[57] CLAIM

The ornamental design for a picnic jug, as shown and described.

DESCRIPTION

FIG. 1 is an upper perspective view, taken from the right front side, of a picnic jug showing our new design; FIG. 2 is an upper perspective view, taken from the right front side, similar to FIG. 1, of a second embodiment of our design for a picnic jug, identical in all respects to the embodiment of FIGS. 1, 3-6, except that the fluting on the lower portion is removed;

FIGS. 3 and 4 are respectively front and side elevational views of the embodiment of FIG. 1; and FIGS. 5 and 6 are respectively top and bottom plan views of the embodiment of FIG. 1.

The left side of the picnic jug is a mirror image of the right side, and the rear view is similar to the front view except that the spigot is missing, and the fluting is continued in its stead.
