[57] CLAIM

The ornamental design for a combination celestial display and restaurant building, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the building, showing my design;
FIG. 2 is a top plan view of the building, as viewed in FIG. 1;
FIG. 3 is a side elevational view of the building, taken substantially along line 3—3 of FIG. 2; and
FIG. 4 is a fragmental sectional view through the interior of the globular portion of the building, taken on and through its vertical axis and along its internal walkway at the equator of the building.
