[57] CLAIM

The ornamental design for a photographic processing and developing sink, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a photographic processing and developing sink, showing our new design;
FIG. 2 is a top plan view thereof;
FIG. 3 is a side elevational view, the opposite side being a mirror image thereof;
FIG. 4 is a bottom plan view thereof;
FIG. 5 is an end elevational view, the opposite end being a mirror image thereof.
