[57] CLAIM

The ornamental design for a universal connector block for fiber optic cables and the like, as shown.

DESCRIPTION

FIG. 1 is a top plan view of a universal connector block for fiber optic cables and the like showing our new design.

FIG. 2 is a front elevational view of a universal connector block;

FIG. 3 is a bottom plan view of the universal connector block;

FIG. 4 is a rear view of the universal connector block; and

FIG. 5 is a side view of the universal connector block as seen from the right of FIG. 3.

The left and right side views are identical.

The top surface of the connector block, shown in FIG. 1, is flat, the center aperture being circumscribed by a line.
