[57] **CLAIM**

The ornamental design for a trivet, as shown and described.

DESCRIPTION

FIG. 1 is a top isometric view of a trivet showing my new design;

FIG. 2 is a top plan view thereof;

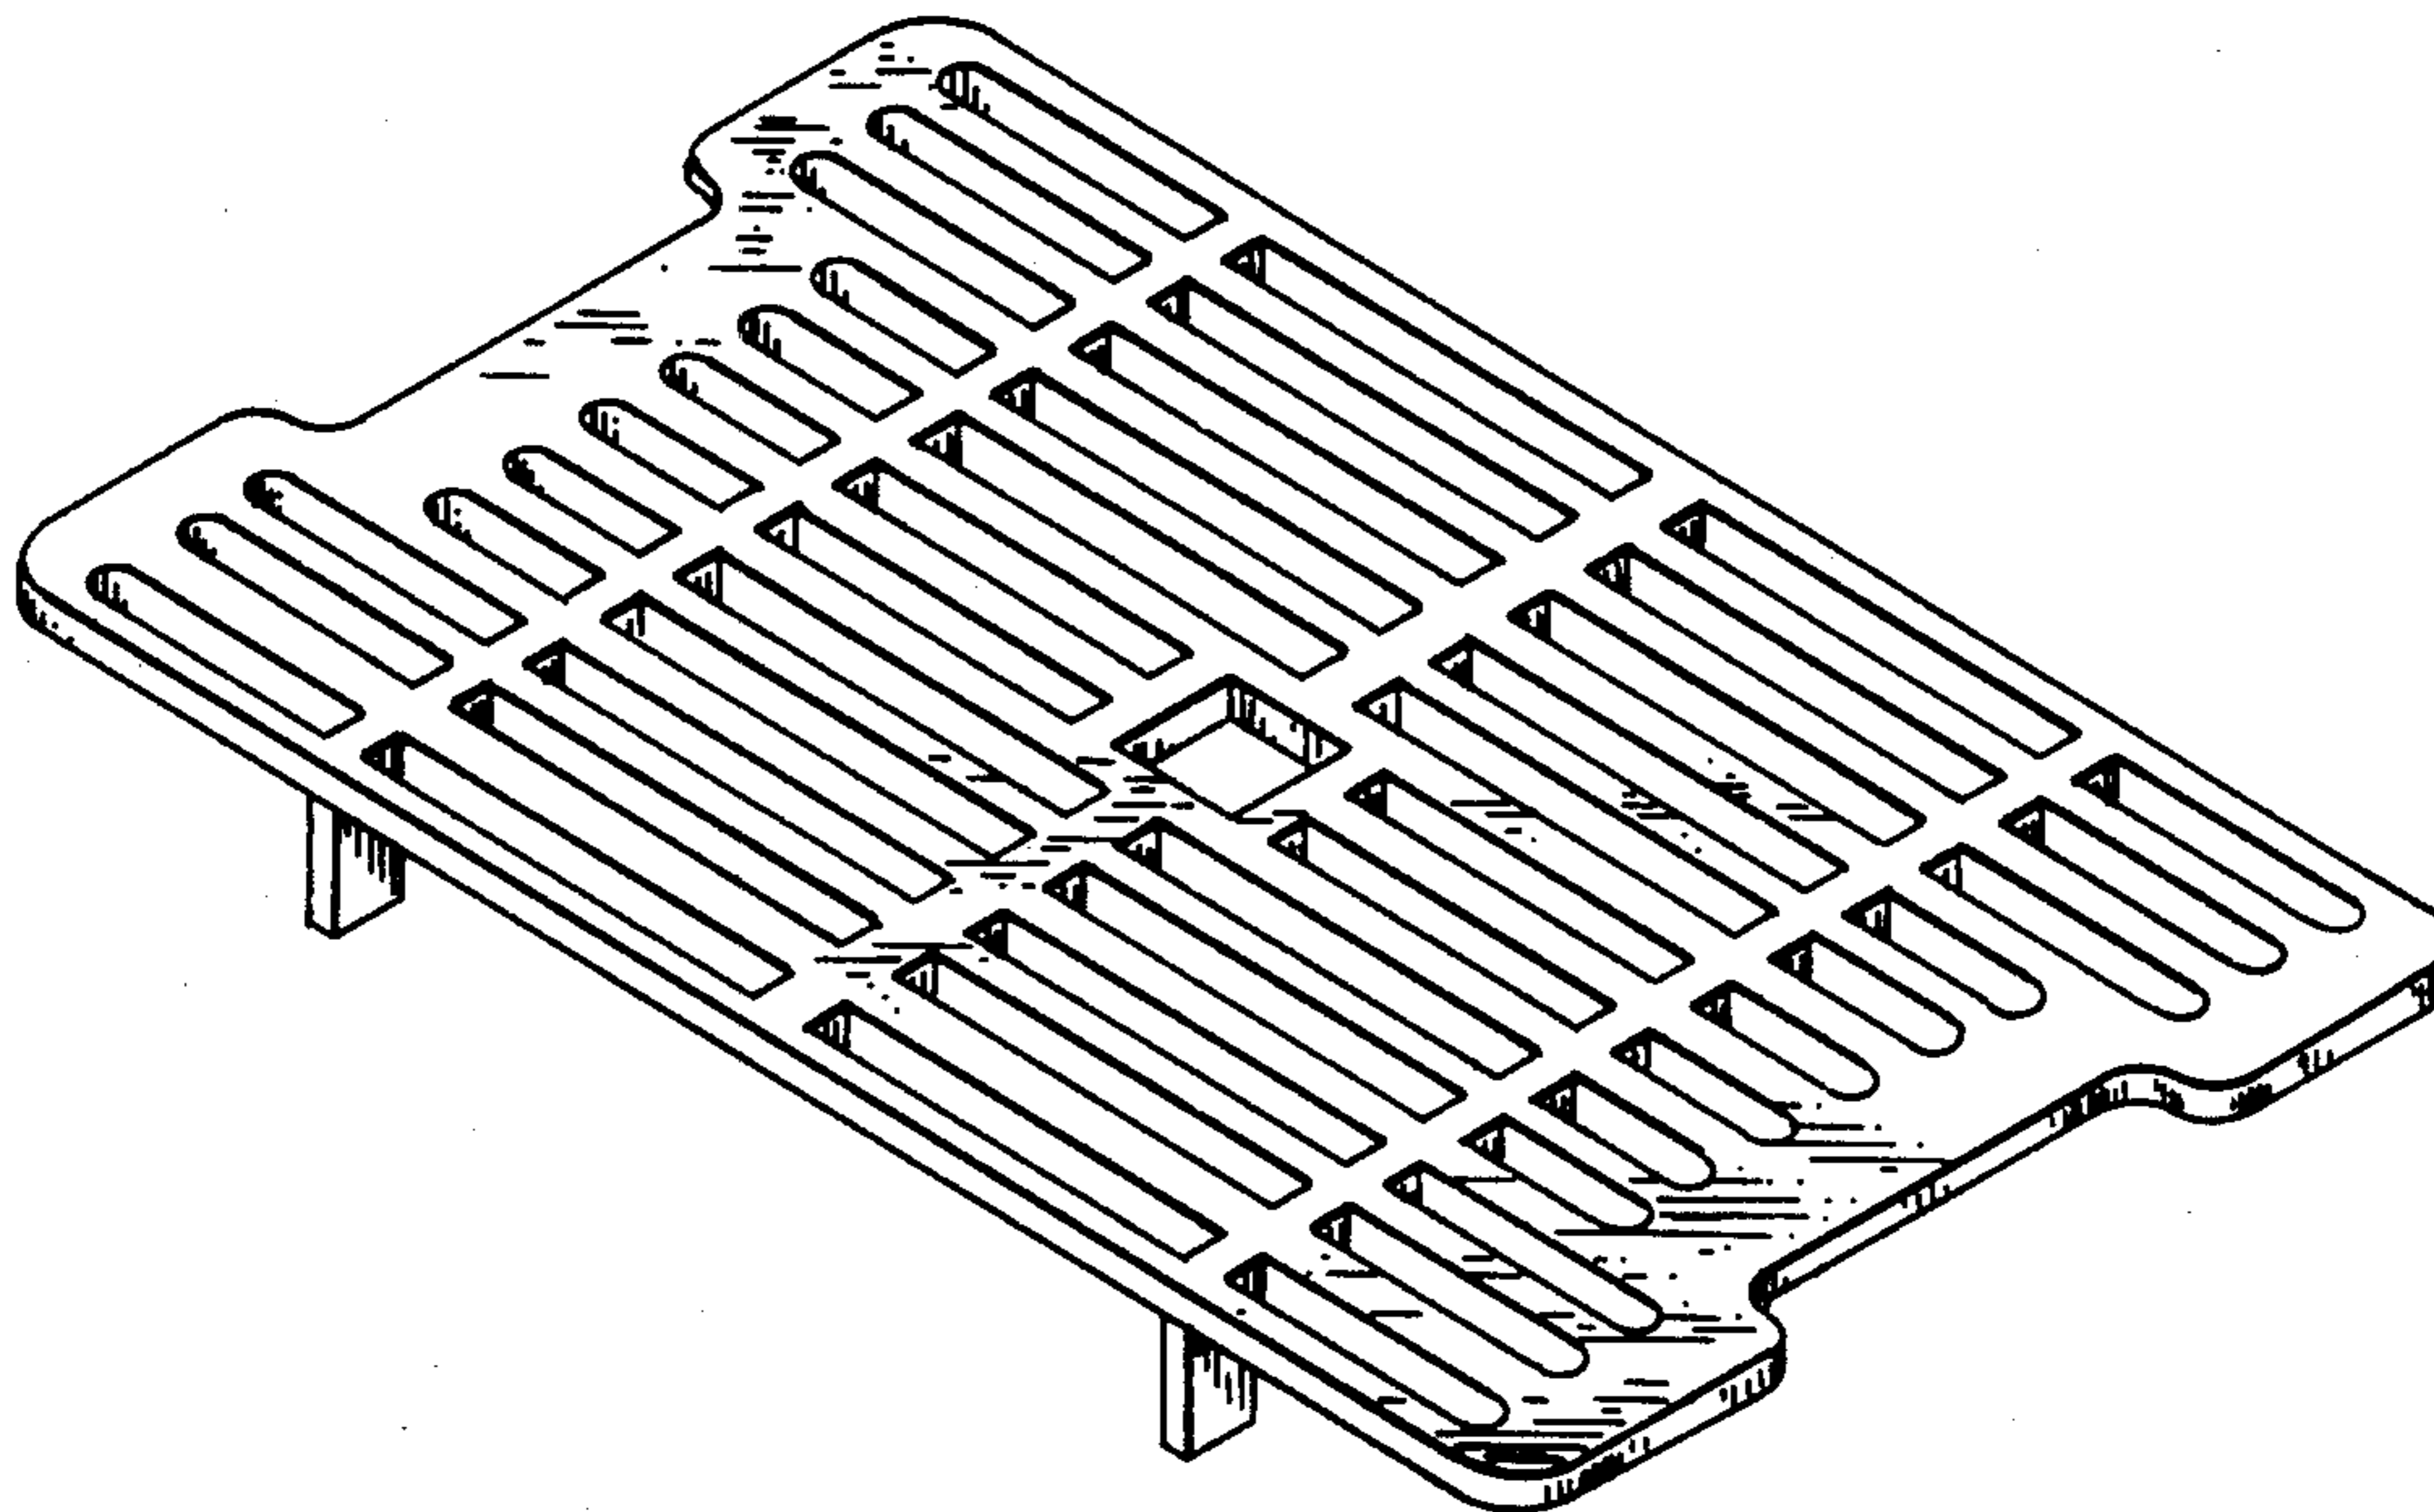

FIG. 3 is a bottom plan view thereof;

FIG. 4 is an end elevation view thereof, it being understood that the end not illustrated is the same as the illustrated end;

FIG. 5 is a side elevation view thereof, it being understood that the side not illustrated is the same as the illustrated side;

FIG. 6 is a sectional view thereof taken on a plane indicated by the lines 6—6 in FIG. 2, illustrating more clearly the exterior configuration of the bottom and slot in the design; and

FIG. 7 is another sectional view thereof taken on a plane indicated by the lines 7—7 in FIG. 2, illustrating more clearly the exterior configuration of the slots extending through the design.
