[57] CLAIM

The ornamental design for a thermostatic electric connector plug substantially as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view of a thermostatic electric connector plug showing our new design;

FIG. 2 is a top and right side perspective view thereof;

FIG. 3 is a left side elevational view thereof on an enlarged scale;

FIG. 4 is a fragmentary sectional view as taken from line 4-4 of FIG. 3;

FIG. 5 is a front elevational view thereof on an enlarged scale;

FIG. 6 is a rear elevational view thereof on an enlarged scale;

FIG. 7 is a bottom plan view thereof on an enlarged scale.

The electric connector cord is shown broken away to show indeterminate length and for ease of illustration.
