[57] **CLAIM**

The ornamental design for a spring-supported bowl playground apparatus, substantially as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of spring-supported cup playground apparatus in accord with my new design; FIG. 2 is a side elevational view of my new design, all side elevational views being identical thereto, and FIG. 3 is a top plan view.

The characteristic feature of my design resides in the combination of a spring support and bowl-shaped occupant carrier.
