[57] CLAIM

The ornamental design for combined video game and table, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the combined video game and table showing two sides and the top. The side opposite to the one shown on the right is not shown and is identical to the side shown on the left in FIG. 1;

FIG. 2 is a top plan view of the combined video game and table; and

FIG. 3 is a side elevation view of the combined video game and table showing the side opposite to the one shown on the left in FIG. 1.
