[57] CLAIM

The ornamental design for a compression seal, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view in elongated fragmentary form, showing my new design;

FIG. 2 is a fragmentary, top plan view thereof;

FIG. 3 is a fragmentary, side elevational view thereof;

FIG. 4 is a transverse, cross sectional view of a compression seal similar to that illustrated in FIG. 1 but being of a greater transverse dimension;

FIG. 5 is a fragmentary, top plan view of my design as set forth in FIG. 4; and

FIG. 6 is a fragmentary, side elevational view of my design as set forth in FIG. 4.

The seal has been disclosed in fragmentary form in the various views to indicate an article of indefinite length.
