[57] **CLAIM**

The ornamental design for a transverse traction tread for vehicle tires, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a transverse traction tread for vehicle tires showing my new design; FIG. 2 is a front elevational view thereof, the back view, not shown, being identical thereto; and FIG. 3 is a bottom plan view thereof. The ends of the transverse traction tread are substantially flat and unornamented.

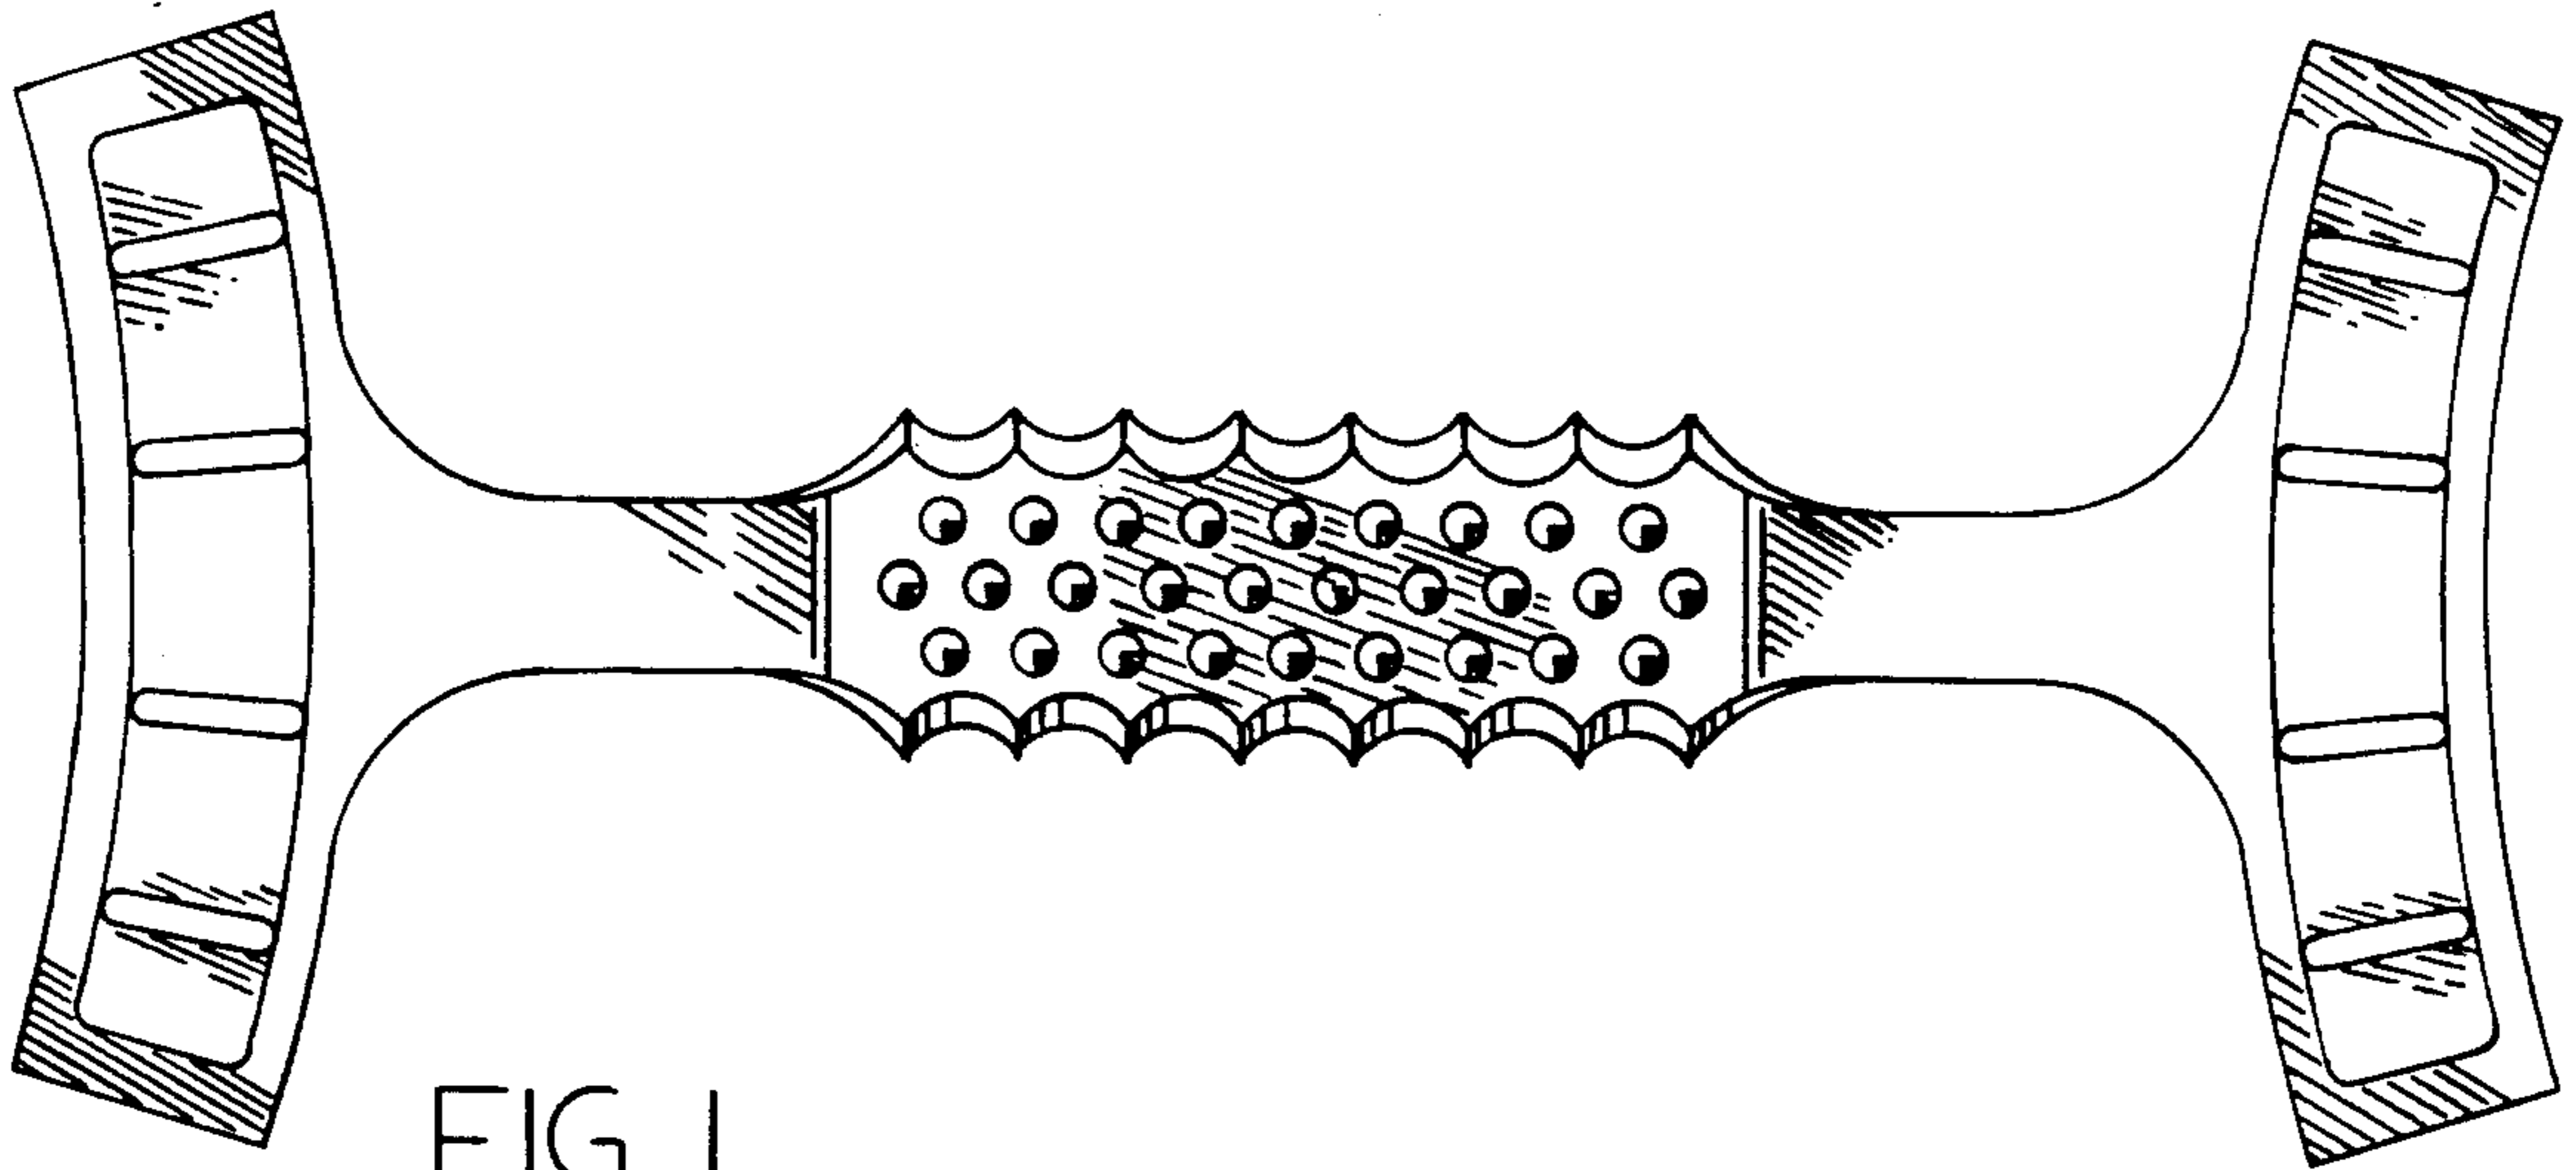

FIG. 1

FIG. 2

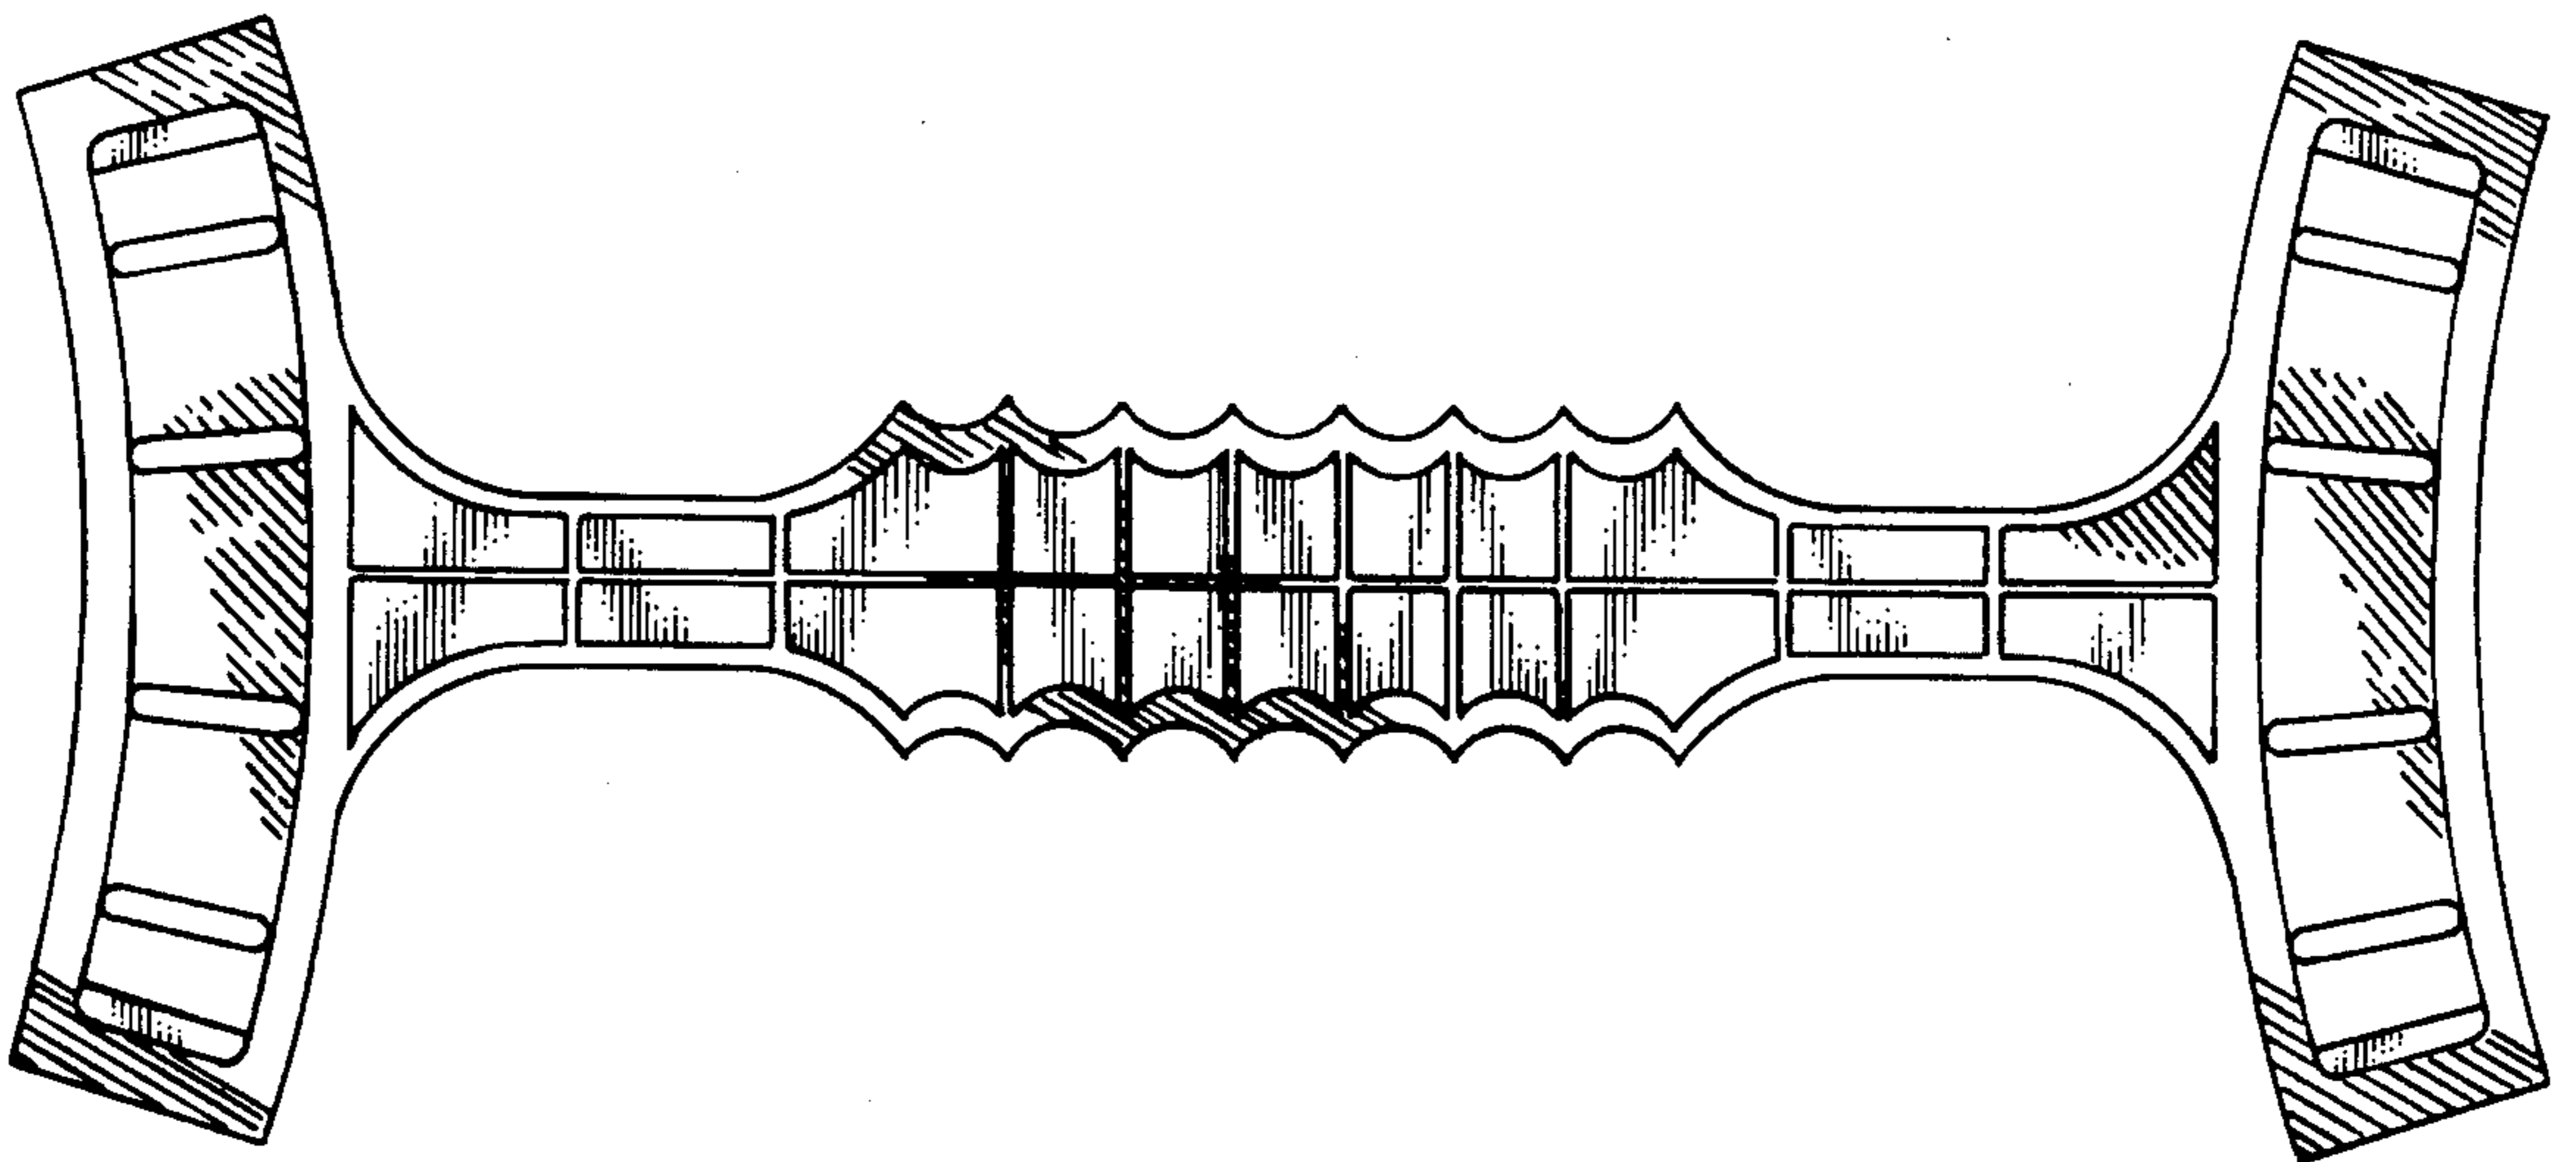

FIG. 3
