[57] CLAIM

The ornamental design for a plumbing and landscaping
tool for installing and removing sprinkler heads, as
shown.

DESCRIPTION

FIG. 1 is a perspective view of a plumbing and land-
scaping tool for installing and removing sprinkler heads
showing my new design;
FIG. 2 is a side view of the plumbing and landscaping
tool of my design;
FIG. 3 is a top view of the plumbing and landscaping
tool of my design;
FIG. 4 is a bottom view of the plumbing and landscap-
ing tool of my design; and
FIG. 5 is a cross-sectional view showing the internal
structure of the plumbing and landscaping tool of my
design.
