[57] **CLAIM**

The ornamental design for a electrode frame for use in an electrolytic filter press cell apparatus or the like, substantially as shown.

DESCRIPTION

FIG. 1 is a front perspective view of an electrode frame for use in an electrolytic filter press cell apparatus on the like showing our new design; FIG. 2 is a rear perspective view; FIG. 3 is a top plan view; FIG. 4 is a bottom plan view; FIG. 5 is a left end elevational view of FIG. 2; and FIG. 6 is a right end elevational view.
