[57] CLAIM

The ornamental design for a combined dual railroad passenger seat and legrests, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevation of my new design for a combined dual railroad passenger seat and legrests; FIG. 2 is a top plan view thereof; FIG. 3 is a side view, with the food trays and legrests in operative positions, and the side of the seat not shown herein is a mirror image of the side shown. FIG. 4 is a rear view thereof; and FIG. 5 is a perspective view, showing the food trays in closed positions, and the legrests in operative positions.

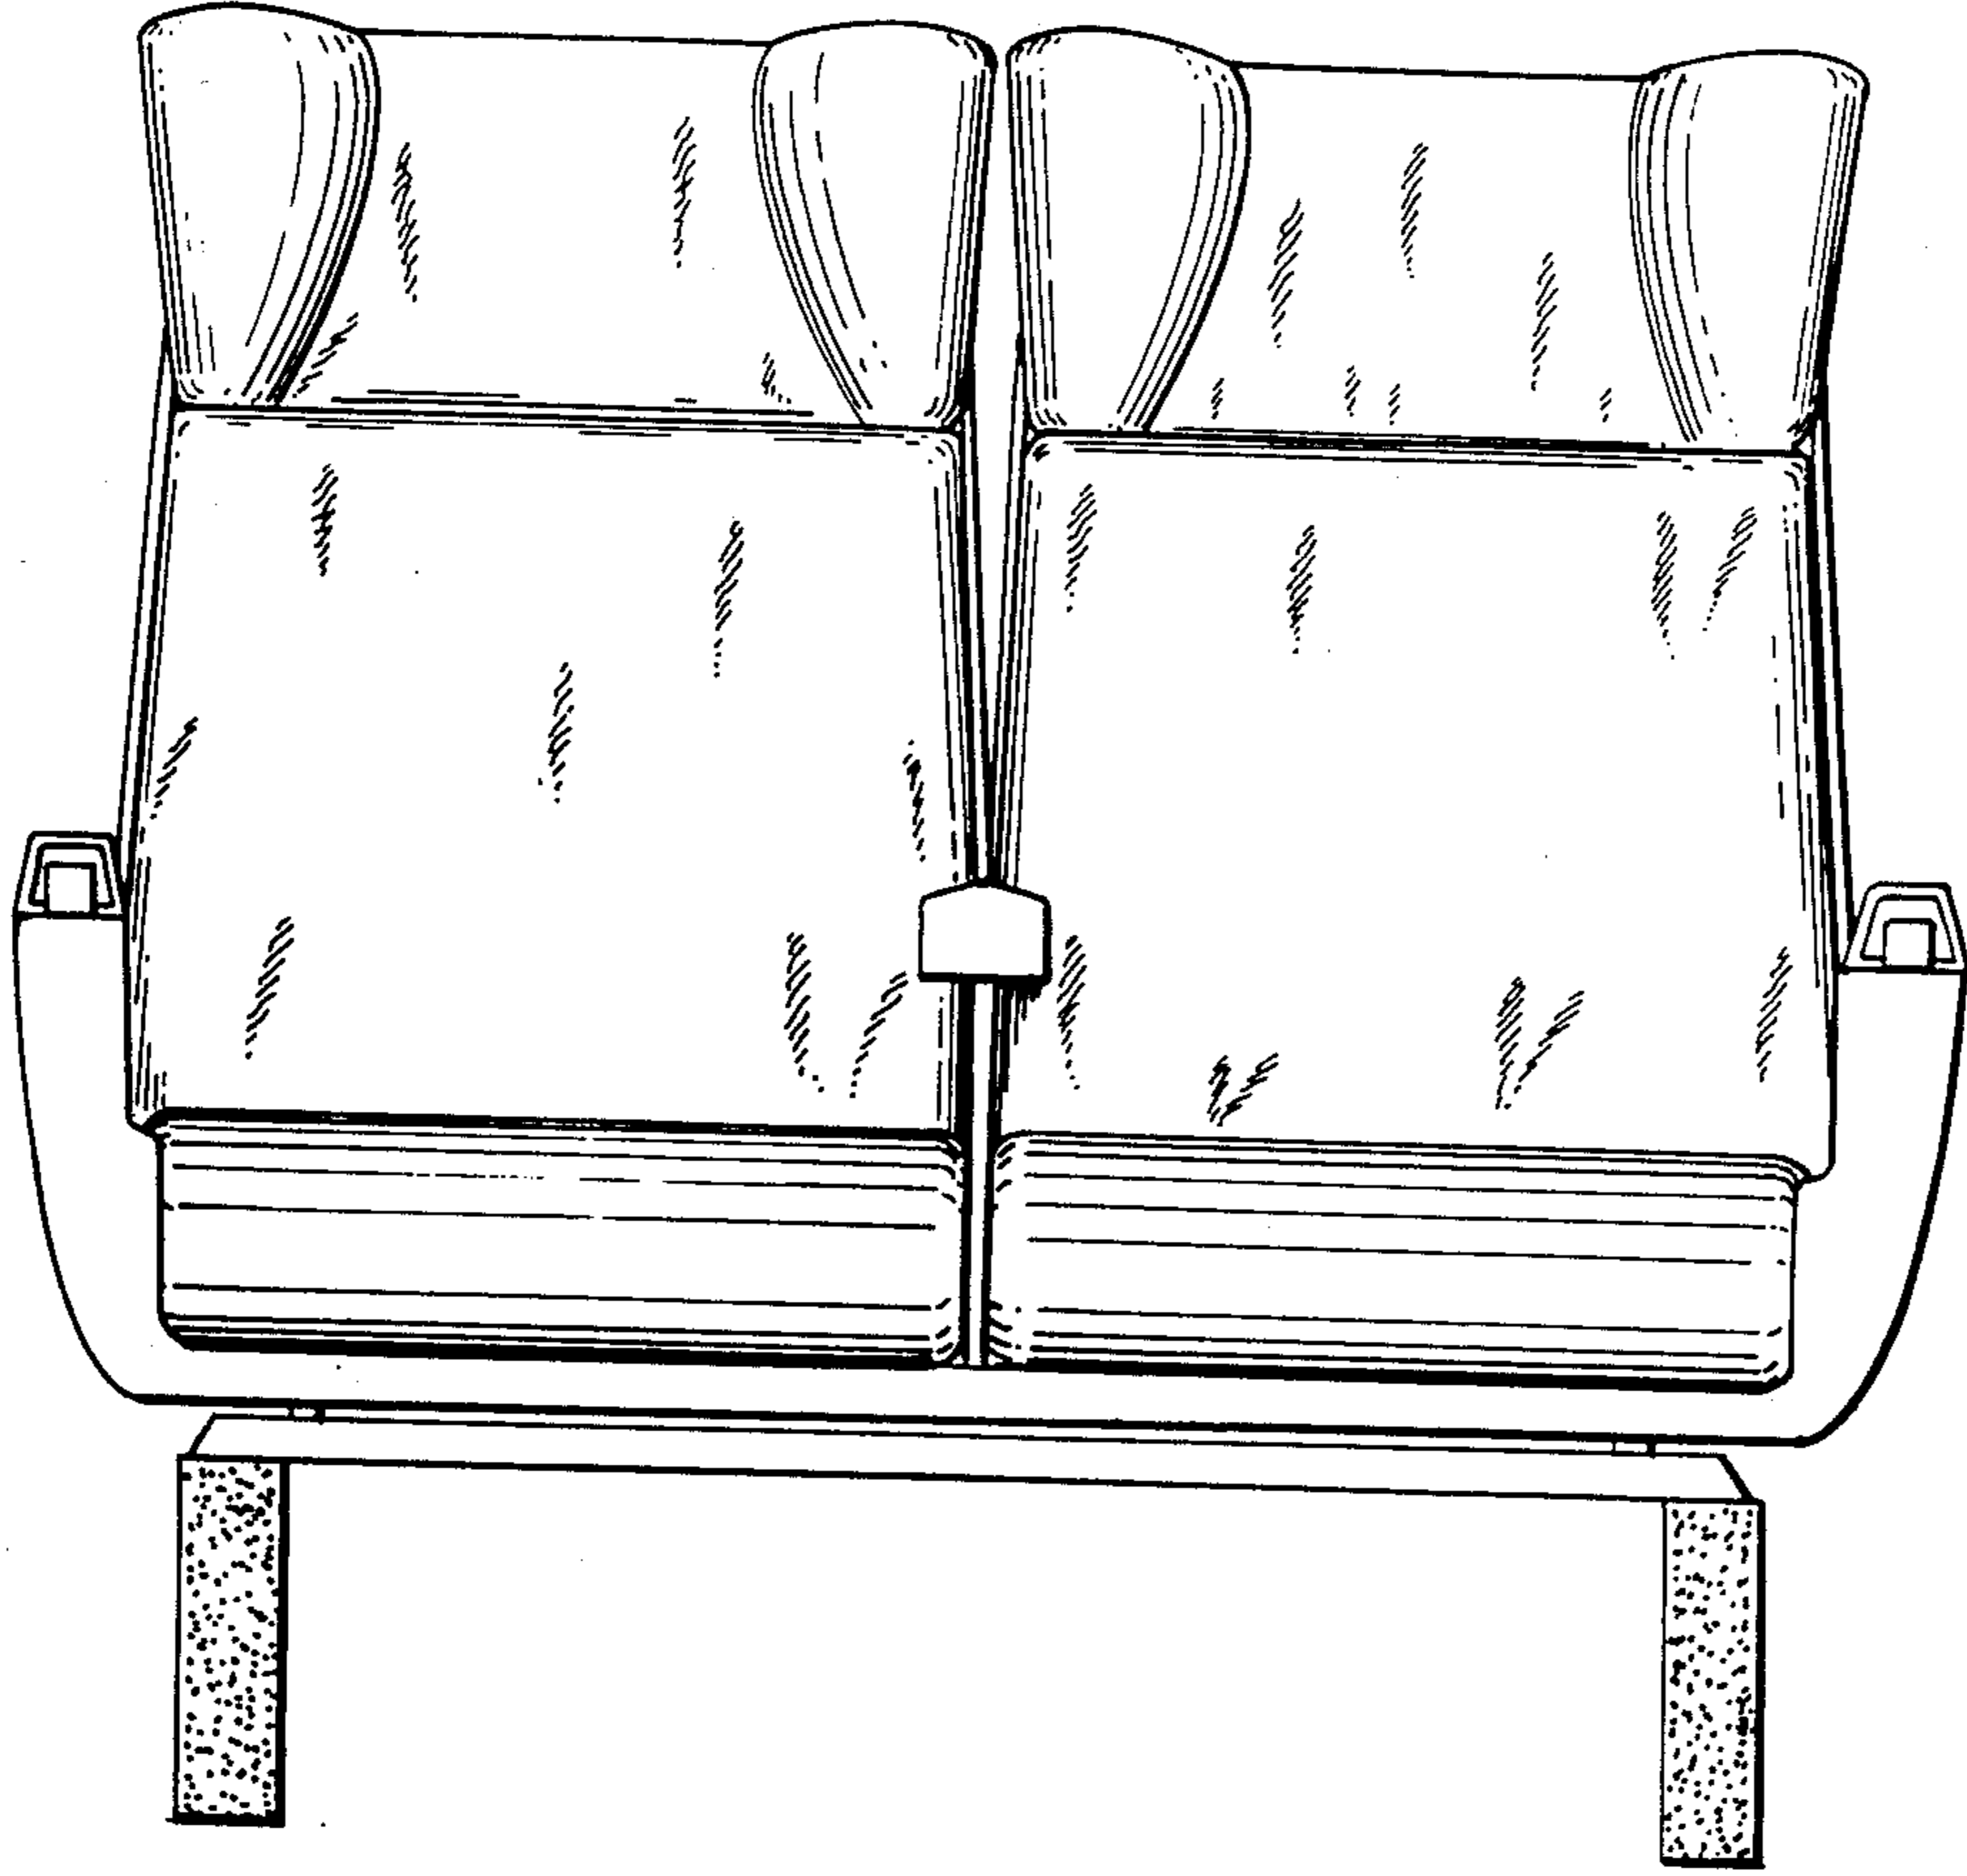

FIG. 1

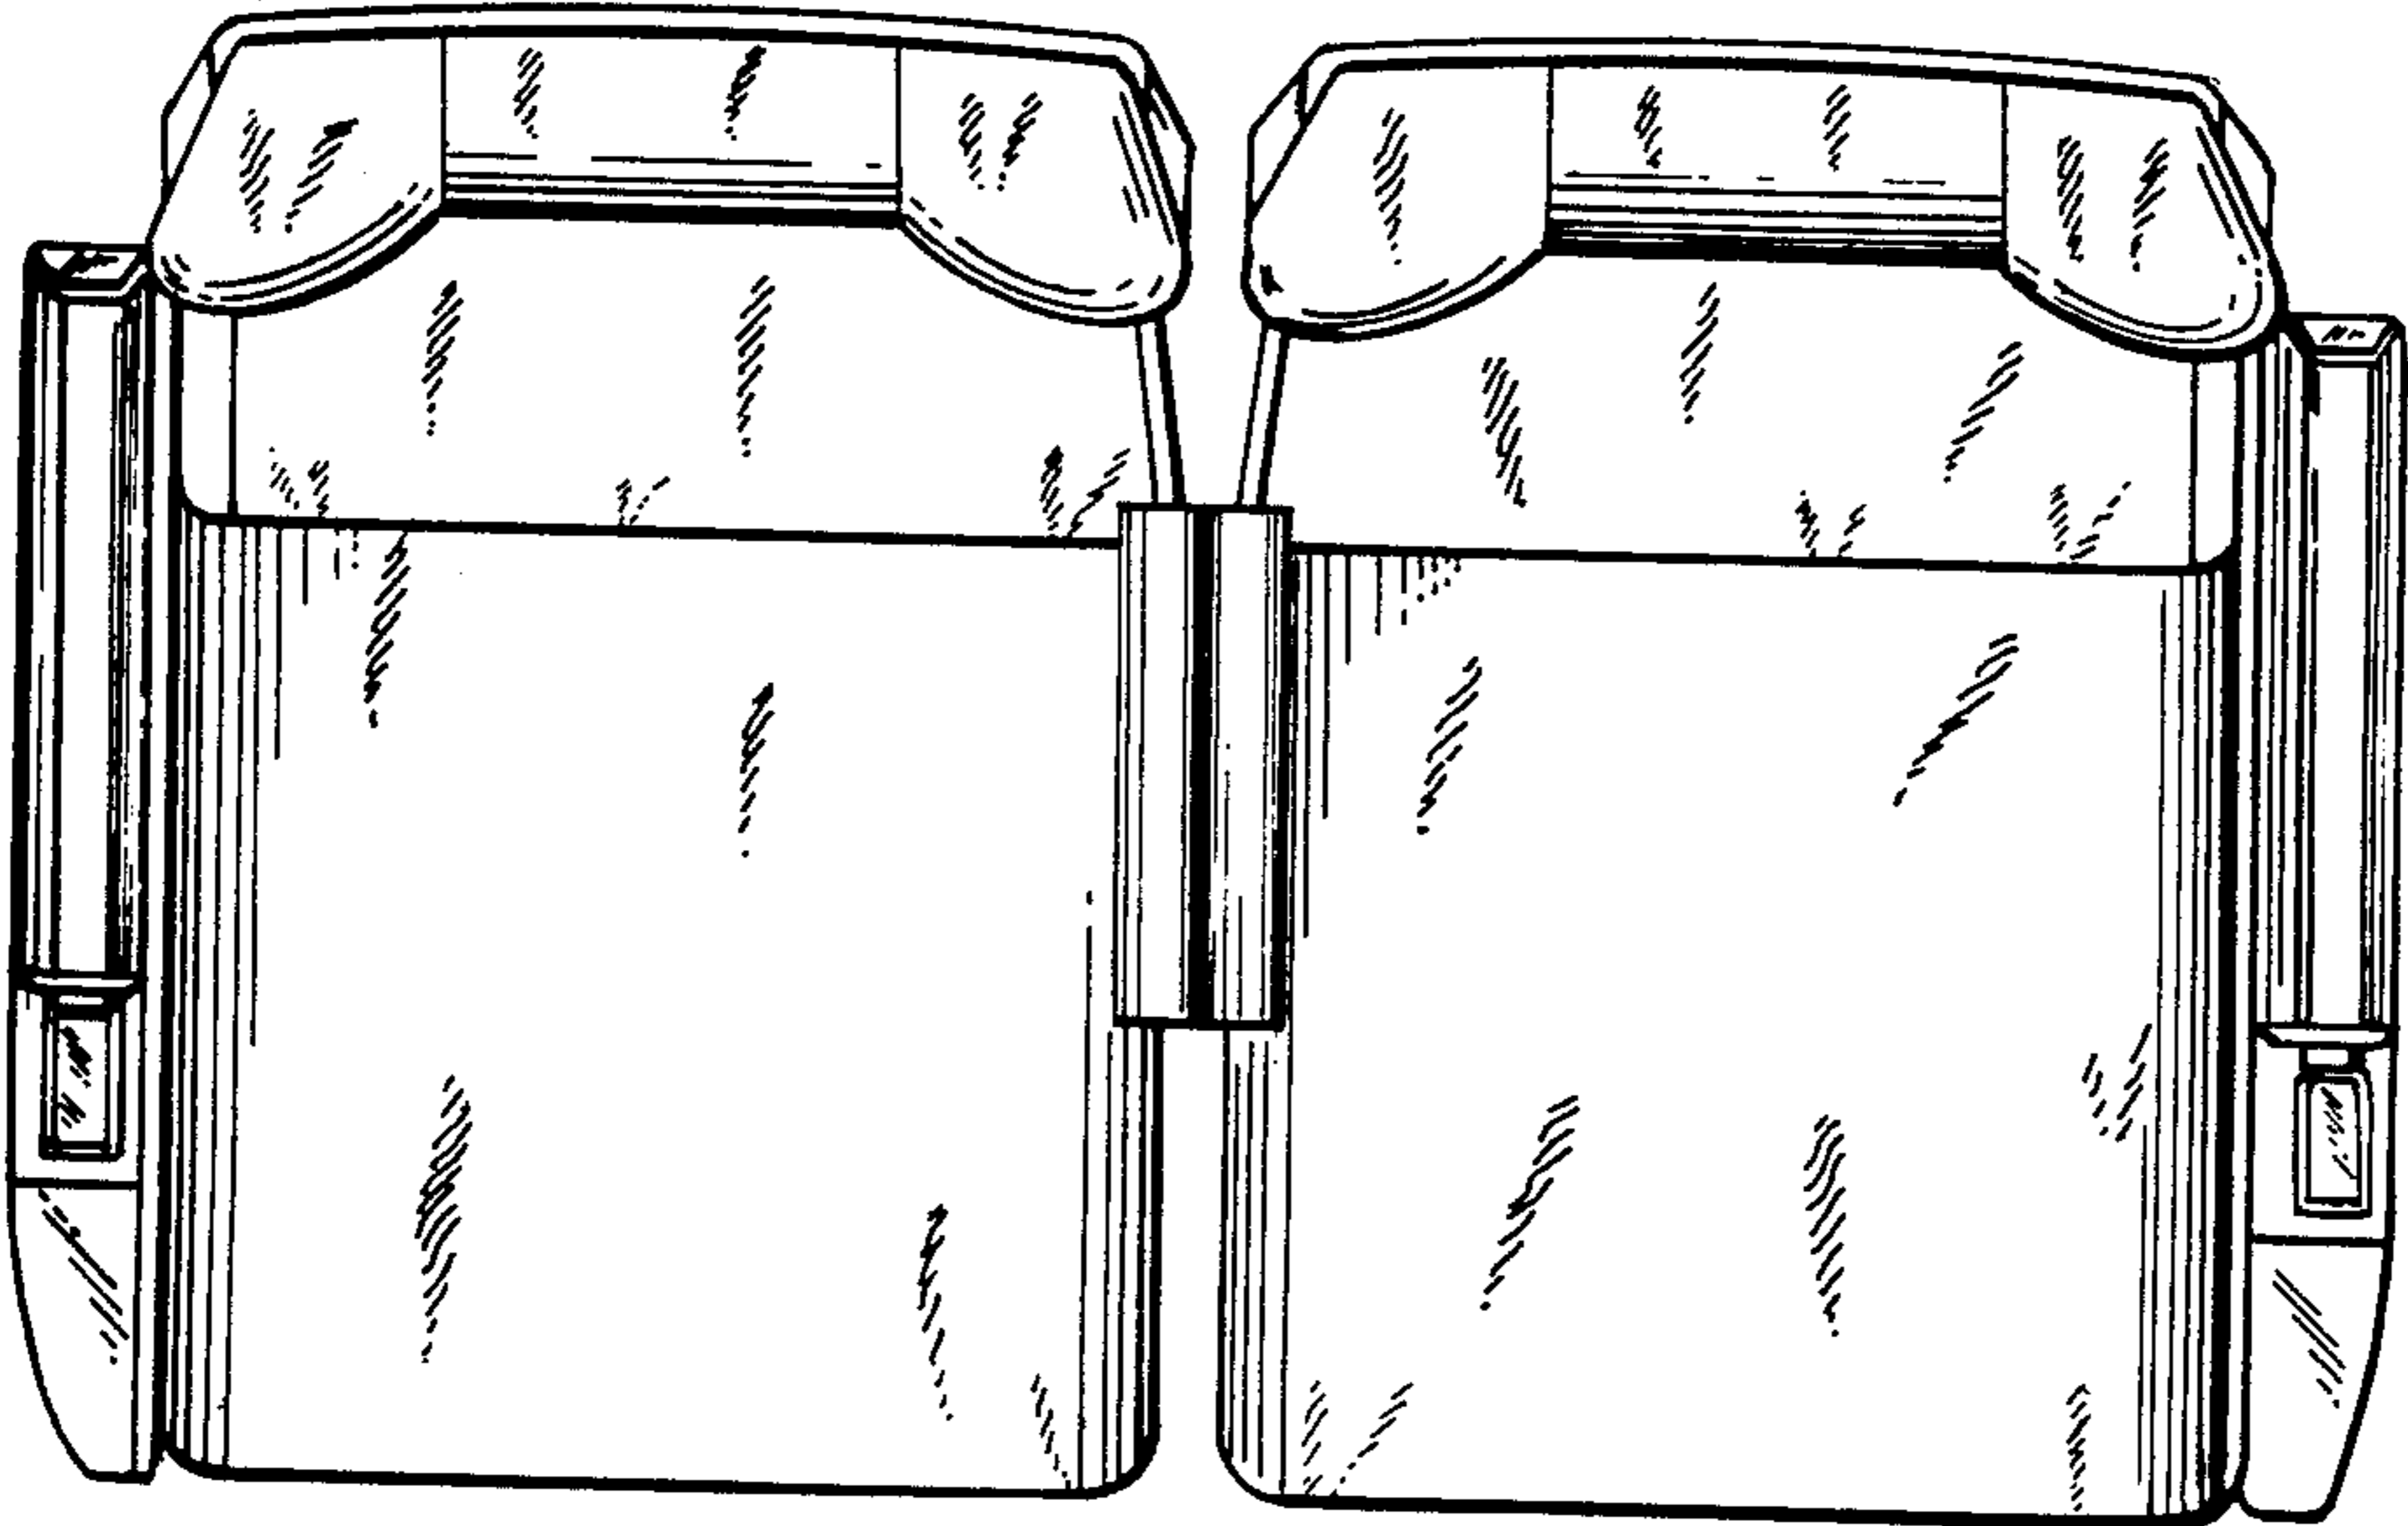

FIG. 2

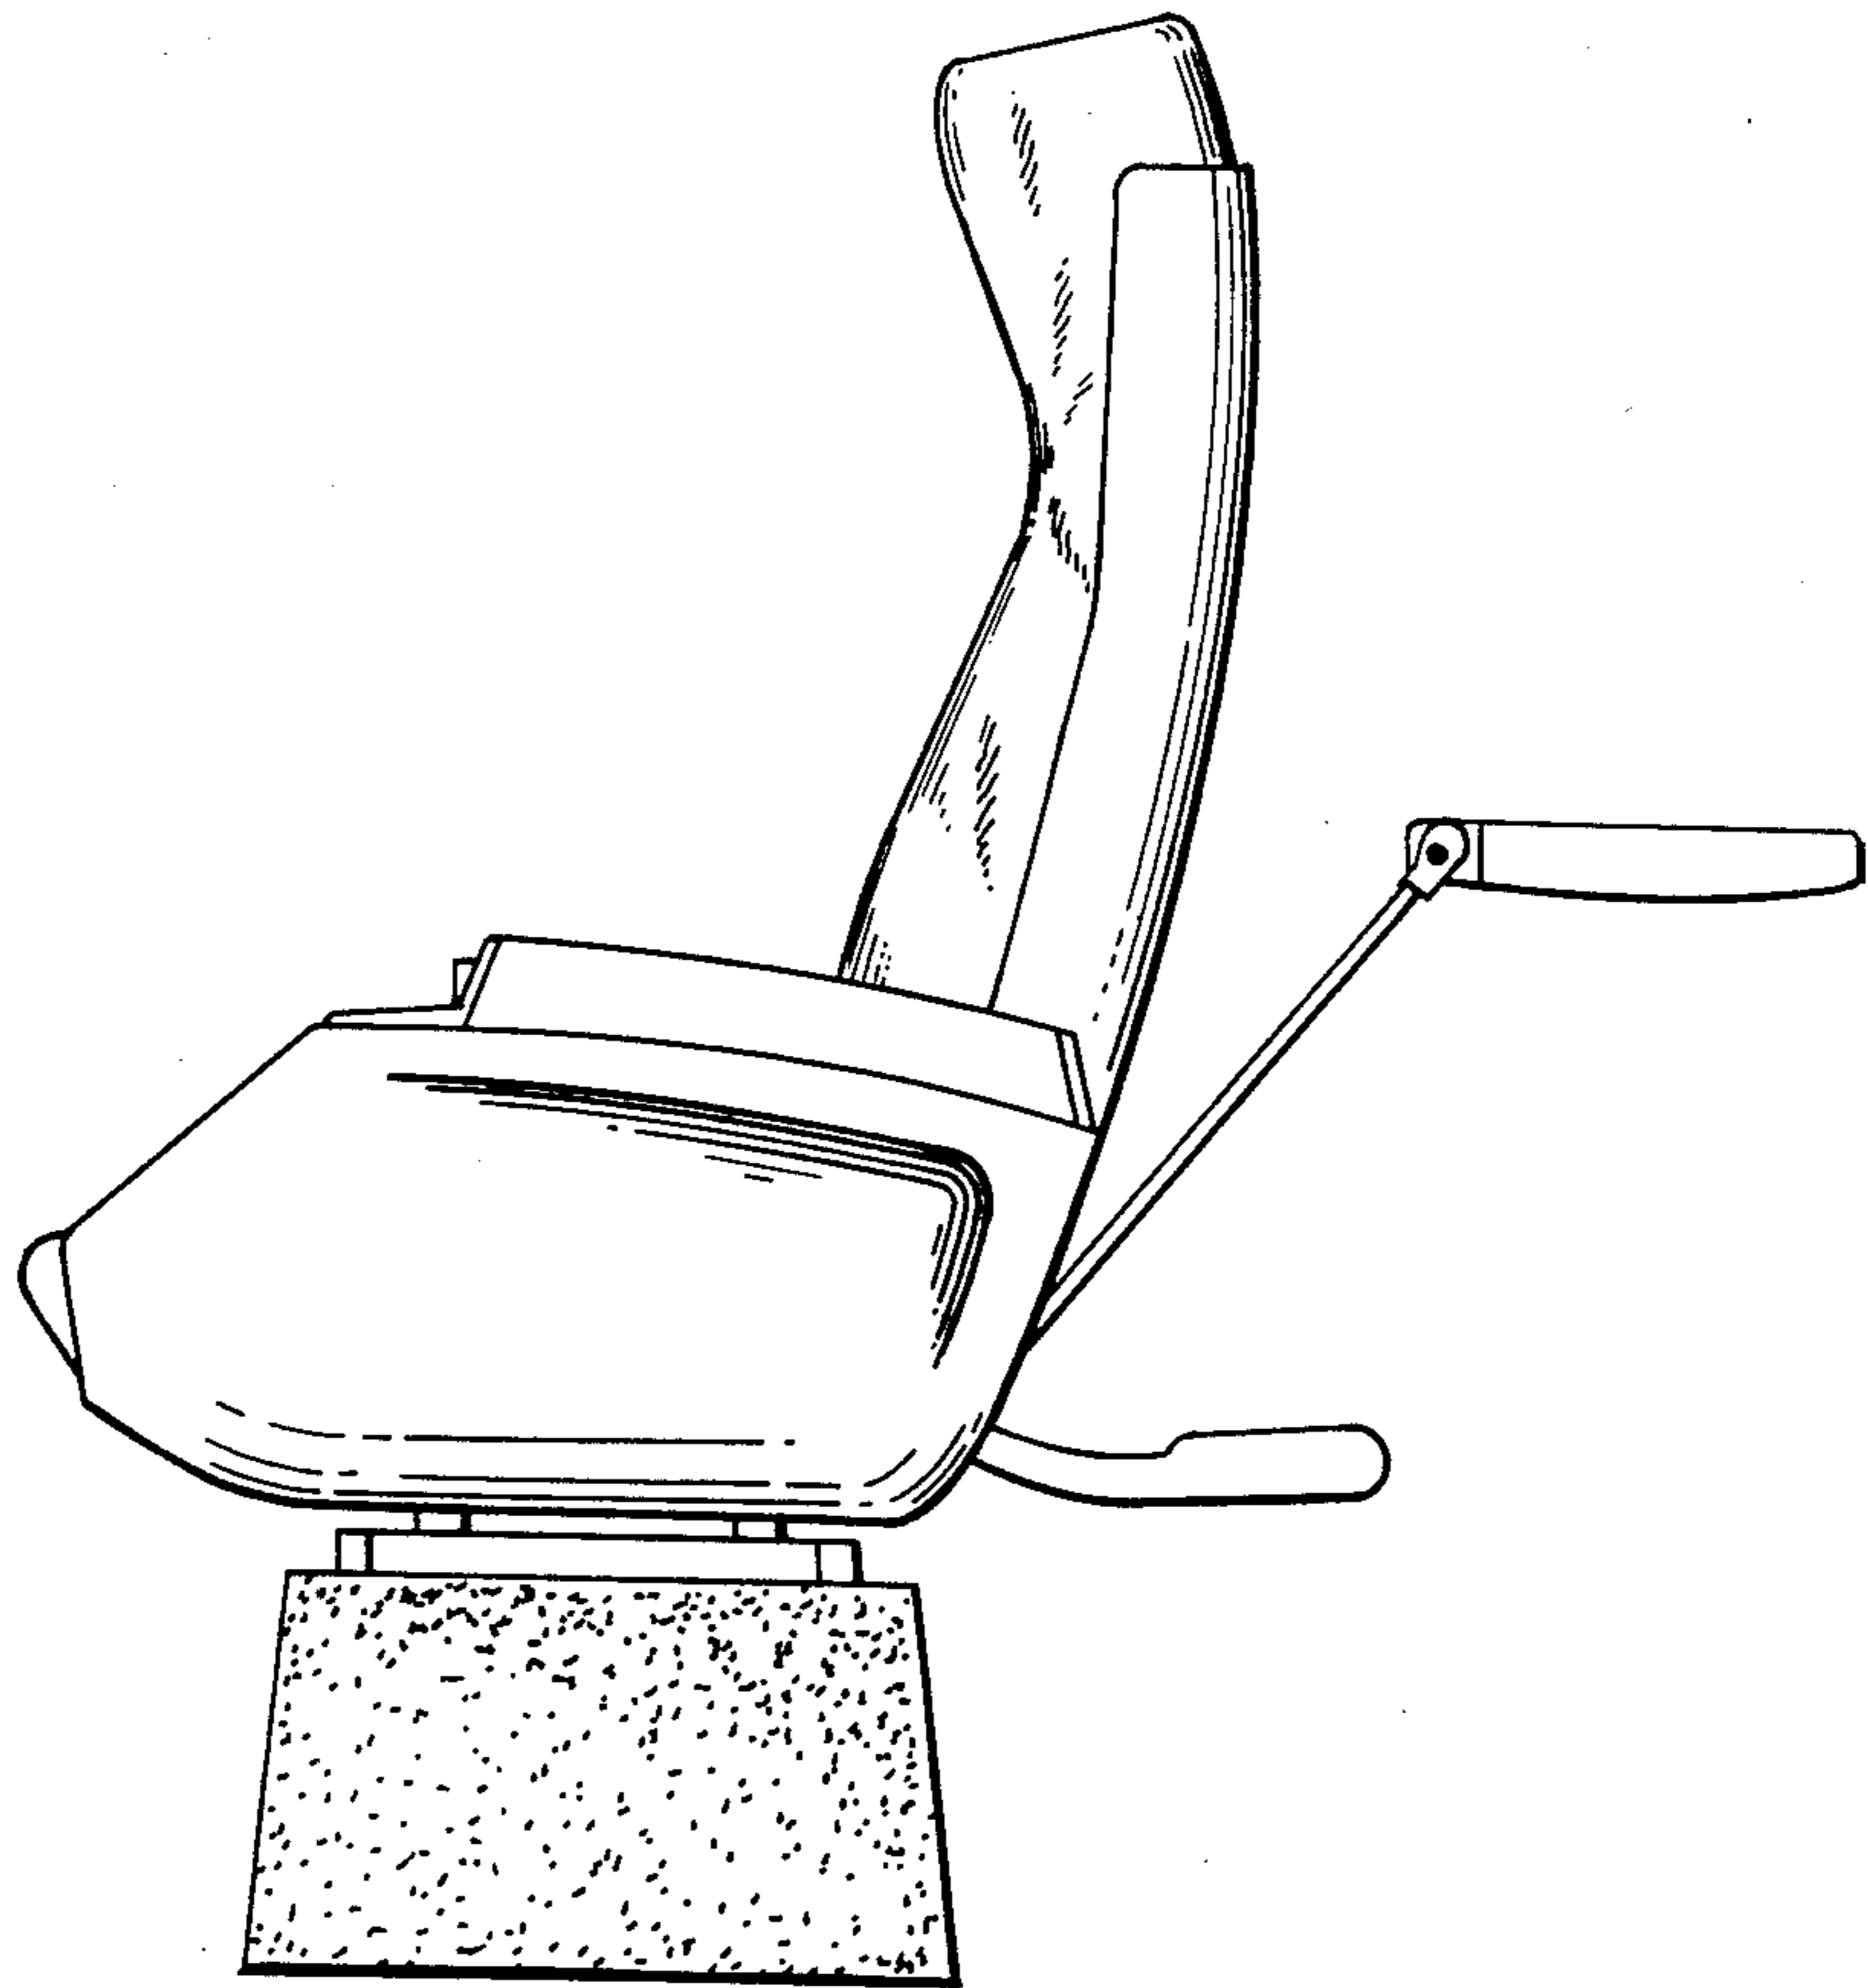

FIG. 3

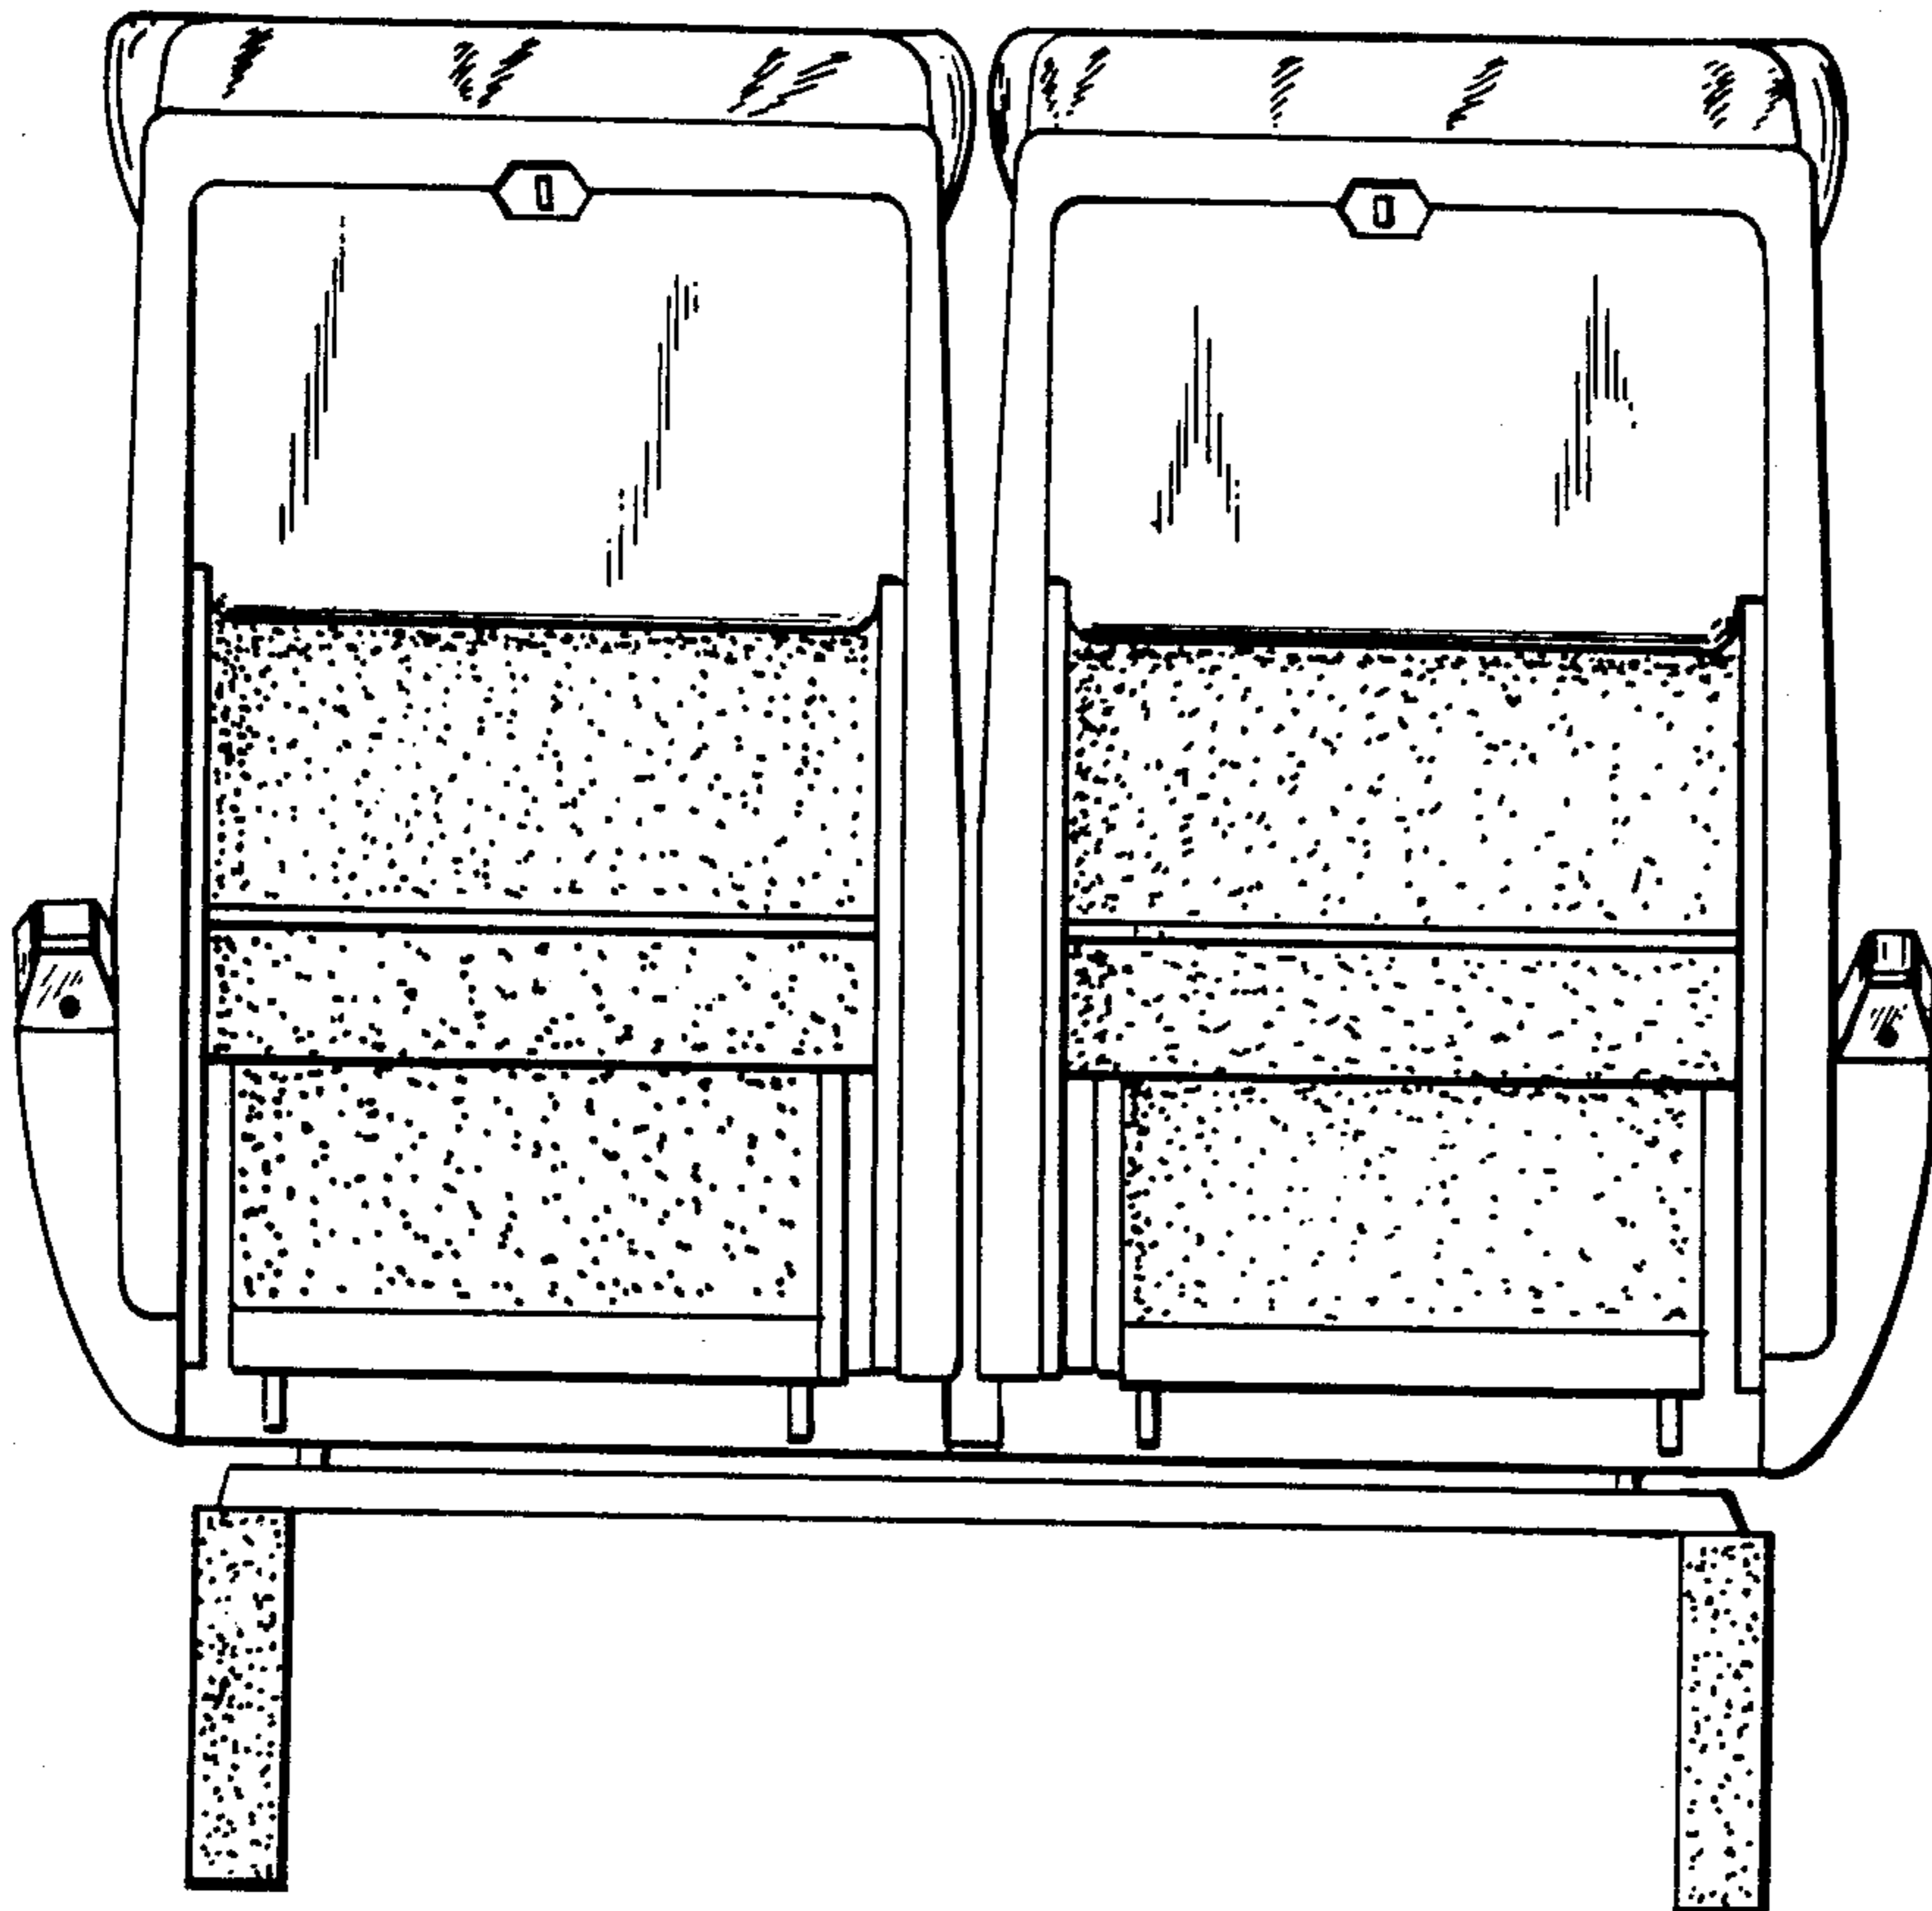

FIG. 4
