[57] CLAIM

The ornamental design for a combined bicycle handgrip and brake lever, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top, rear and side perspective view of a combined bicycle handgrip and brake lever showing my new design, the broken line showing of a portion of a handlebar being for illustrative purposes only; and FIG. 2 is a top, front perspective view thereof showing the side opposite to that in FIG. 1.

The bottom of the combined bicycle handgrip and brake lever is substantially flat and unornamented.

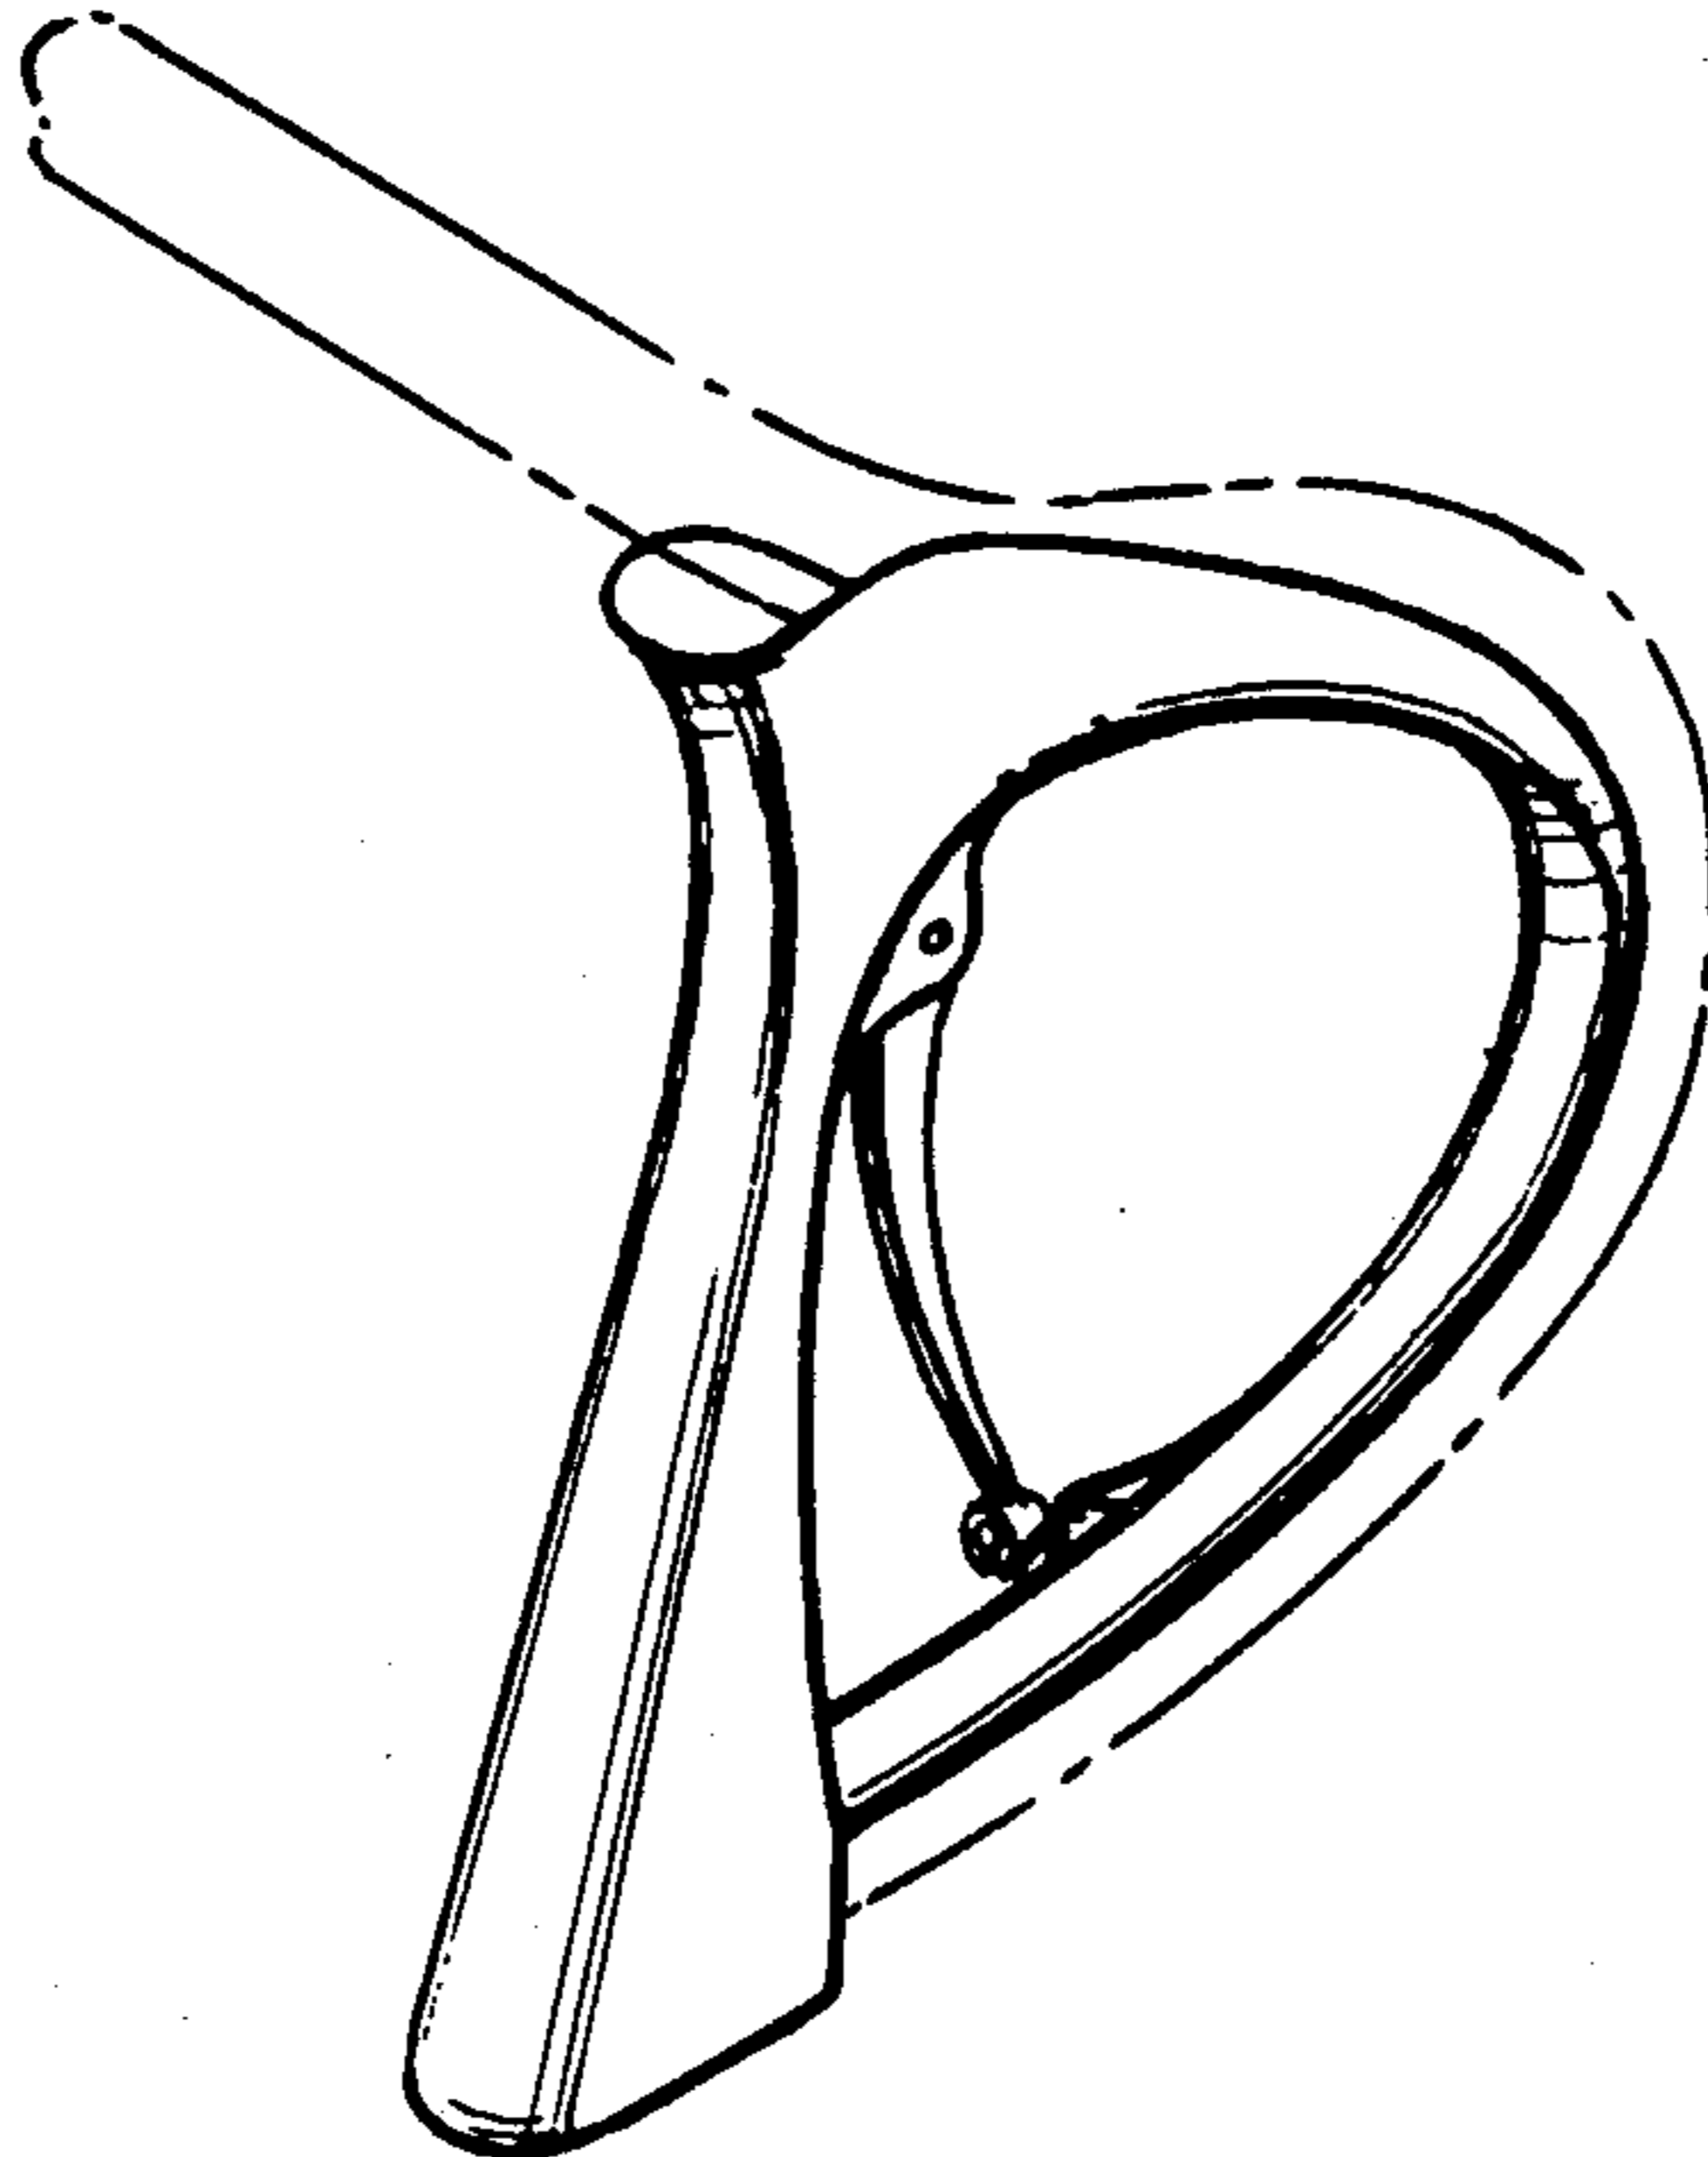

FIG. 1

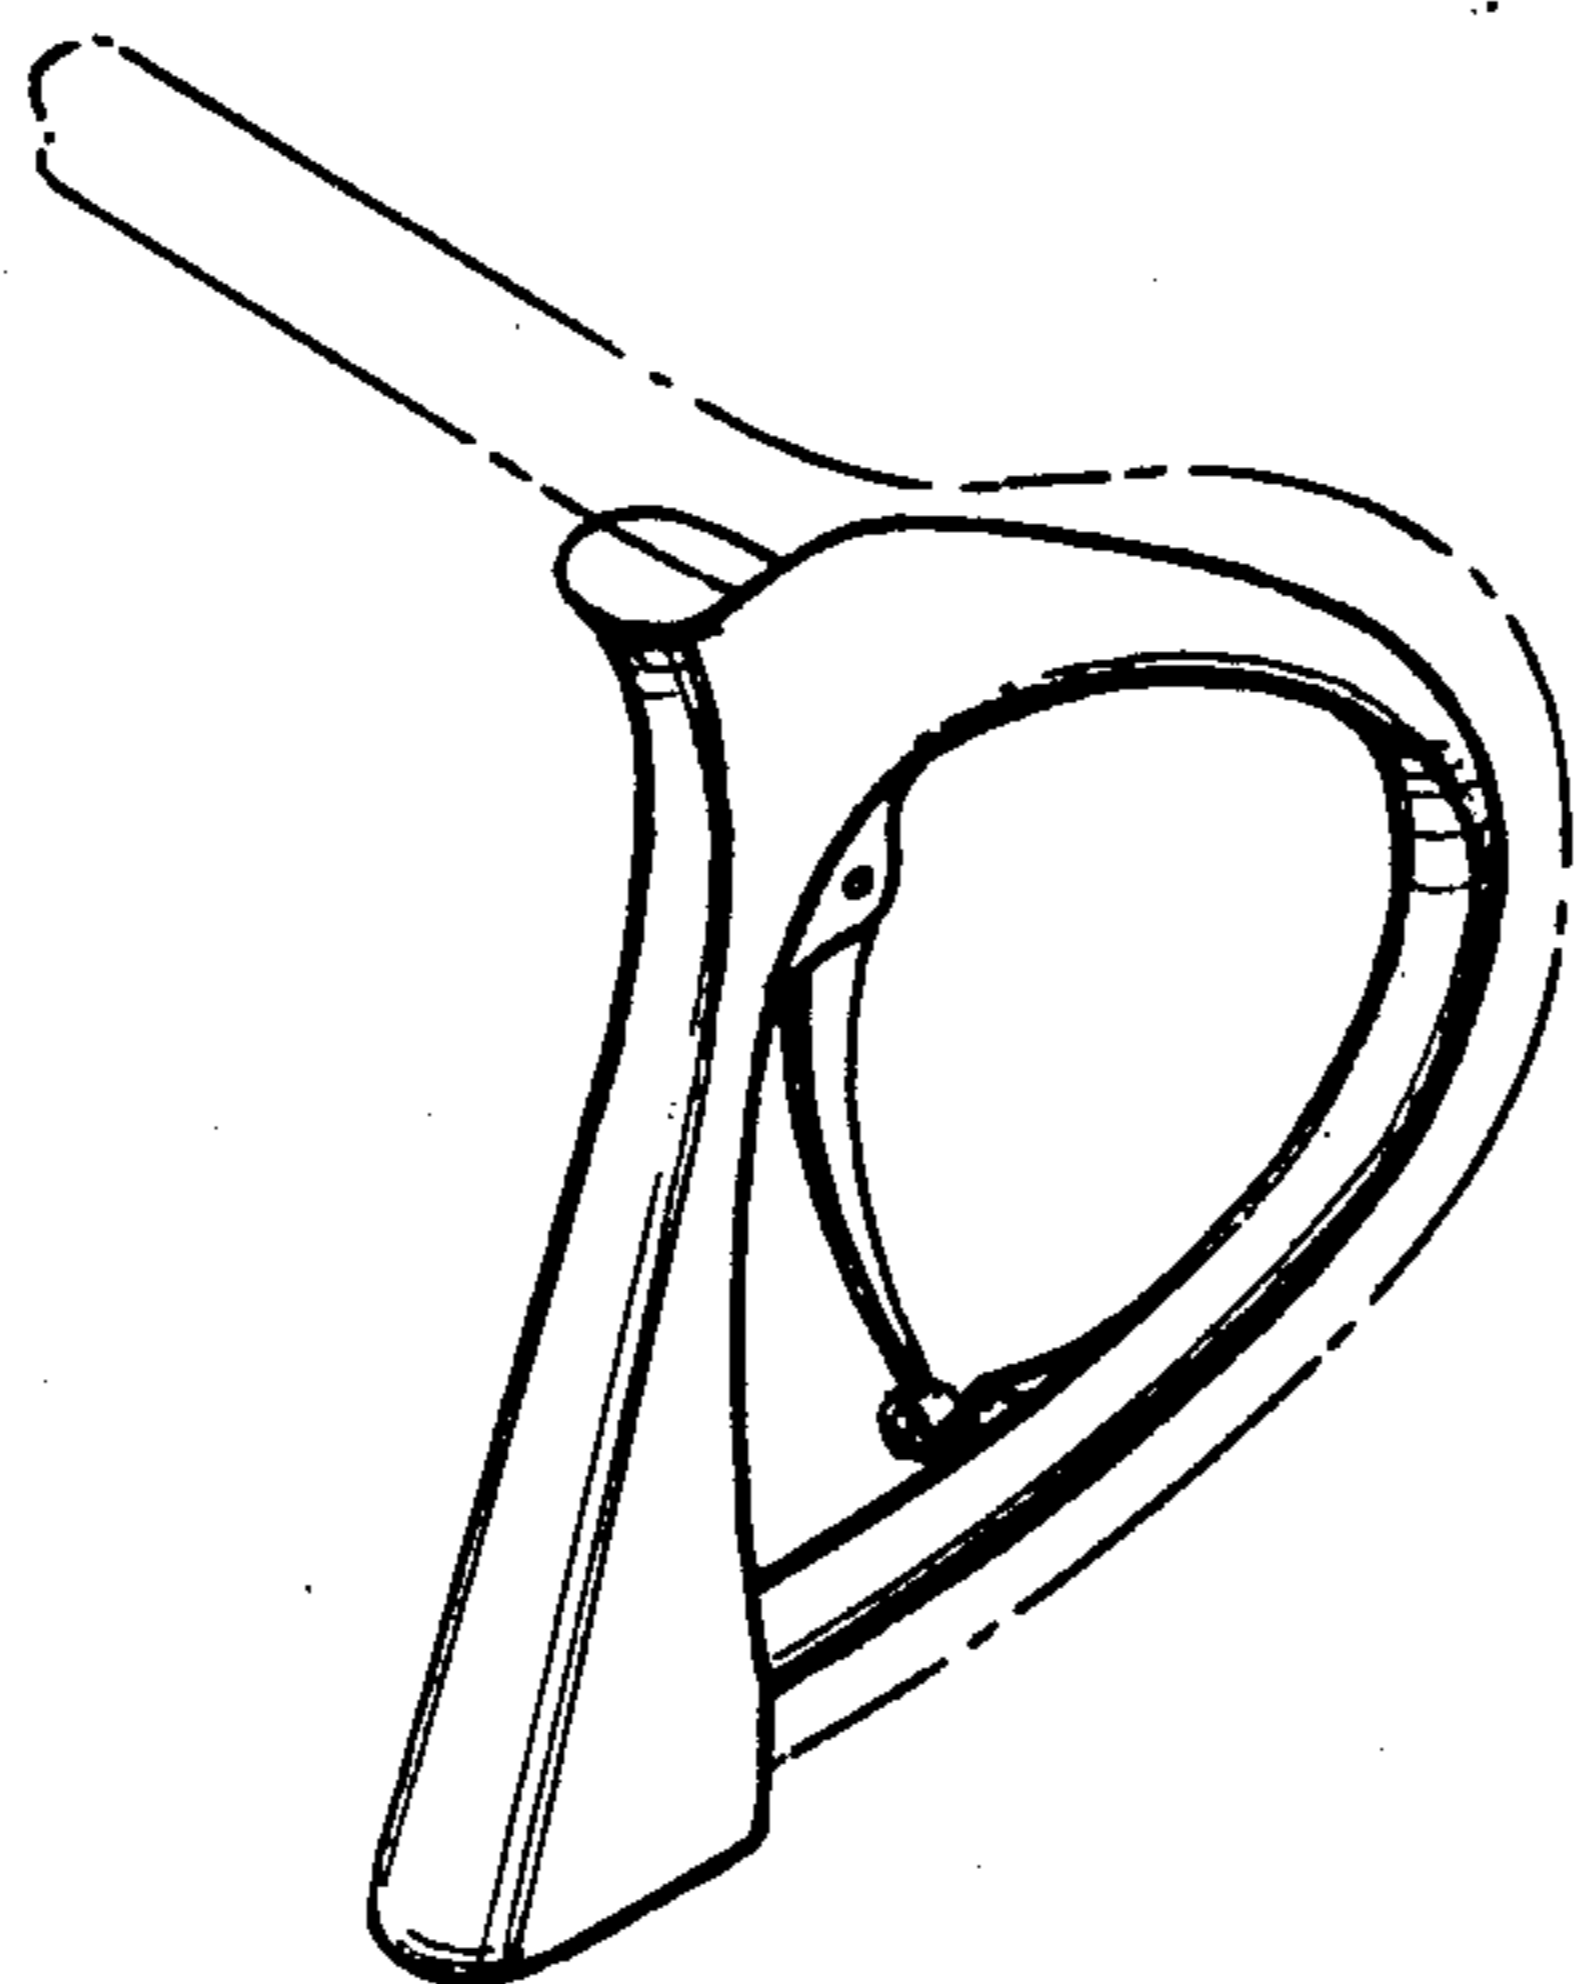

FIG. 2
