[57] **CLAIM**

The ornamental design for a plug for multiconductor patching apparatus, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the plug for multiconductor patching apparatus of the present invention, showing one end and one side portion thereof;

FIG. 2 is a perspective view similar to FIG. 1, showing the opposite ends thereof;

FIG. 3 is a reduced side elevational view showing the side portion of the apparatus opposite to that shown in FIGS. 1 and 2;

FIG. 4 is a perspective view of a modified form of the plug for multiconductor patching apparatus of the present invention, showing one end and one side portion thereof;

FIG. 5 is a perspective view similar to FIG. 4 showing the other end of the apparatus of the present invention; and

FIG. 6 is a reduced side elevational view, showing the side portion of the apparatus of the present invention opposite to that shown in FIGS. 4 and 5.

FIG. 1

FIG. 2

FIG. 3

FIG. 4
