CLAIM

The ornamental design for a reversible safety cap and screw cap for containers, substantially as shown.

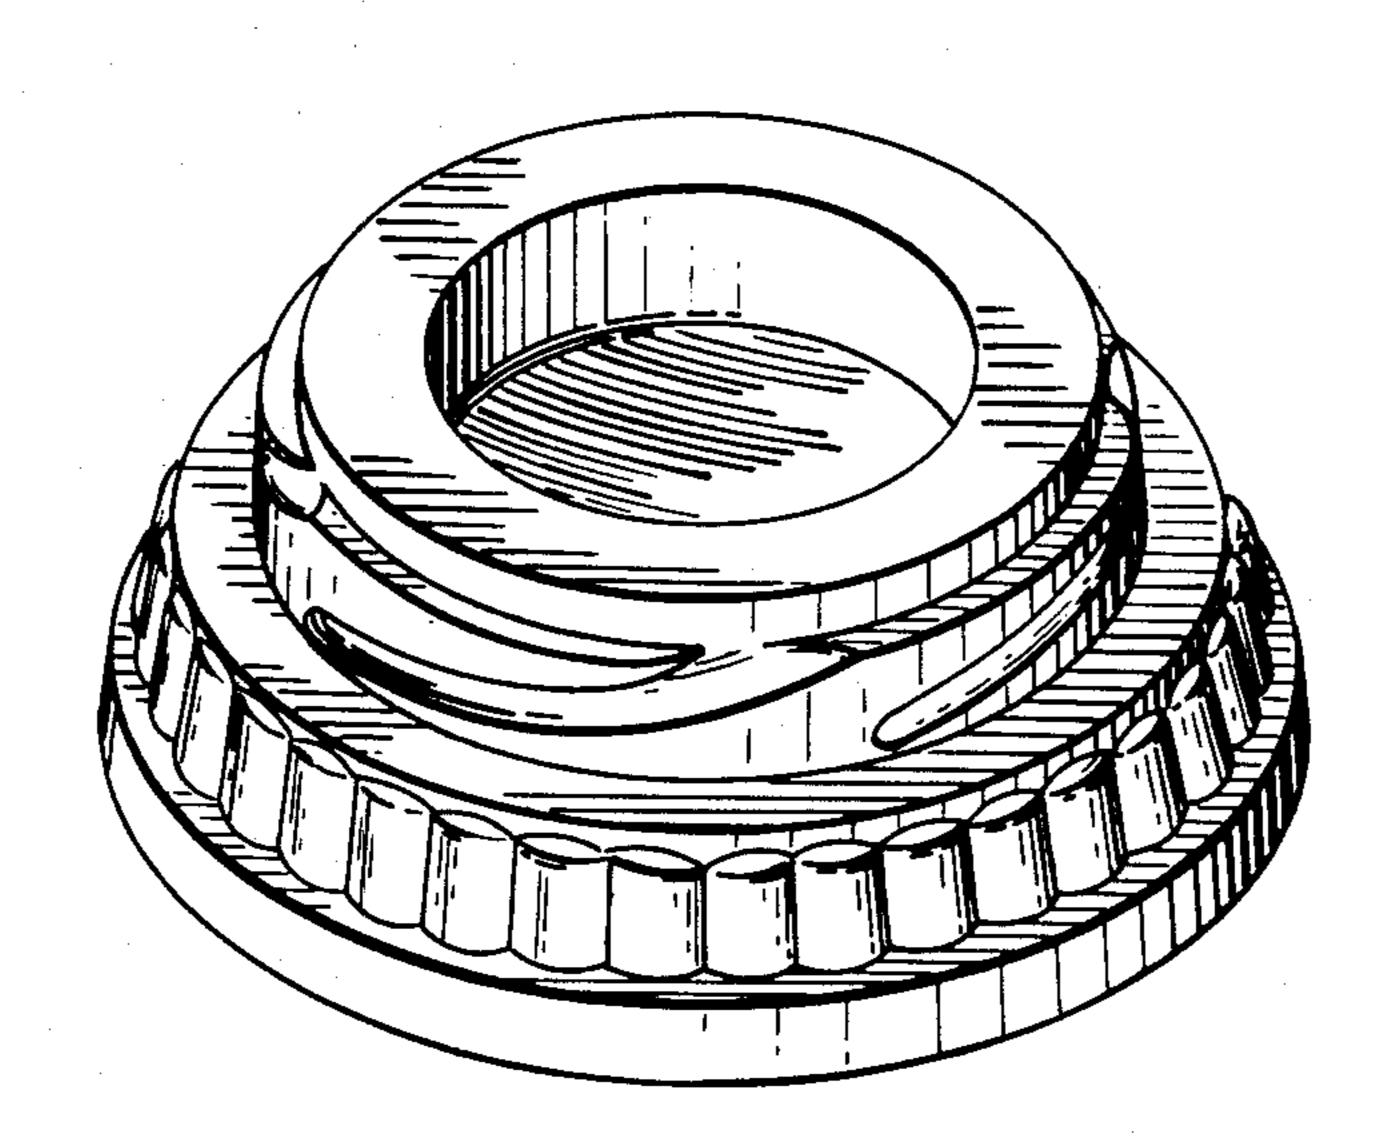

## **DESCRIPTION**

FIG. 1 is a top perspective view of a reversible safety cap and screw cap for containers showing my new design, the view showing the top and one side thereof; FIG. 2 is a bottom perspective view showing the bottom and the same side thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view thereof; and

FIG. 5 is a side elevational view showing the side opposite that seen in FIGS. 1 and 2.
