[57] CLAIM

The ornamental design for a car front bumper, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a car front bumper showing my new design;

FIG. 2 is a greatly enlarged side elevational view thereof;

FIG. 3 is an enlarged top front perspective view thereof; and

FIG. 4 is a rear elevational view thereof.

The characteristic feature of my design resides in the trimstrip extending along and in substantially the same plane as the upper most vertical surface of the bumper in combination with the centrally located hollow channel for affixation of a license plate.
