[57] CLAIM

The ornamental design for a wall-mounted smoke detector, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a wall-mounted smoke detector showing my new design; FIG. 2 is an elevational view of one side of the smoke detector, being taken from a sight line below FIG. 1; FIG. 3 is an elevational view of the smoke detector taken from the left hand side of FIG. 1, the right hand side being a mirror image thereof; and FIG. 4 is an elevational view thereof taken from the side opposite to that shown in FIG. 2.
