[57] **CLAIM**

The ornamental design for a flat-headed clamp for use with slotted cutter guide, as shown and described.

DESCRIPTION

FIG. 1 is an isometric showing of one side of the flat-headed clamp for use with slotted cutter guide of my invention which is posed to engage the internal lower slot of an elongated cutter guide, the latter being shown in phantom as not being part of my invention. FIG. 2 is an isometric view of the other side of the flat-headed clamp of my invention.

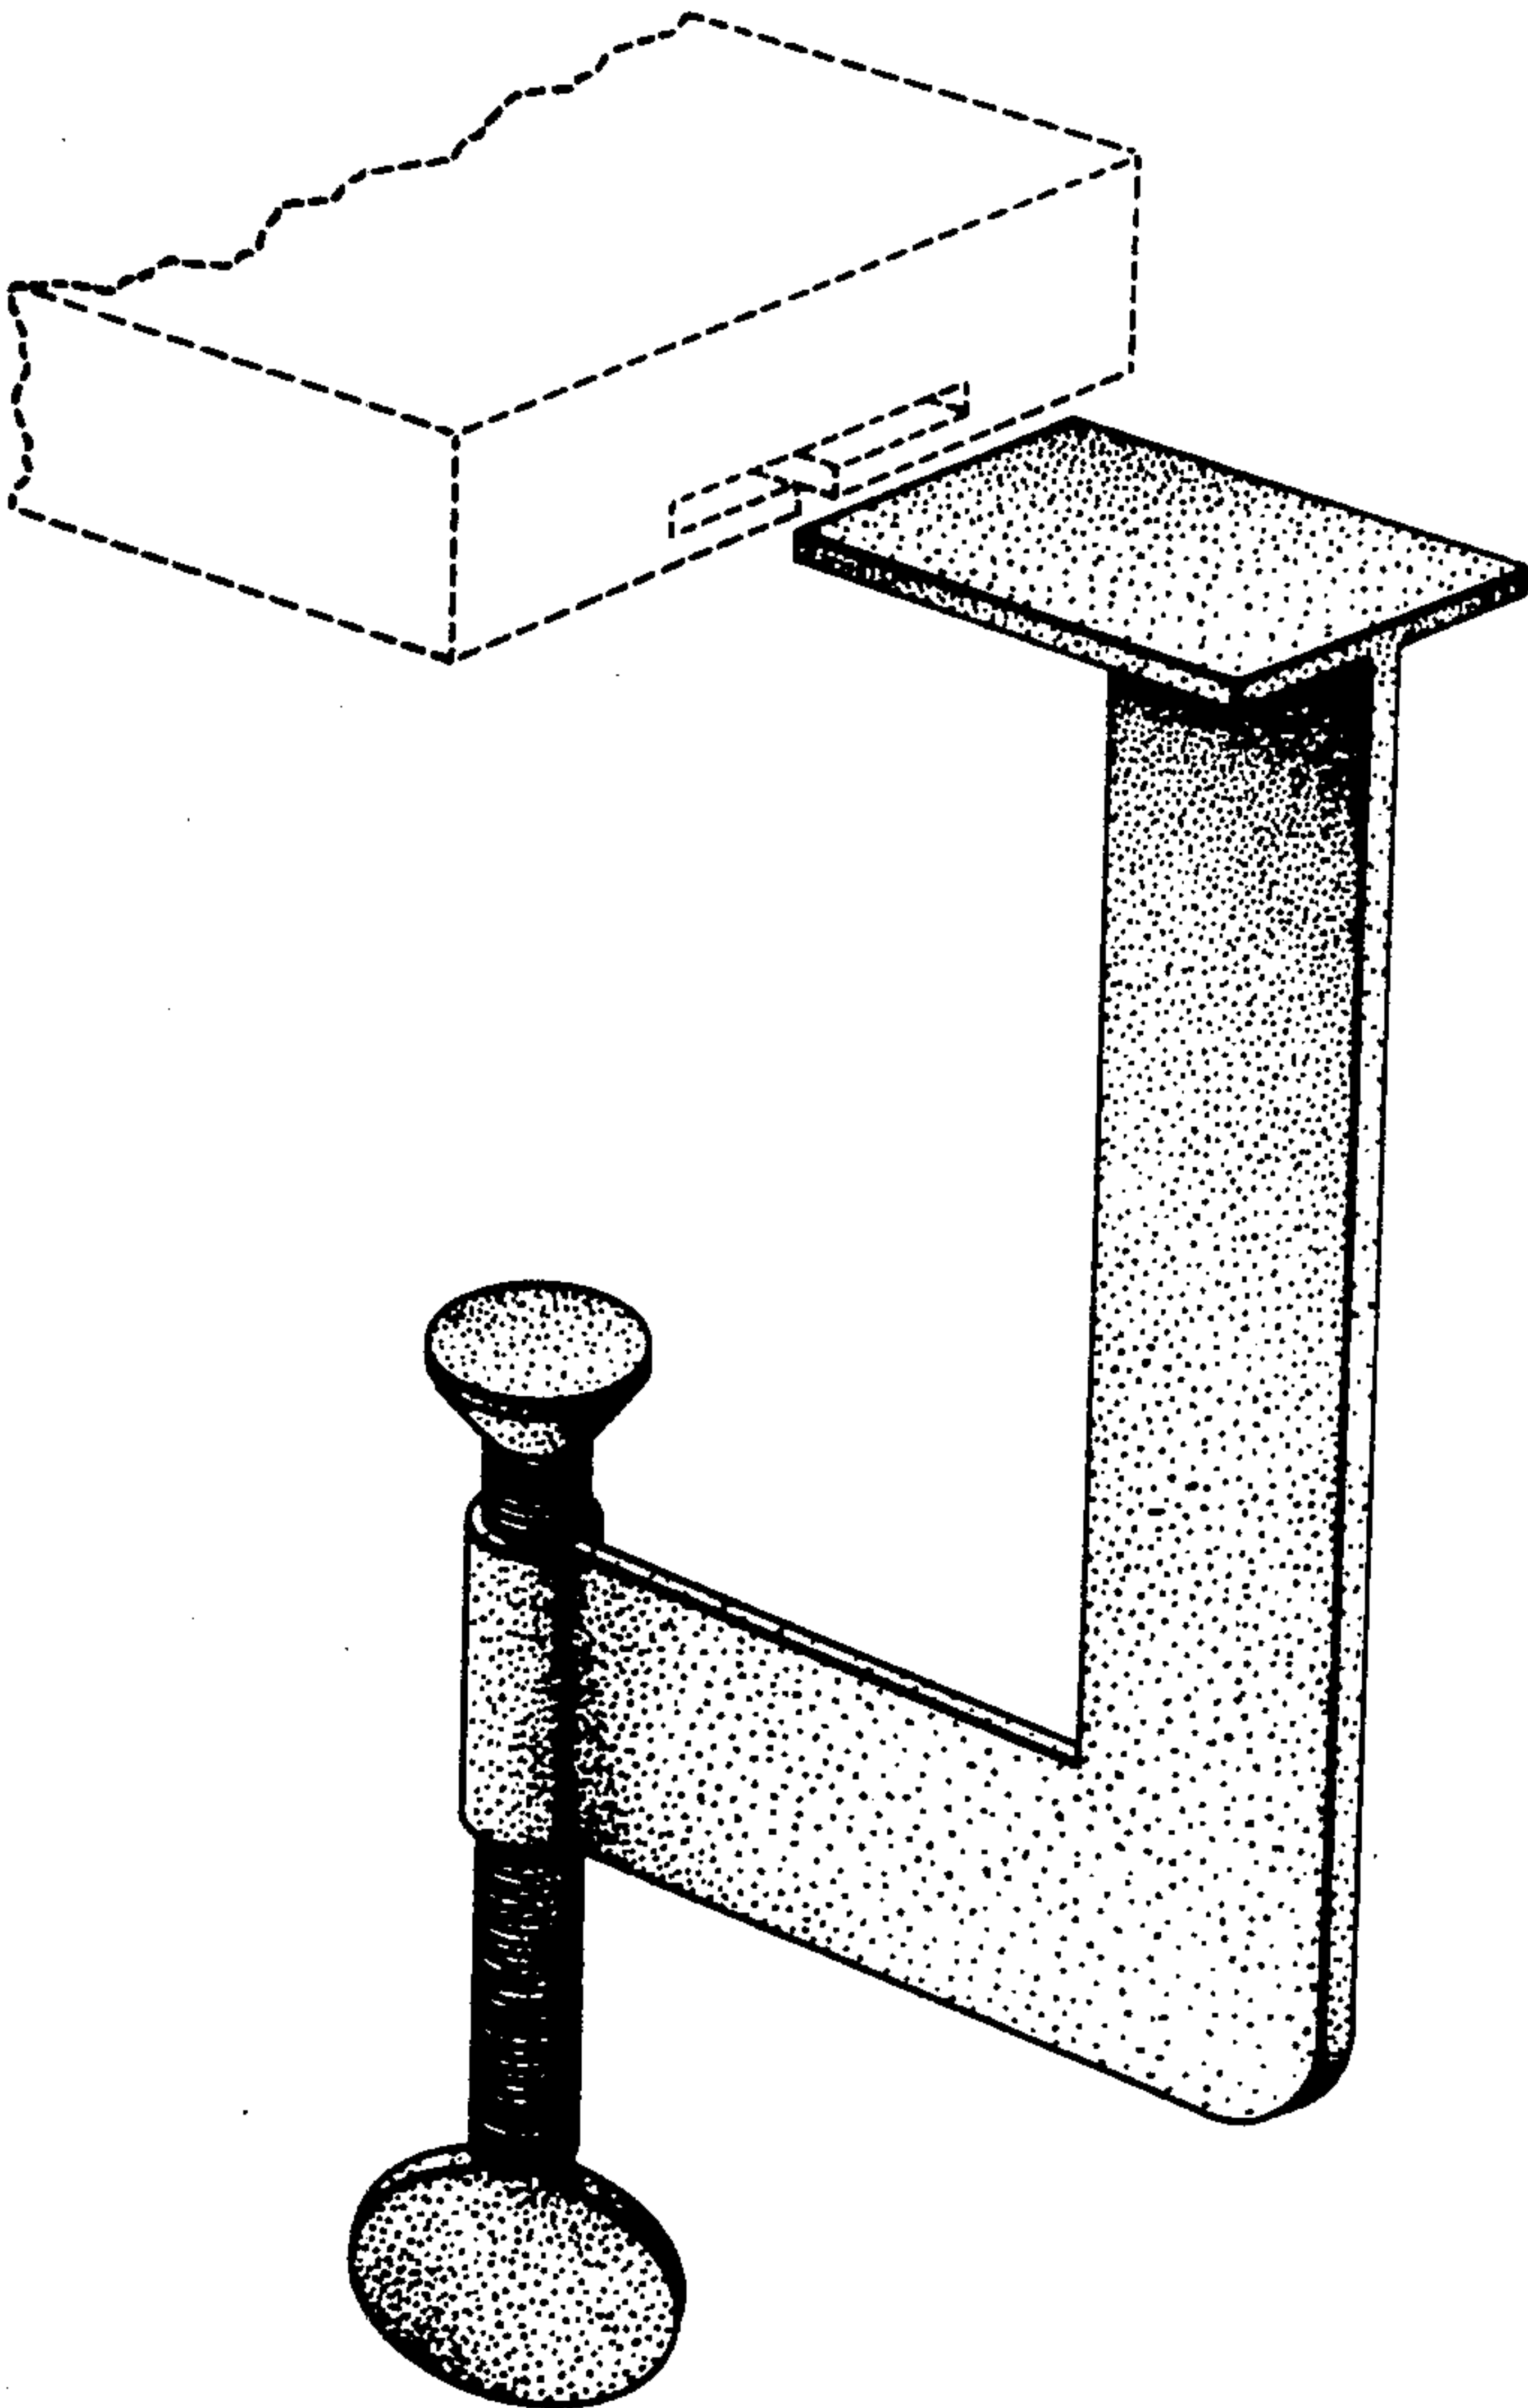

FIG. 1

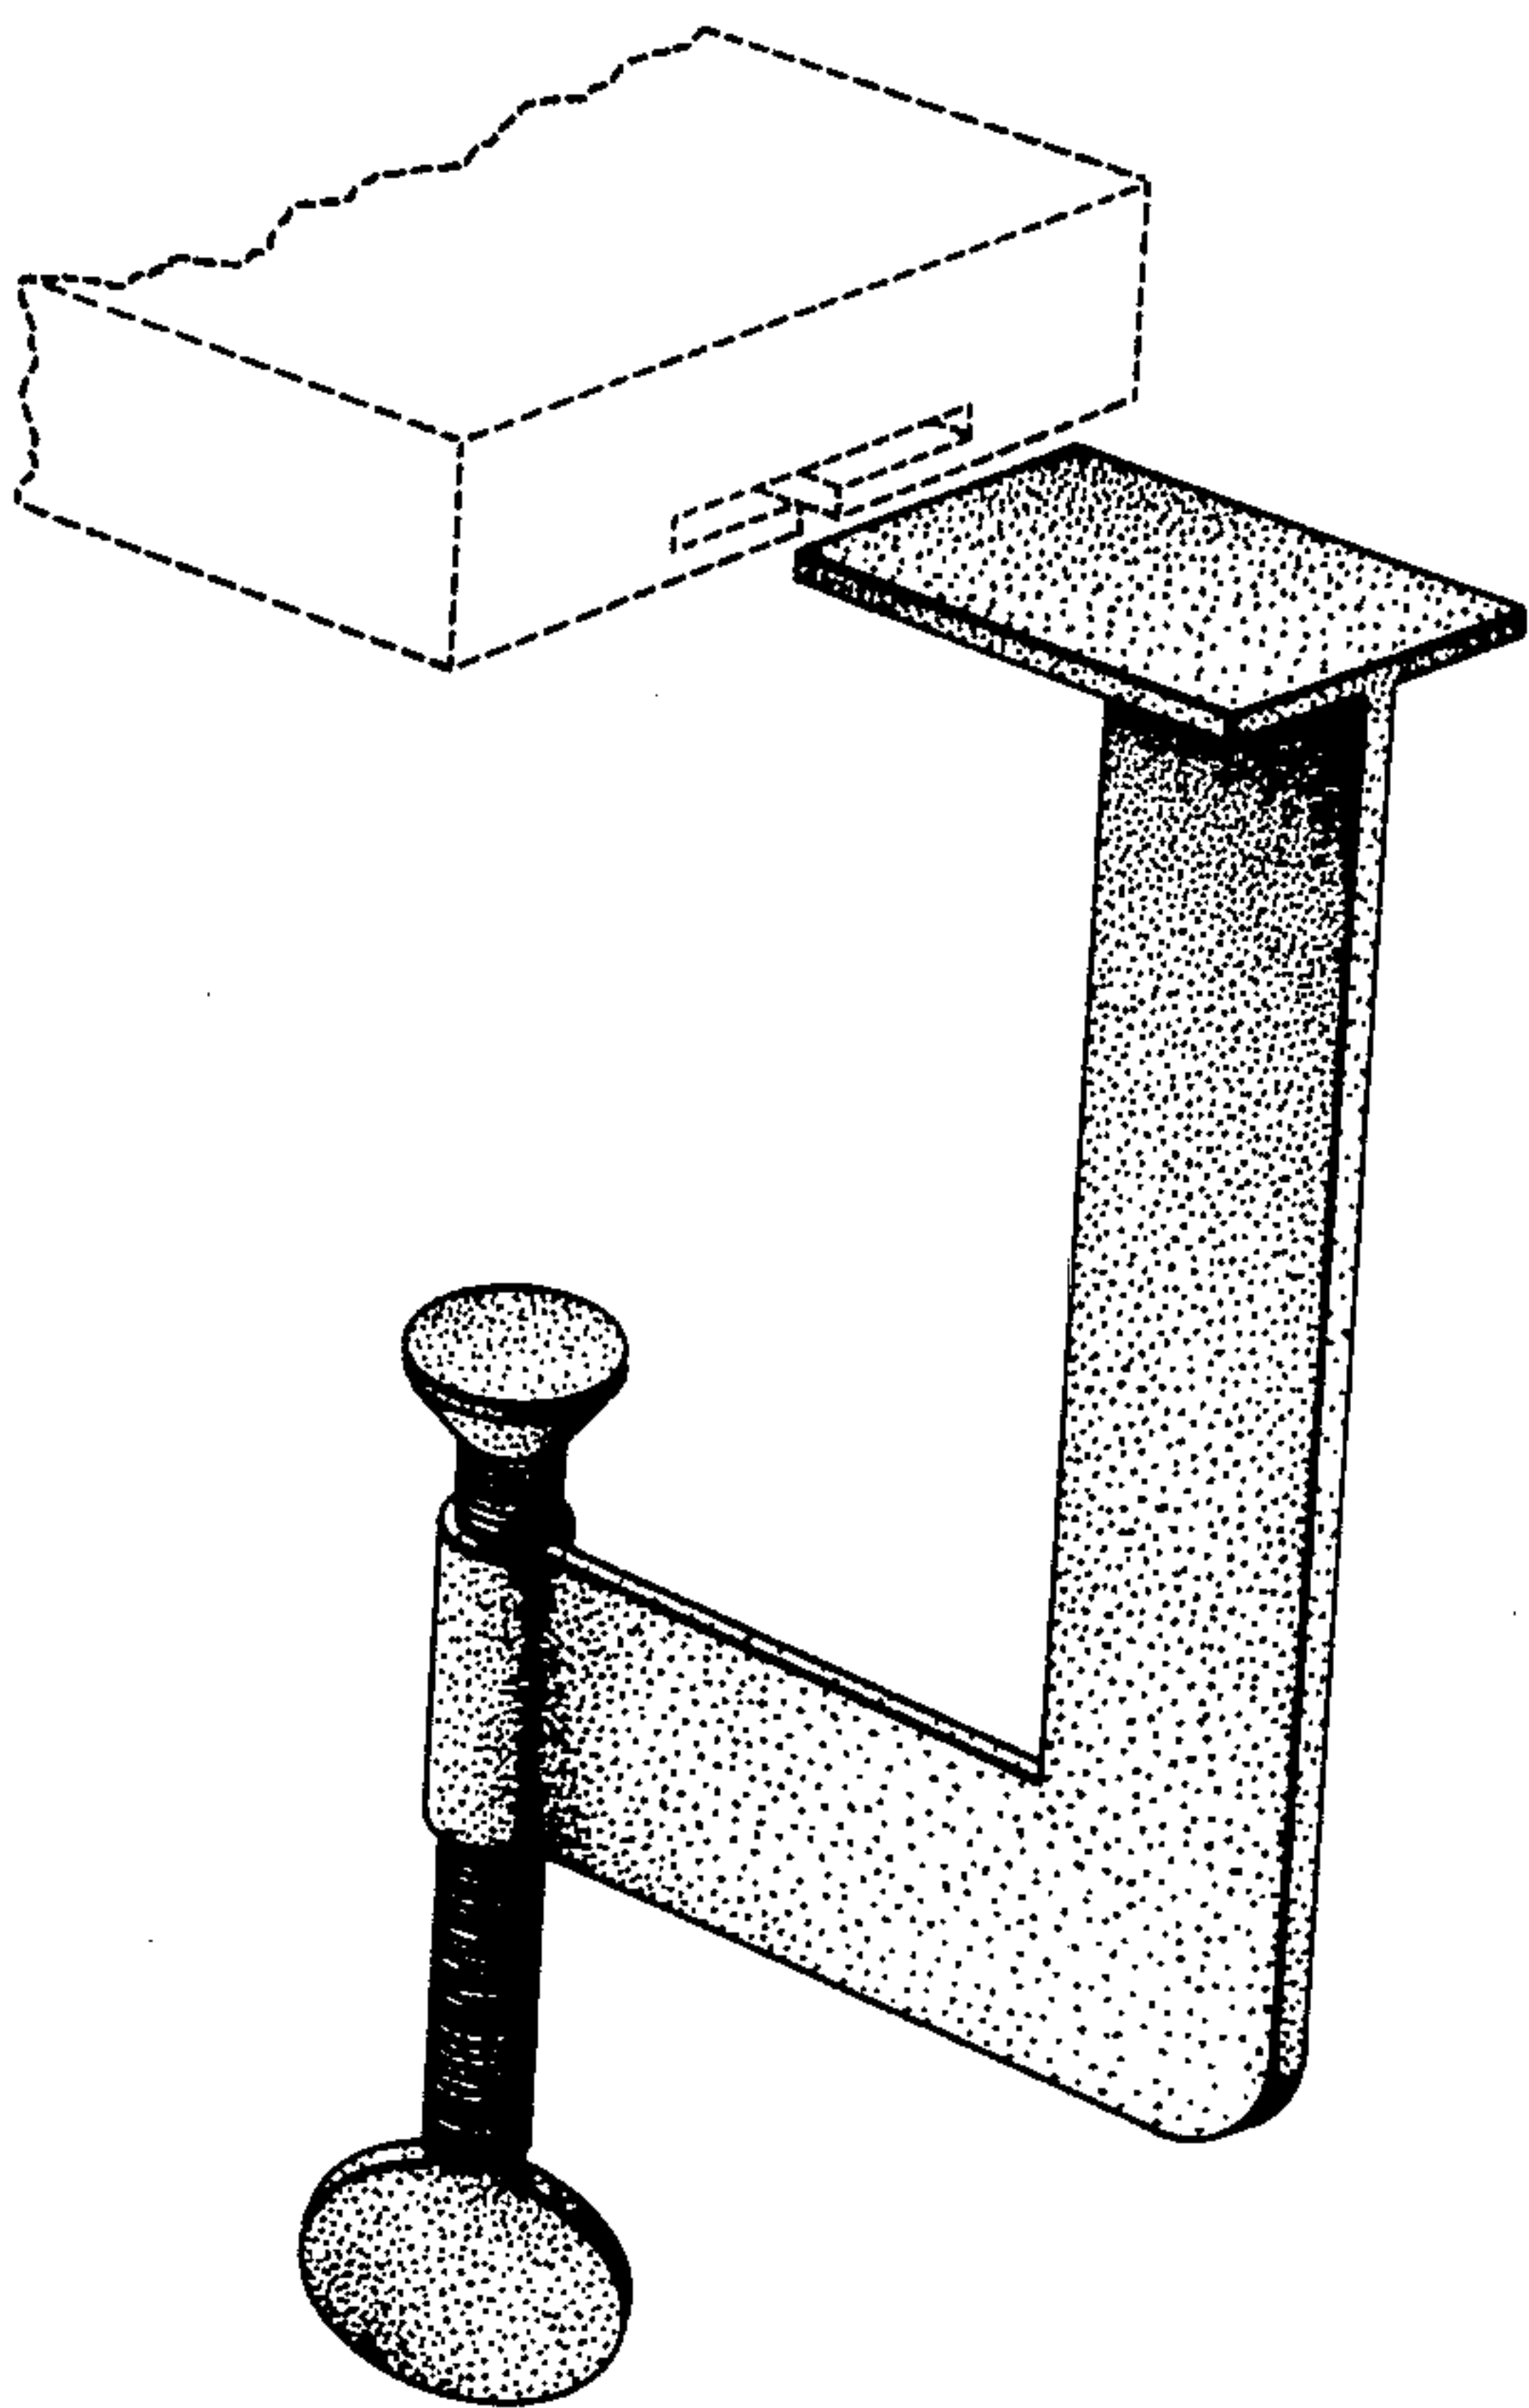

FIG. 2
