[57] CLAIM

The ornamental design for a restaurant building, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a restaurant building; FIG. 2 is a front elevational view of the restaurant building illustrated in FIG. 1; FIG. 3 is a rear elevational view of the restaurant building; FIG. 4 is a side elevational view of the restaurant building showing the drive-in service structure attached to the side of the main building; FIG. 5 is a top plan view of the restaurant building. The dominate feature of the design resides in the configuration of the entrance way.
