[57] CLAIM

The ornamental design for a copying machine, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a copying machine showing my new design;
FIG. 2 is a front elevational view thereof;
FIG. 3 is a left side elevational view thereof;
FIG. 4 is a right side elevational view thereof;
FIG. 5 is a rear elevational view thereof;
FIG. 6 is a top front perspective view thereof.
The bottom of the copying machine is substantially planar and unornamented.
