[57] CLAIM

The ornamental design for a ski lock device, substantially as shown and described.

DESCRIPTION

FIG. 1 is an exploded perspective view of a ski lock device showing my new design;
FIG. 2 is a top plan view of the bottom half of the ski lock device;
FIG. 3 is a front elevational view of FIG. 2, the rear being substantially a mirror image thereof;
FIG. 4 is a left side elevational view of FIG. 2, the right side being substantially a mirror image thereof; and
FIG. 5 is a bottom plan view of FIG. 2.
The top half of the ski lock device as viewed in top plan and front, rear, left and right side elevation is substantially identical to those views of the bottom half of the ski lock device shown in FIGS. 2, 3 and 4 respectively.
