[57] CLAIM

The ornamental design for a plastic line missile to be used with fishing line in electrical conduit or pipe substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of a plastic line missile to be used with fishing line in electrical conduit or pipe illustrating my new design;

FIG. 2 is a right side view thereof;

FIG. 3 is a rear view thereof;

FIG. 4 is a front view thereof; and

FIG. 5 is a cross-section view taken in the direction of arrow "5" in FIG. 1.
