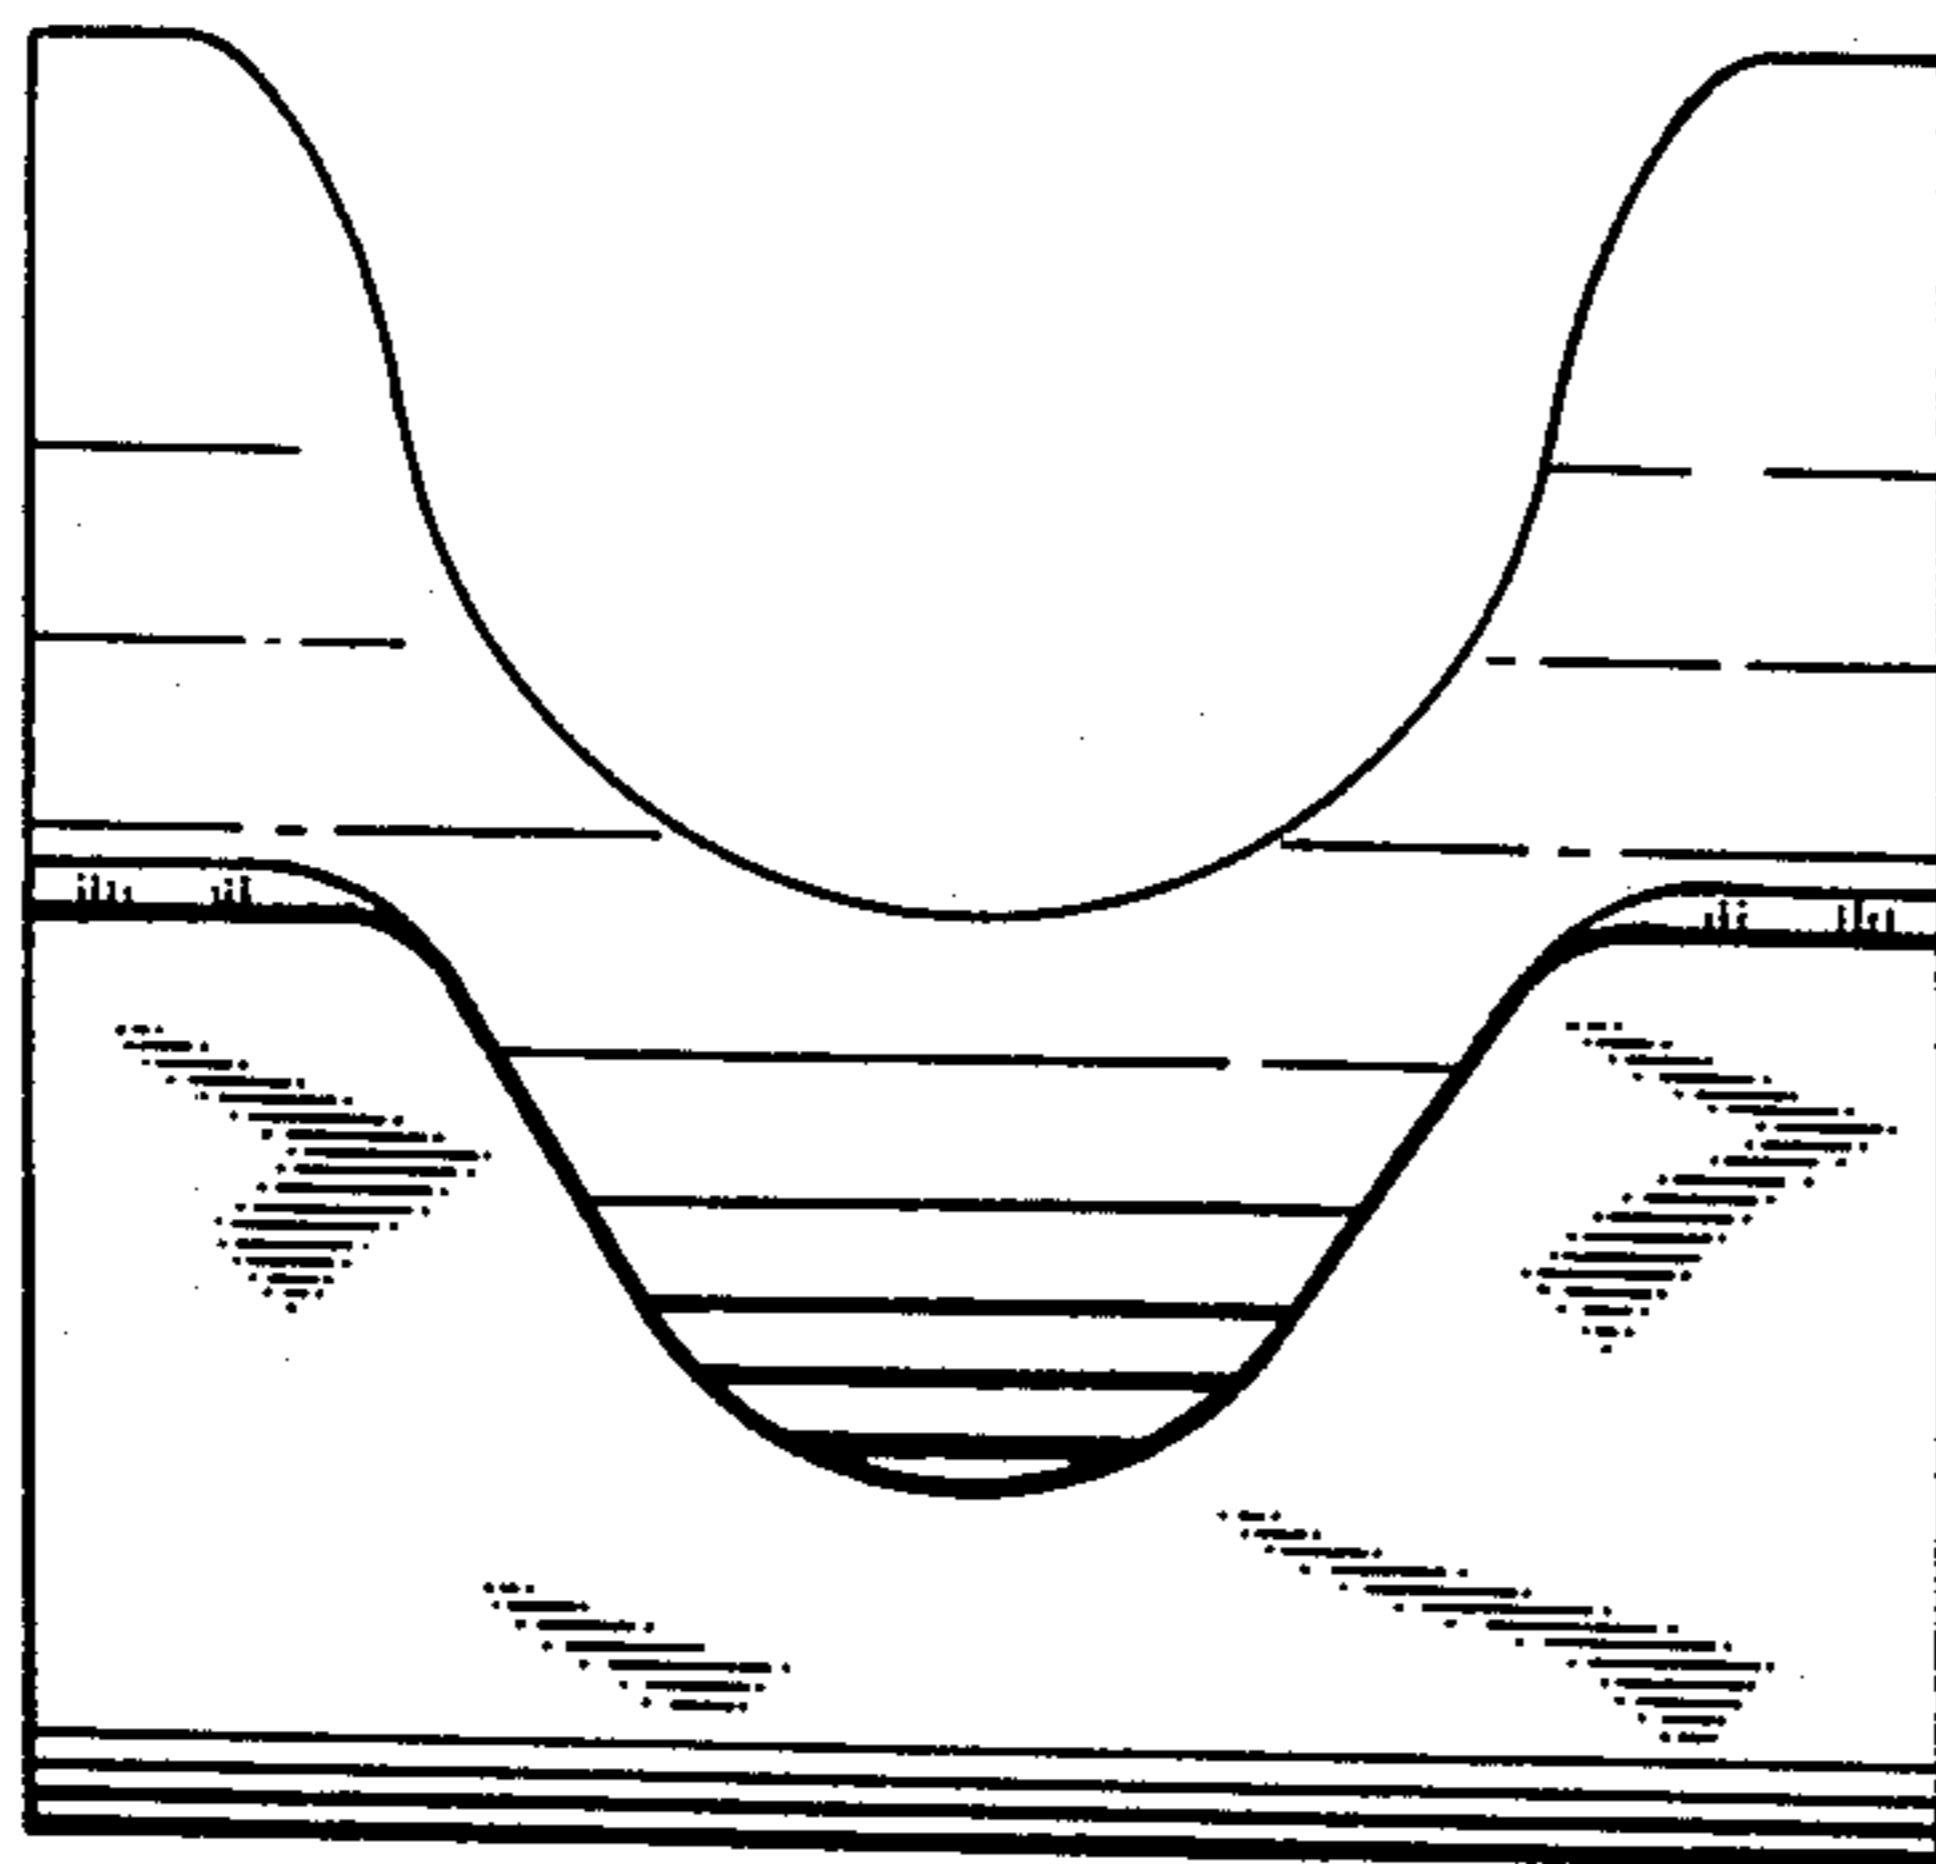

FIG 2
