[57] CLAIM

The ornamental design for a hand grip for patient walking aids.

DESCRIPTION

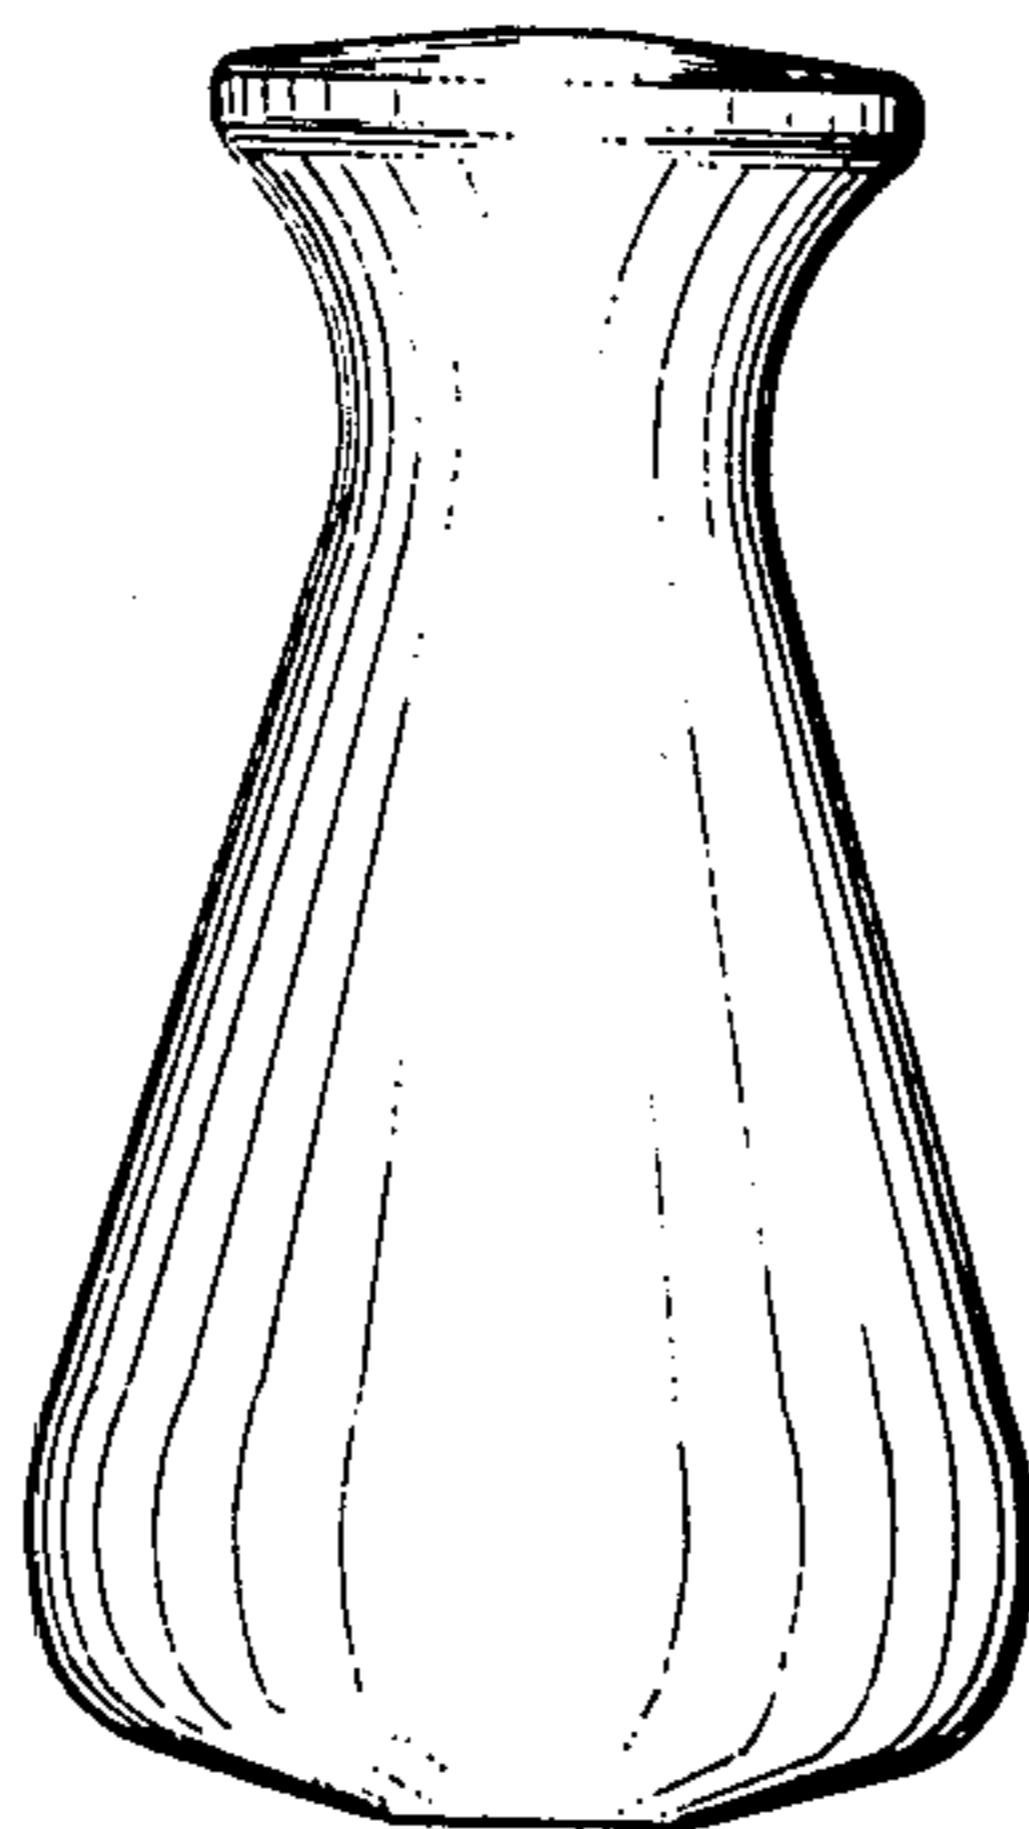

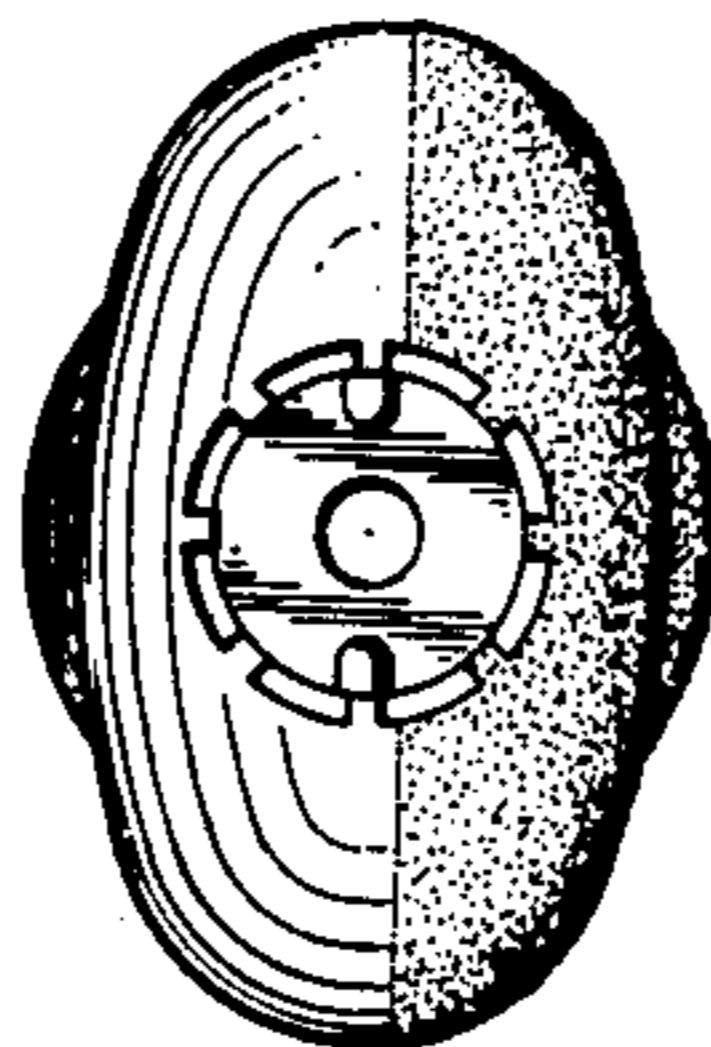

FIG. 1 is a top plan view of a hand grip for patient walking aids showing my new design;

FIG. 2 is a bottom plan view thereof;

FIG. 3 is a left side elevational view thereof; and

FIG. 4 is a front elevational view thereof.

The right side and rear of the hand grip are identical to the left side and front respectively.
