[57] CLAIM

The ornamental design for moisture and light meter for plant life, as shown and described.

DESCRIPTION

FIG. 1 is a right front and top perspective view of a moisture and light meter for plant life showing my new design;

FIG. 2 is a right side elevational view thereof with portions of the wire omitted for ease of illustration; the left side being a mirror image thereto;

FIG. 3 is a top plan view thereof;

FIG. 4 is a front elevational view thereof with portions of the wire omitted;

FIG. 5 is a rear elevational view thereof with portions of wire omitted;

FIG. 6 is a right front and top perspective view thereof with the probe removed from its storage aperture.
