[57] CLAIM

The ornamental design for a combined elastic frame and mold block for fireproof feed-through of electric cables or the like, as shown.

DESCRIPTION

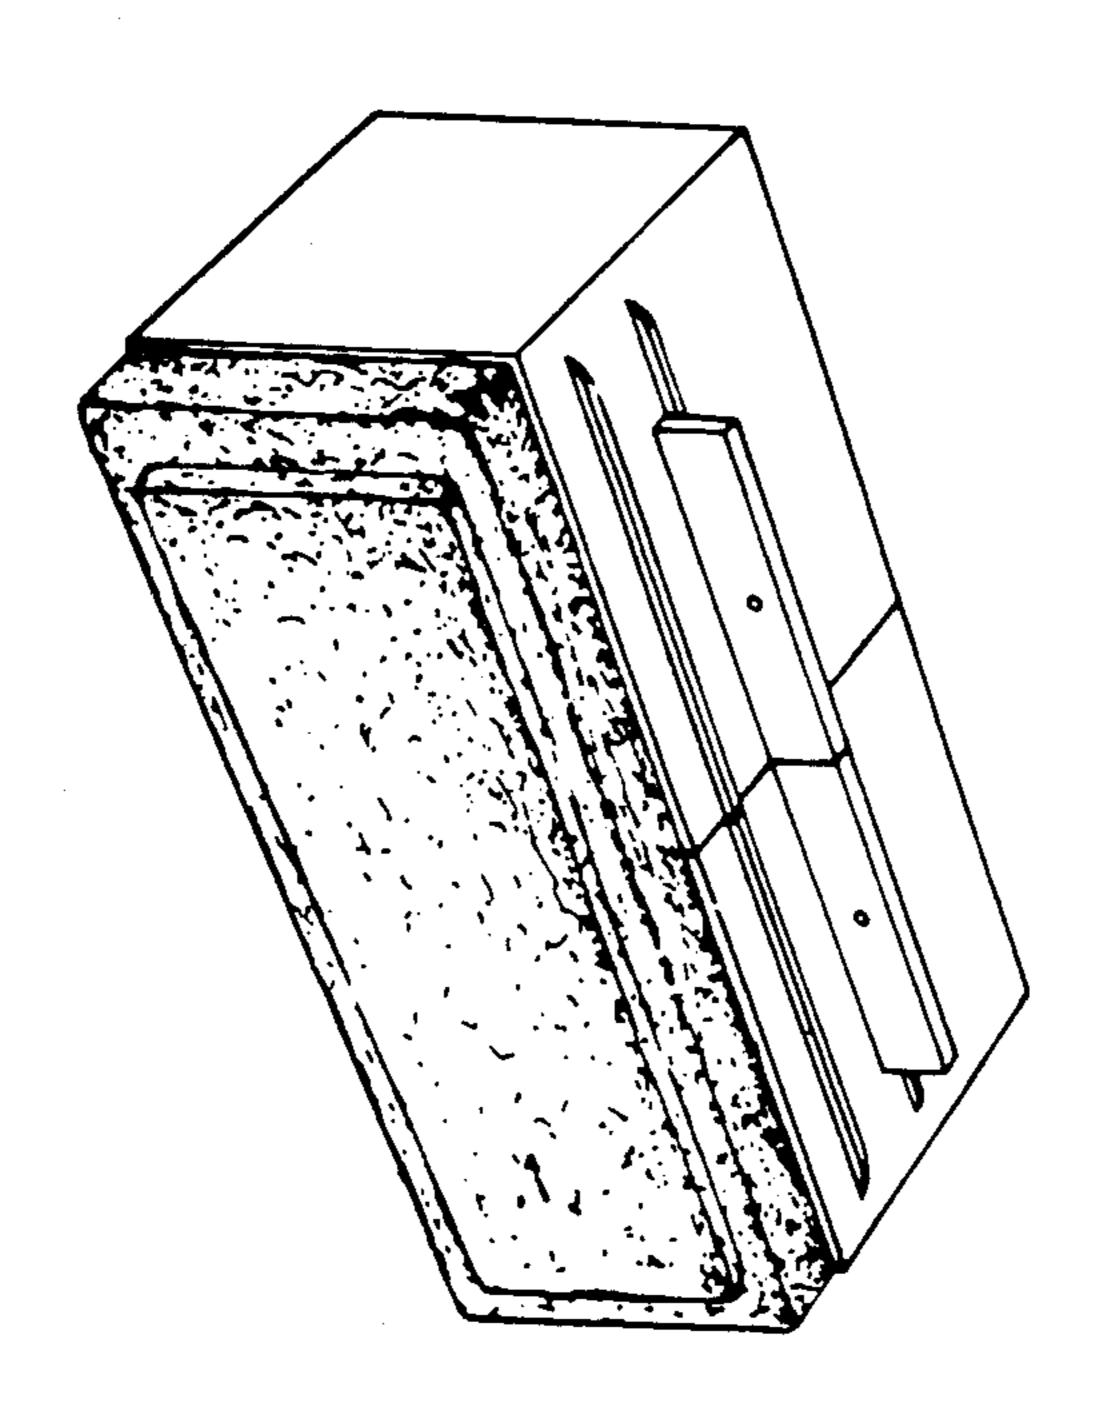

FIG. 1 is a perspective view of a combined elastic frame and mold block for fireproof feed-through of electric cables or the like, showing my new design;

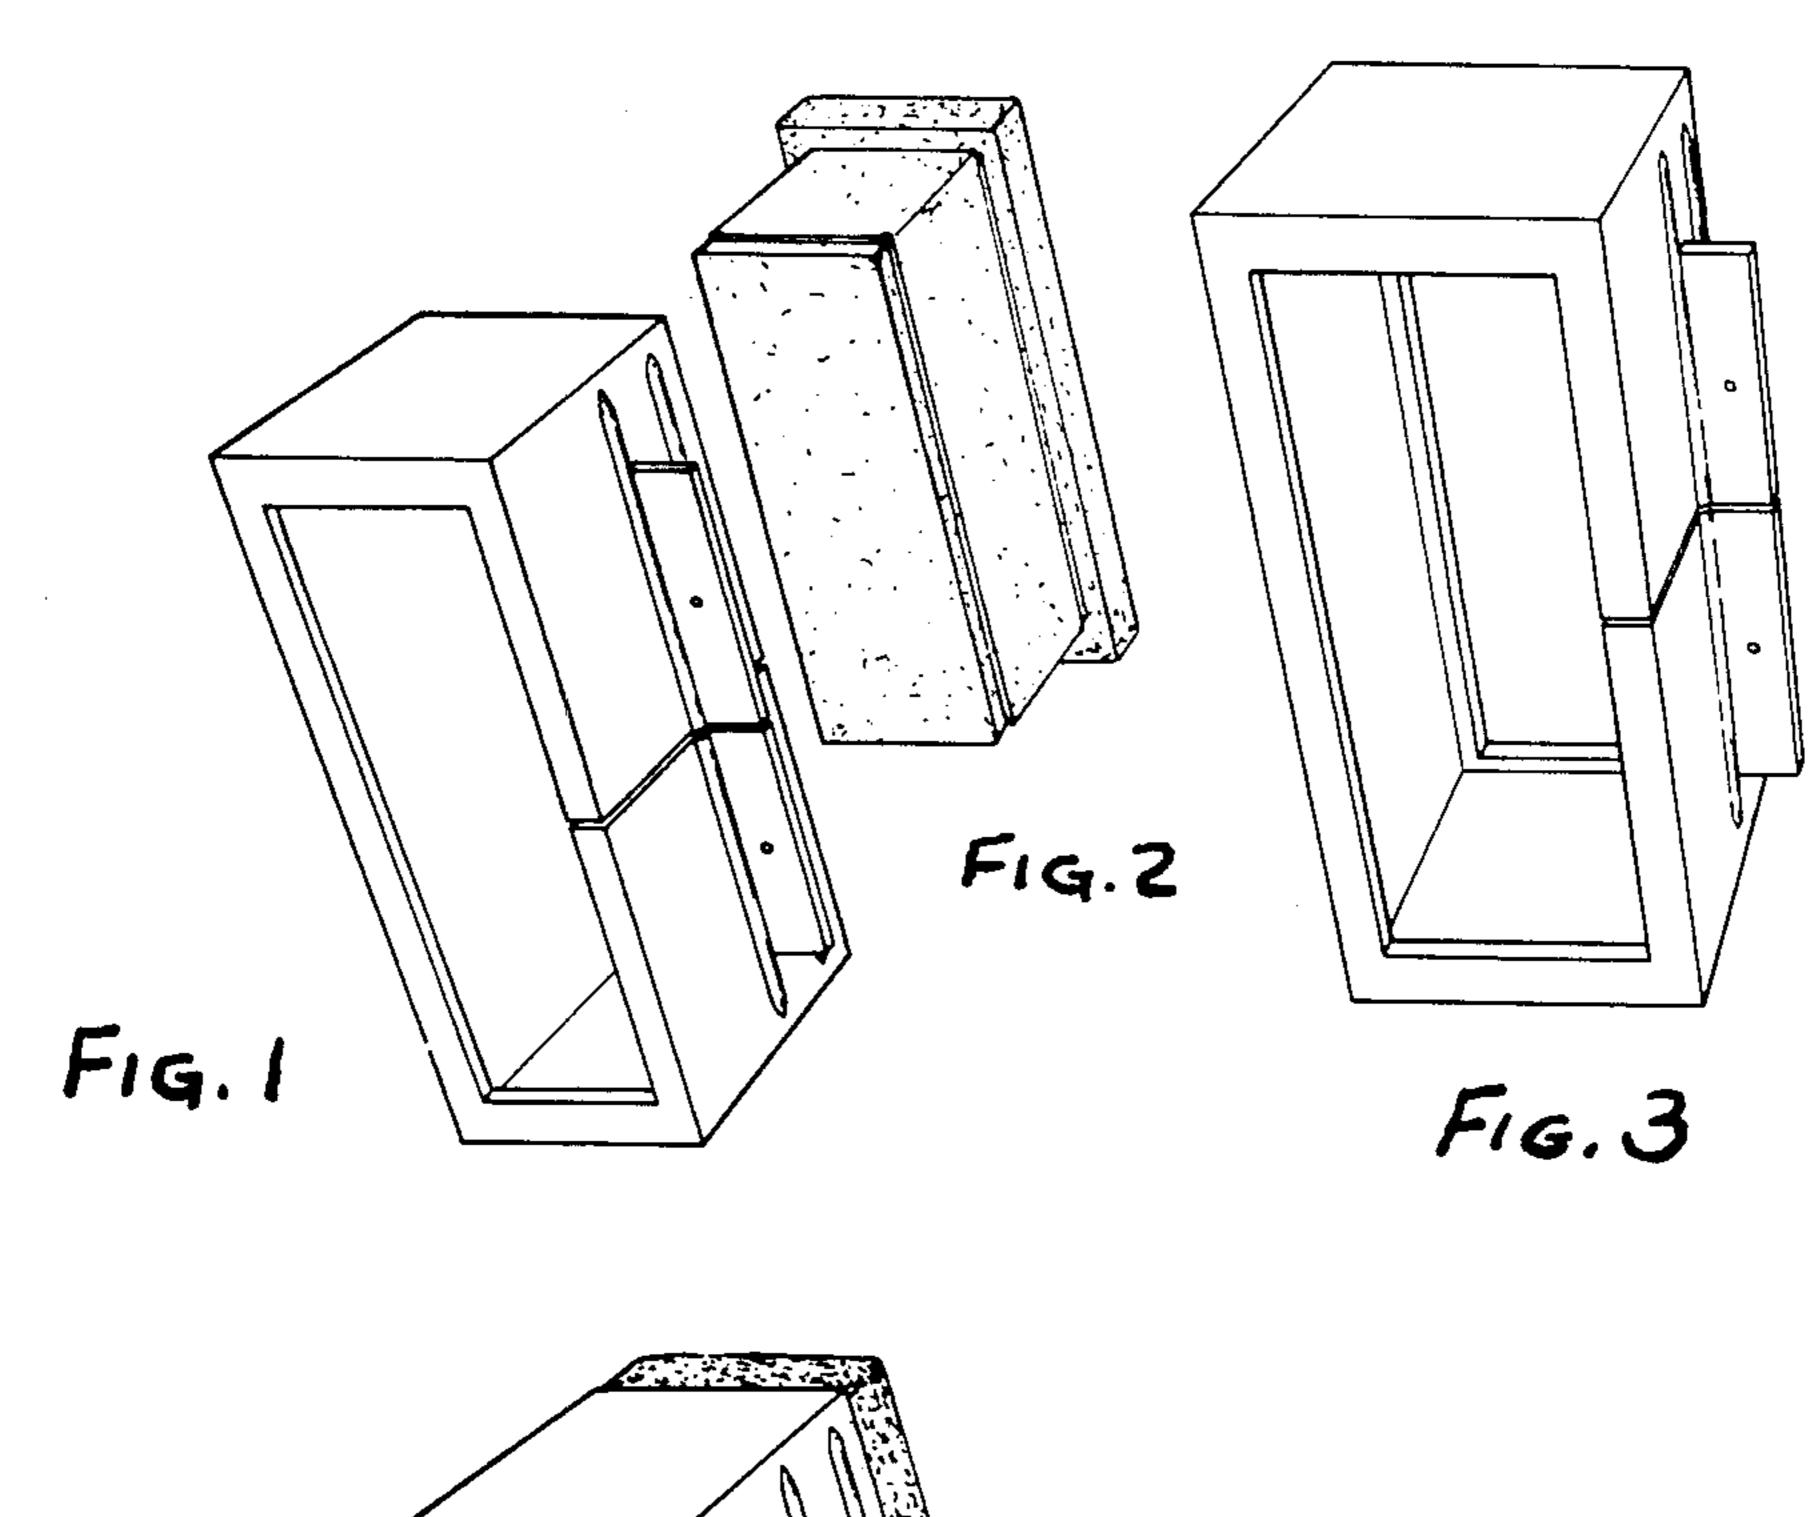

FIG. 2 is a perspective view of the mold block for its embodiment;

FIG. 3 is a view similar to FIG. 1, but from a different angle;

FIG. 4 is a view similar to FIGS. 1 and 2, but showing the parts therein assembled;

FIG. 5 is a view of the structure shown in FIG. 4 but inverted and from the opposite side thereof; and FIG. 6 is a view similar to FIG. 4, but with the structure inverted.

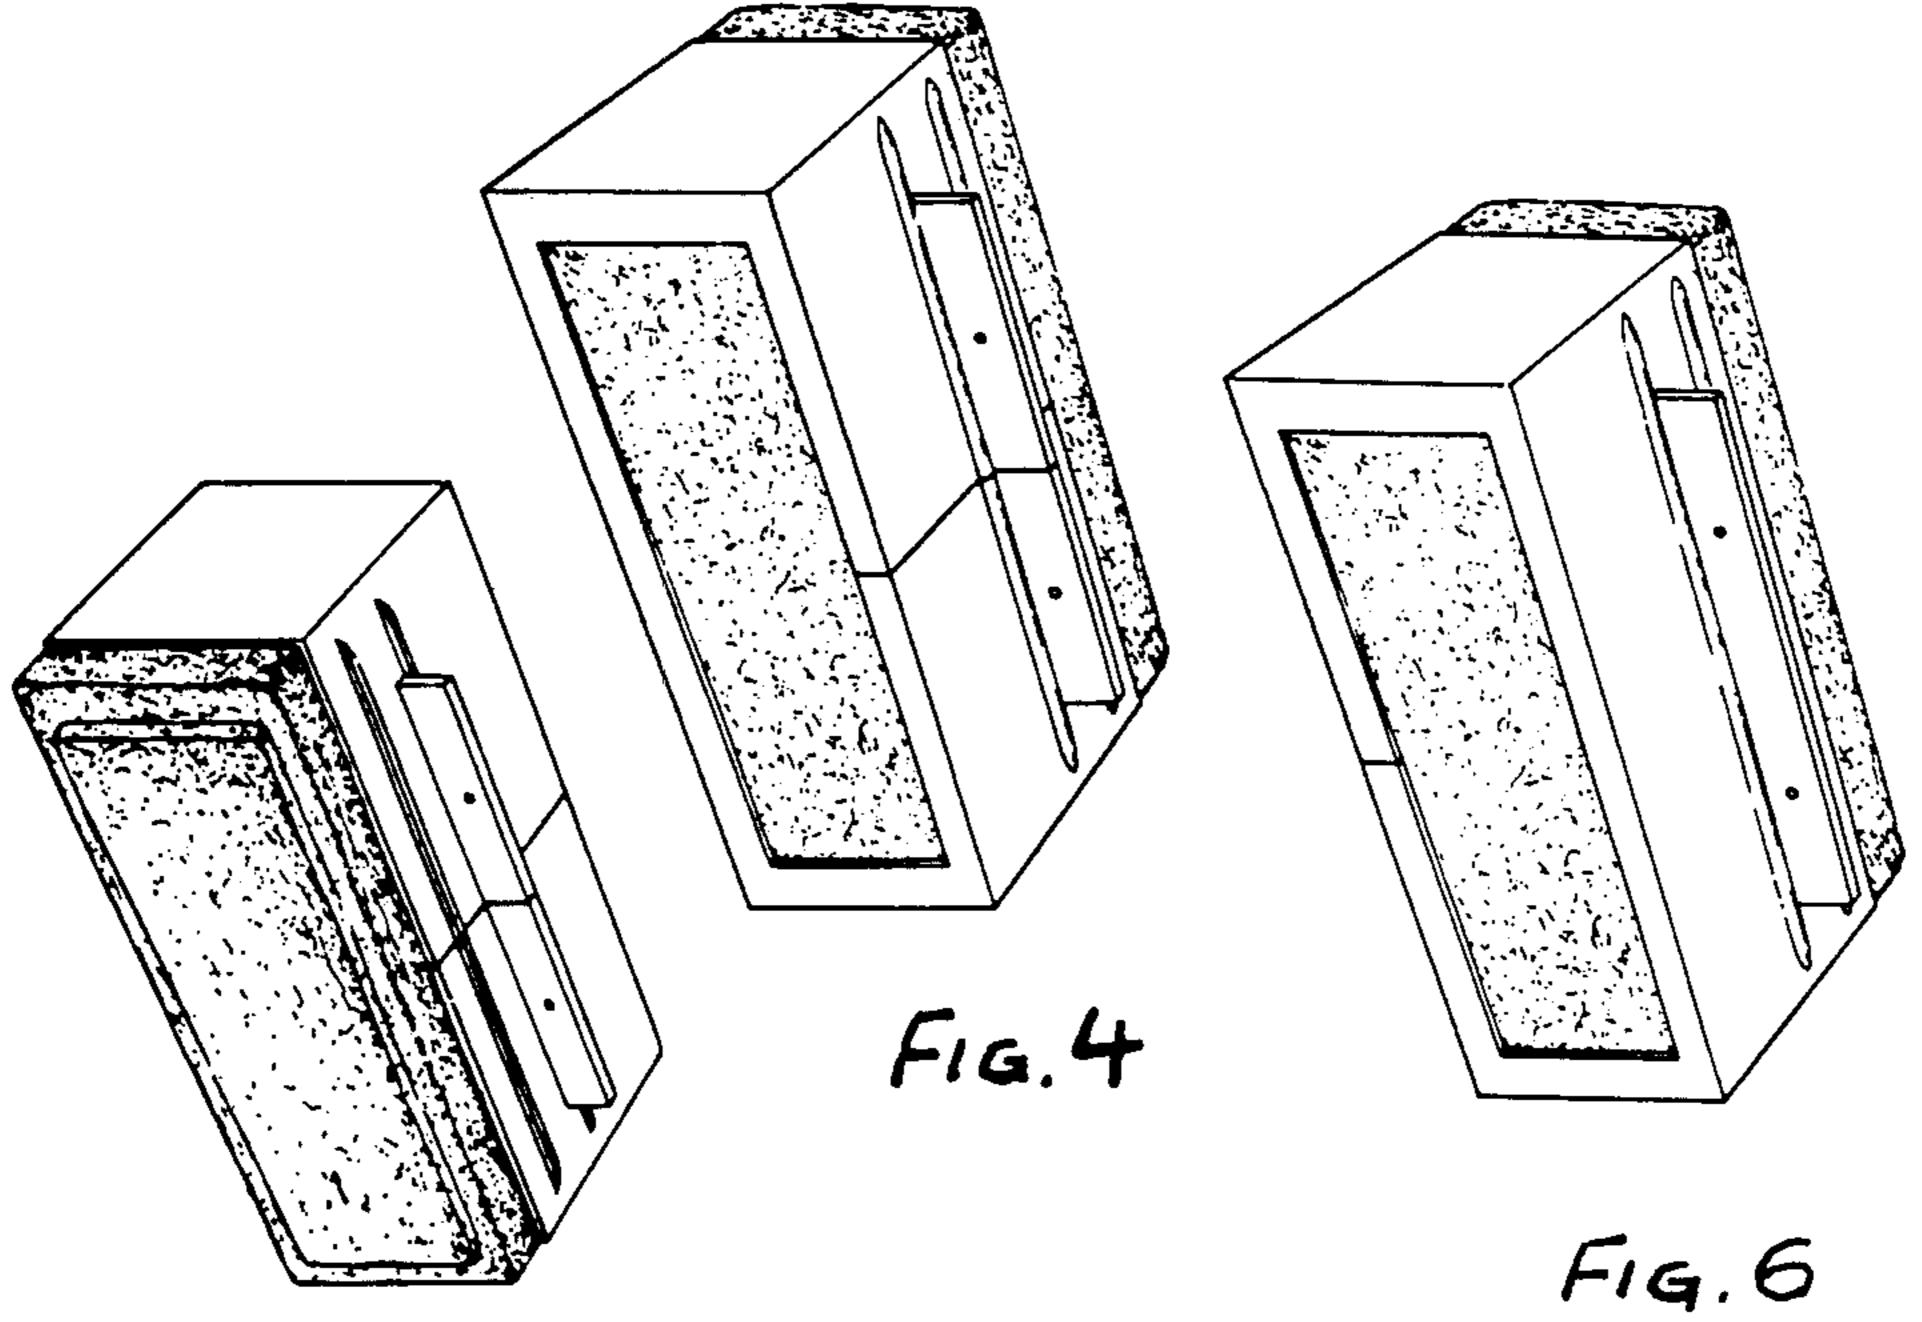

FIG. 5
