

[54] HAND HELD CABLE CUTTER

3,922,783 12/1975 Hayes 30/250

[76] Inventor: William H. Hayes, P.O. Box 514, Phelham, Ala. 35124

Primary Examiner—Alan P. Douglas
Attorney, Agent, or Firm—Herbert L. Allen

[**] Term: 14 Years

[57] CLAIM

[21] Appl. No.: 679,766

The ornamental design for a hand held cable cutter, as shown and described.

[22] Filed: Apr. 23, 1976

DESCRIPTION

[51] Int. Cl. D8—03

[52] U.S. Cl. D8/57

[58] Field of Search D8/55, 57, 58; 30/250, 30/193

FIG. 1 is a front elevation of the hand held cable cutter of the present invention, in which the side opposing the illustrated side is a mirror image thereof.

FIG. 2 is a side elevation of the hand held cable cutter of the present invention, in which the side opposite the illustrated side is a mirror image thereof, except that the handle portion on the illustrated side is continuous, as is shown in FIG. 1.

FIG. 3 is a top view of the hand held cable cutter of the present invention.

FIG. 4 is a bottom view of the hand held cable cutter of the present invention.
