[57] **CLAIM**

The ornamental design for an adjustable support-type holder for binoculars, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view, taken above and from the rear, of an adjustable support-type holder for binoculars showing my new design, and FIG. 2 is a perspective view, taken below and from the front, of the adjustable binocular holder of FIG. 1.

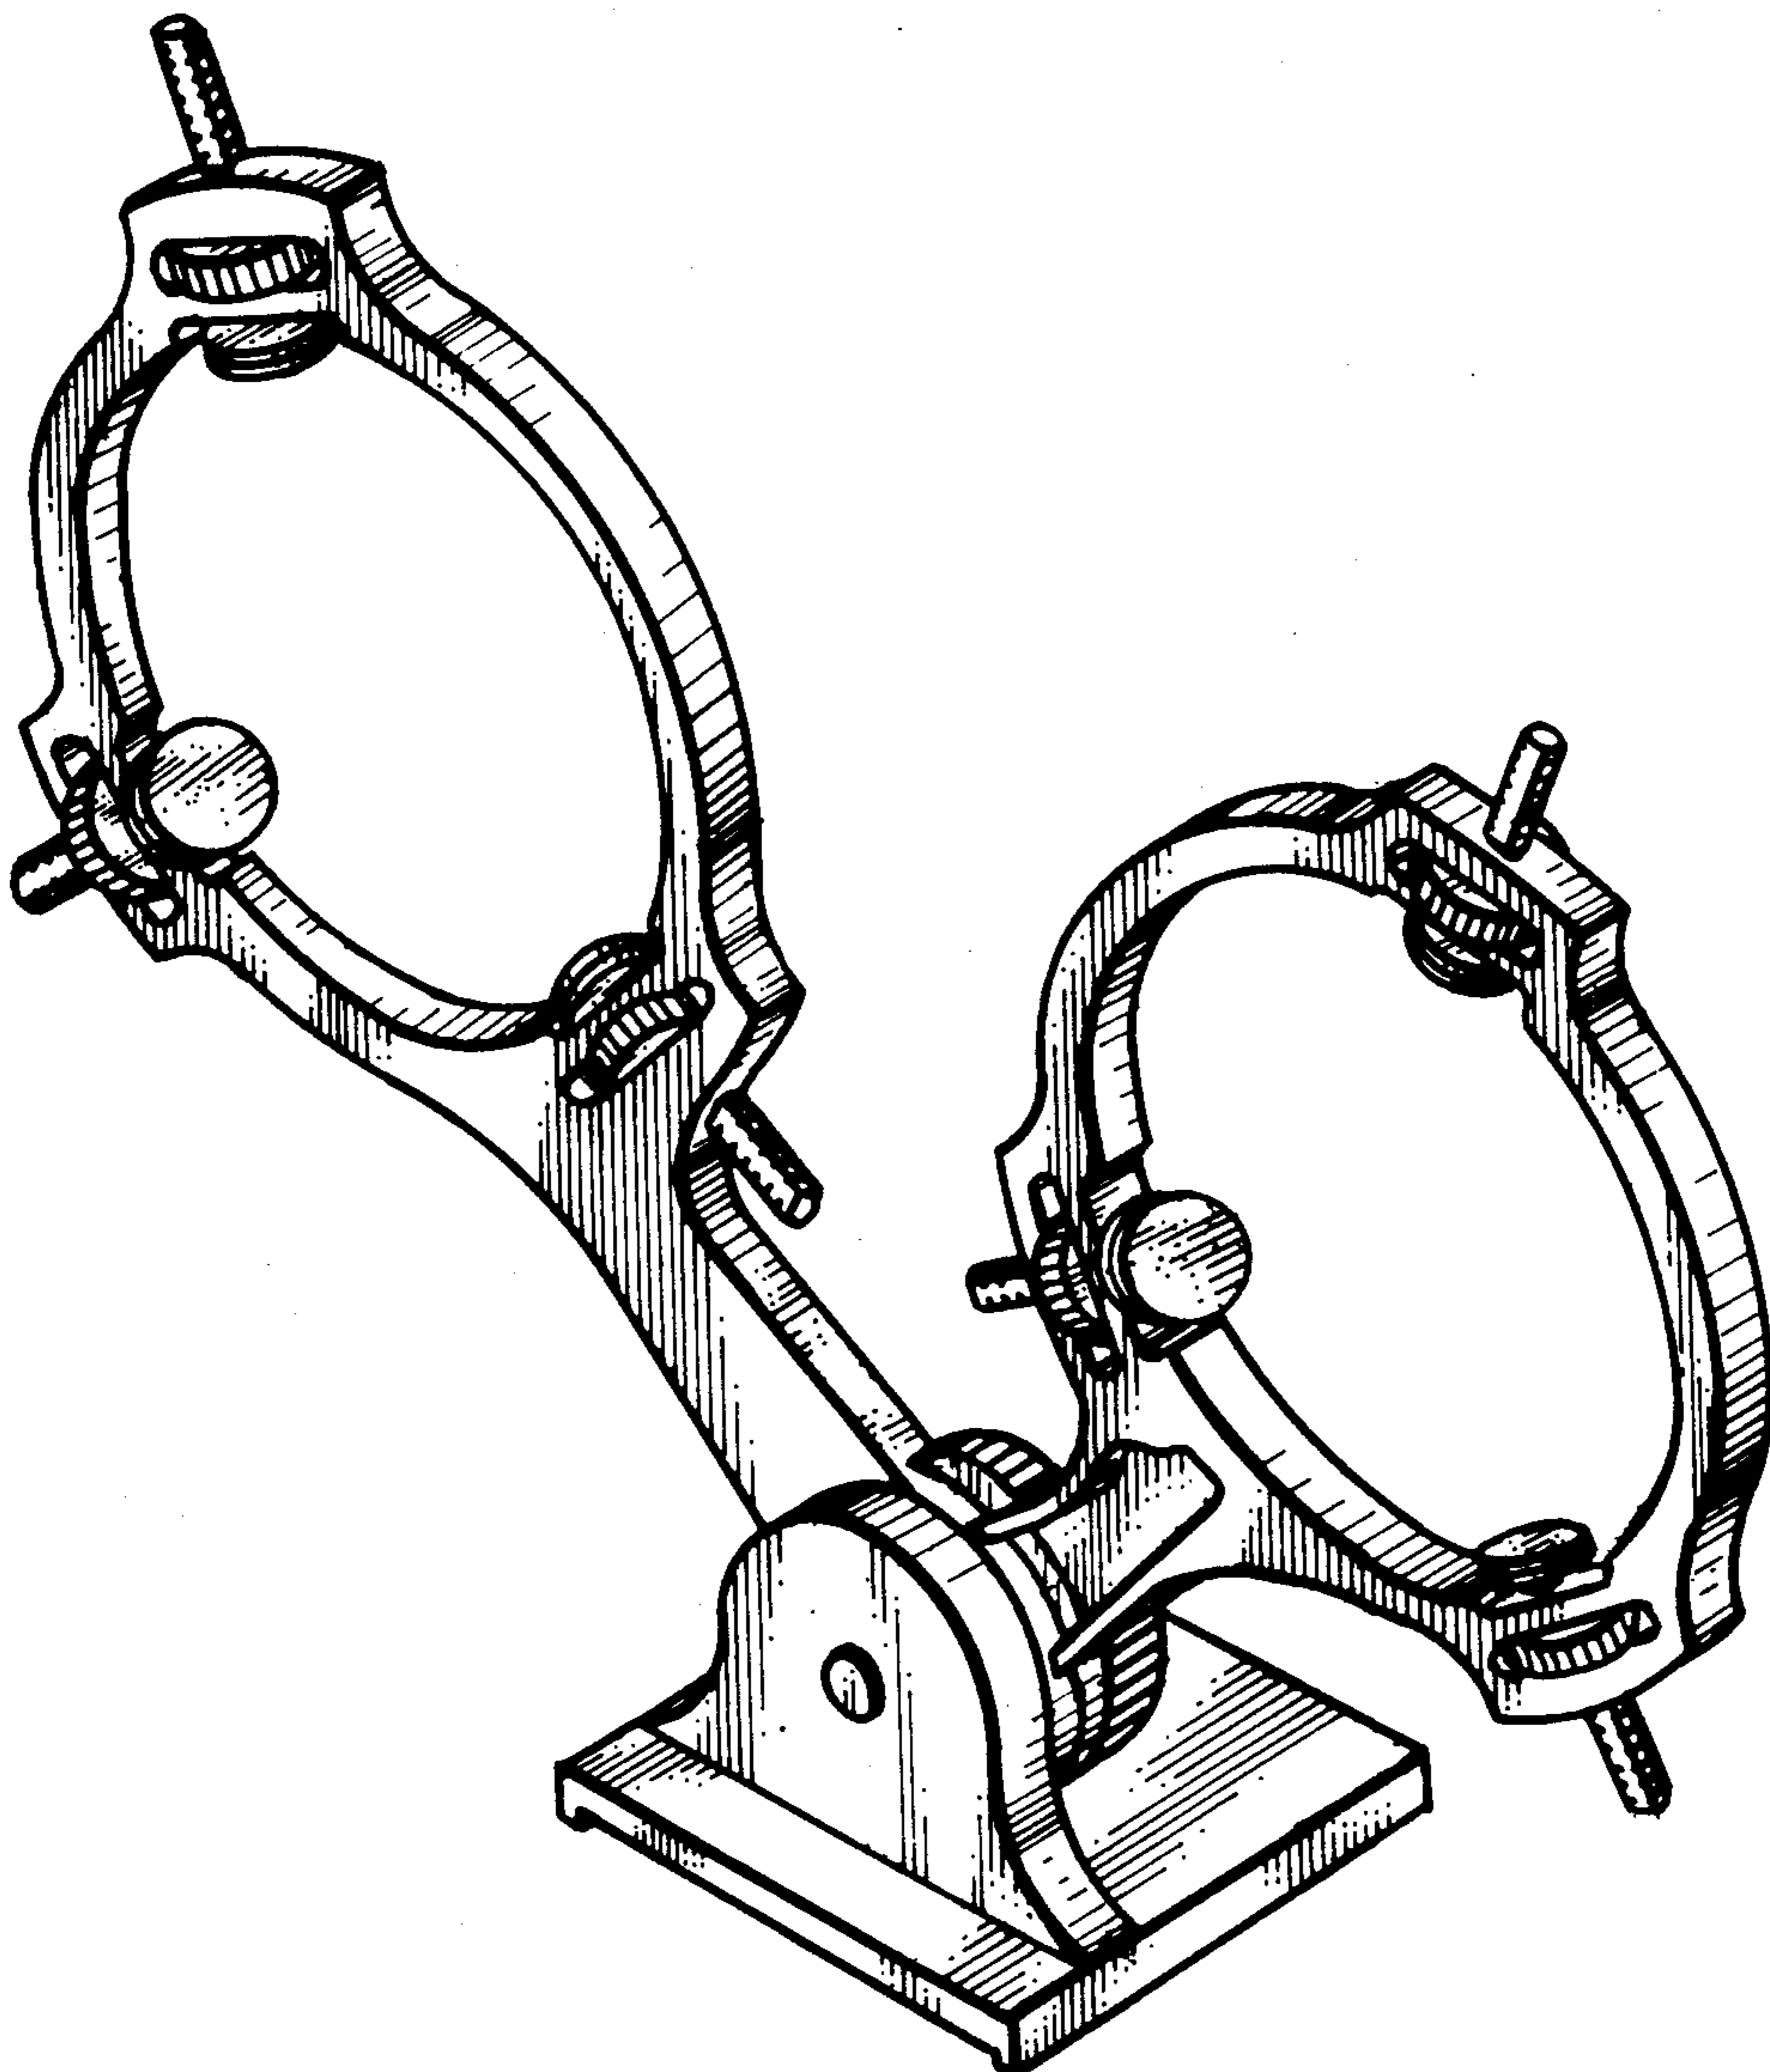

FIG. 1.

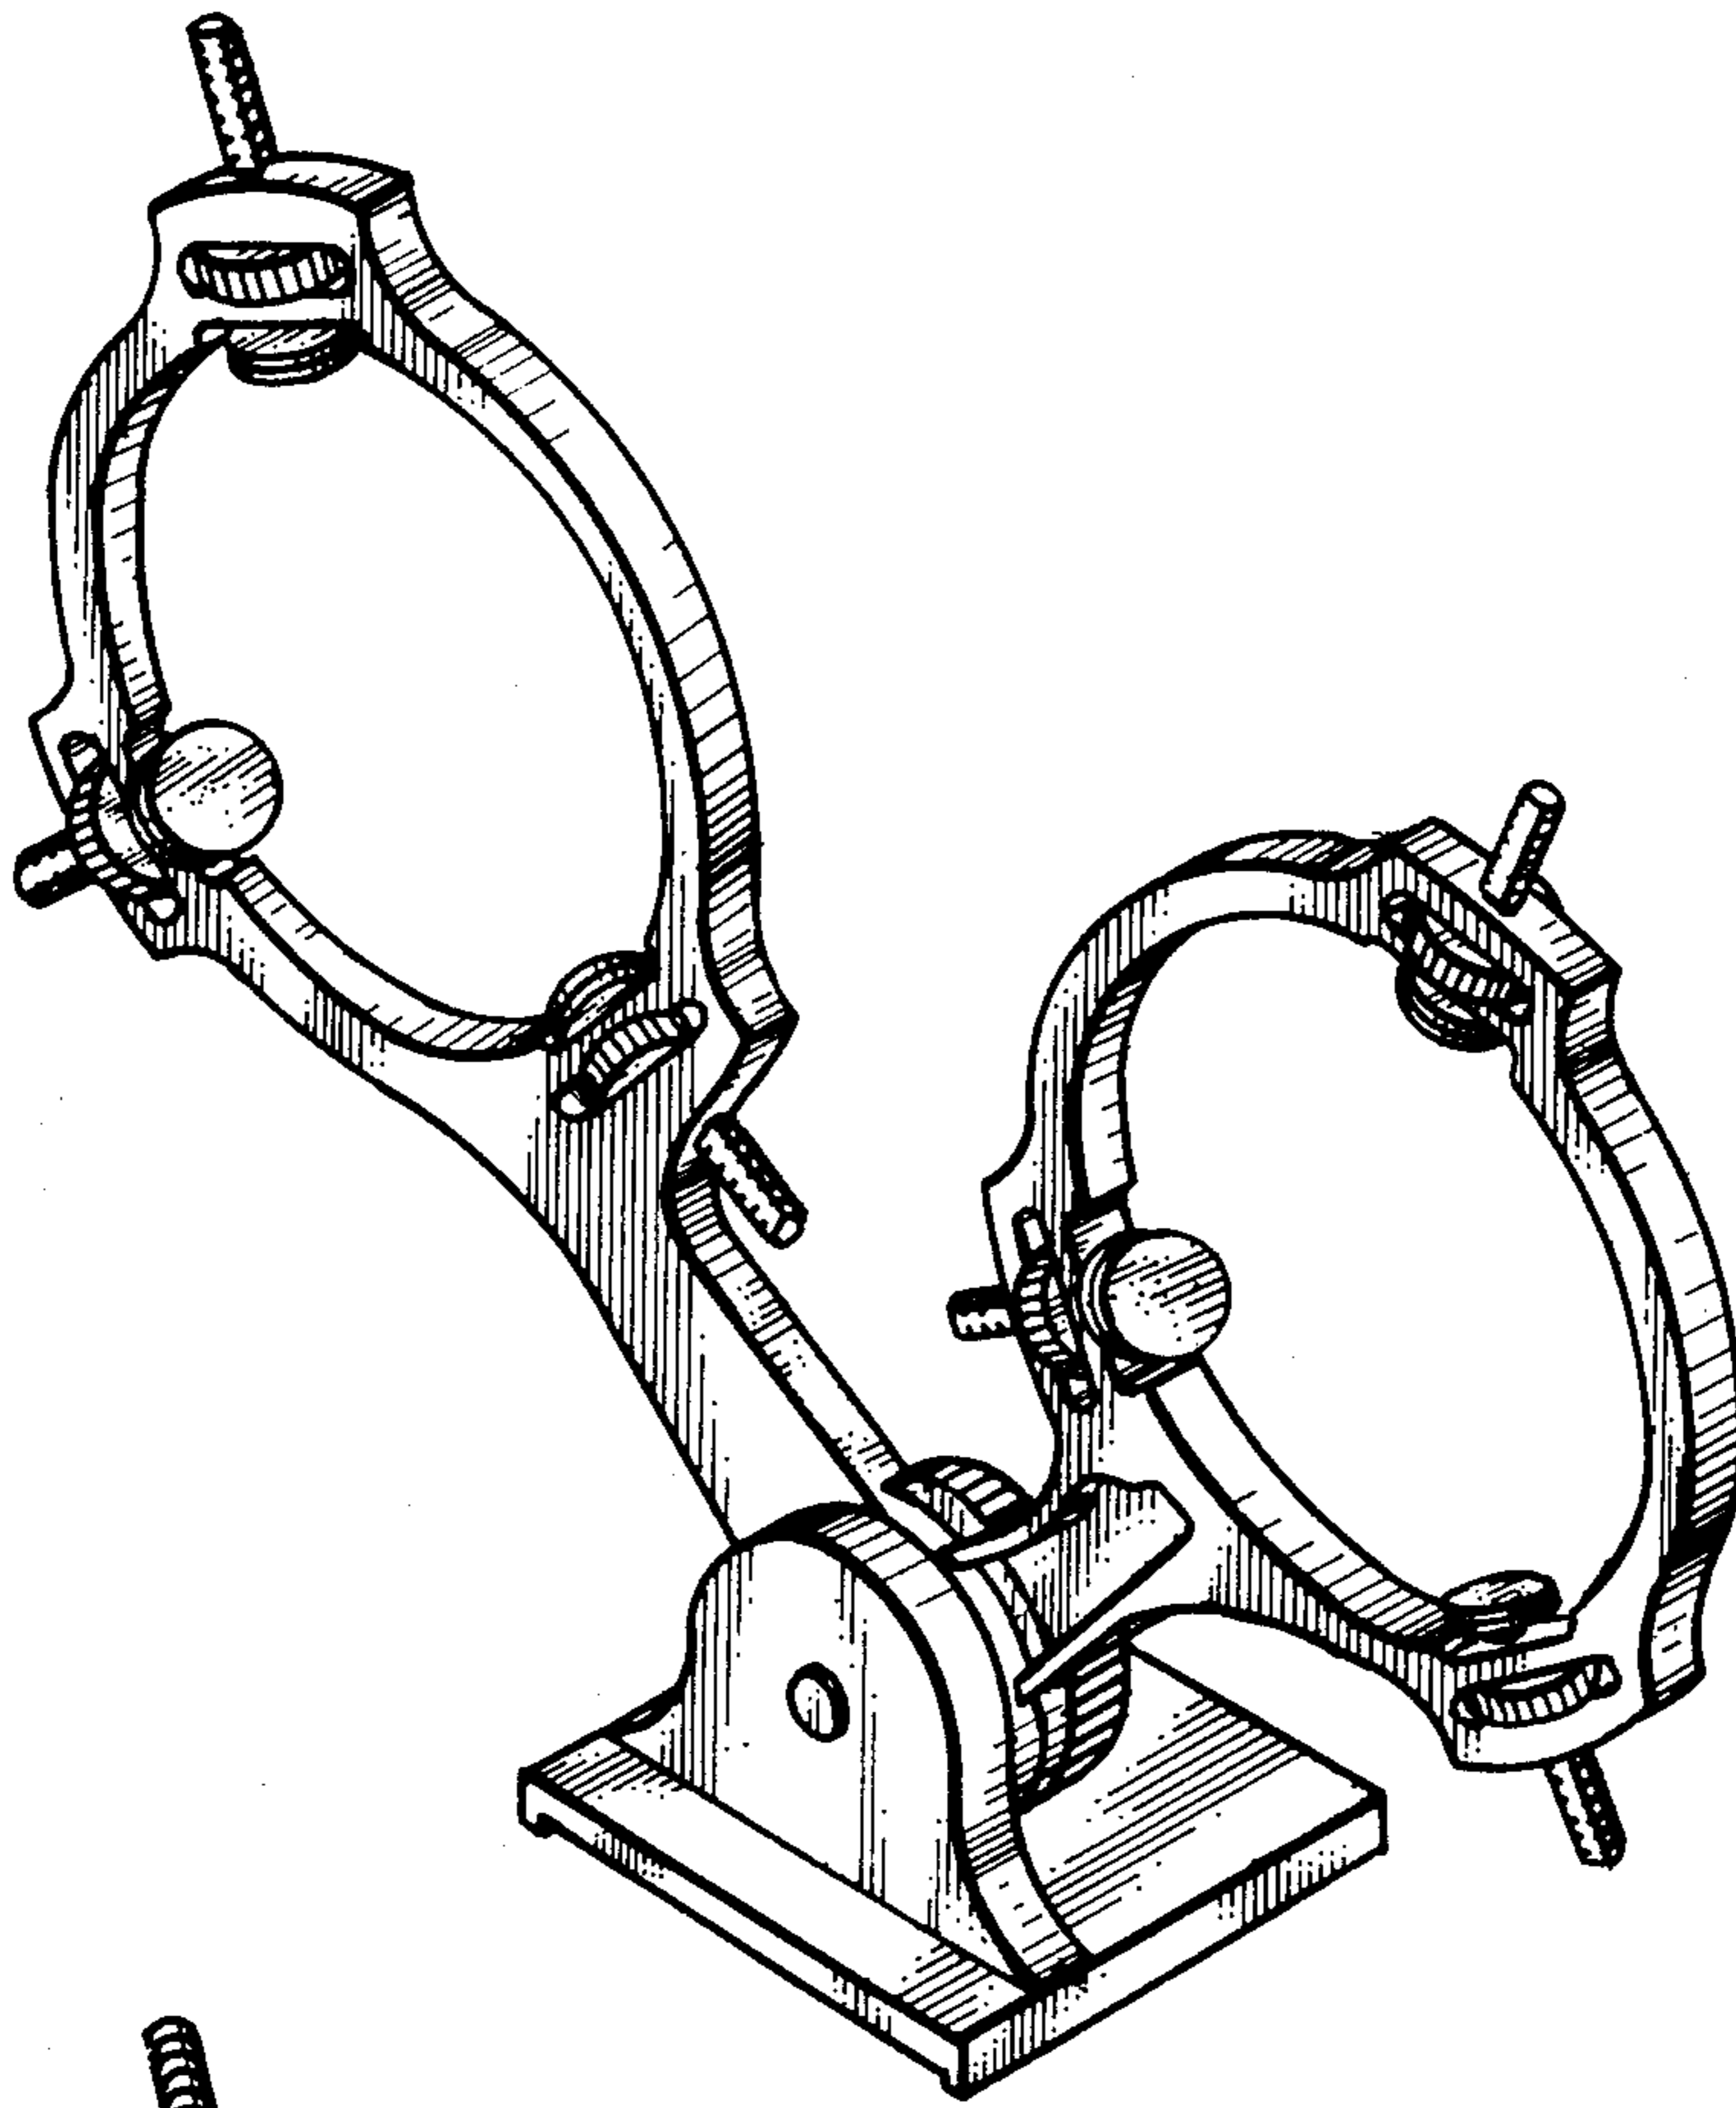

FIG. 2.
