[57] CLAIM

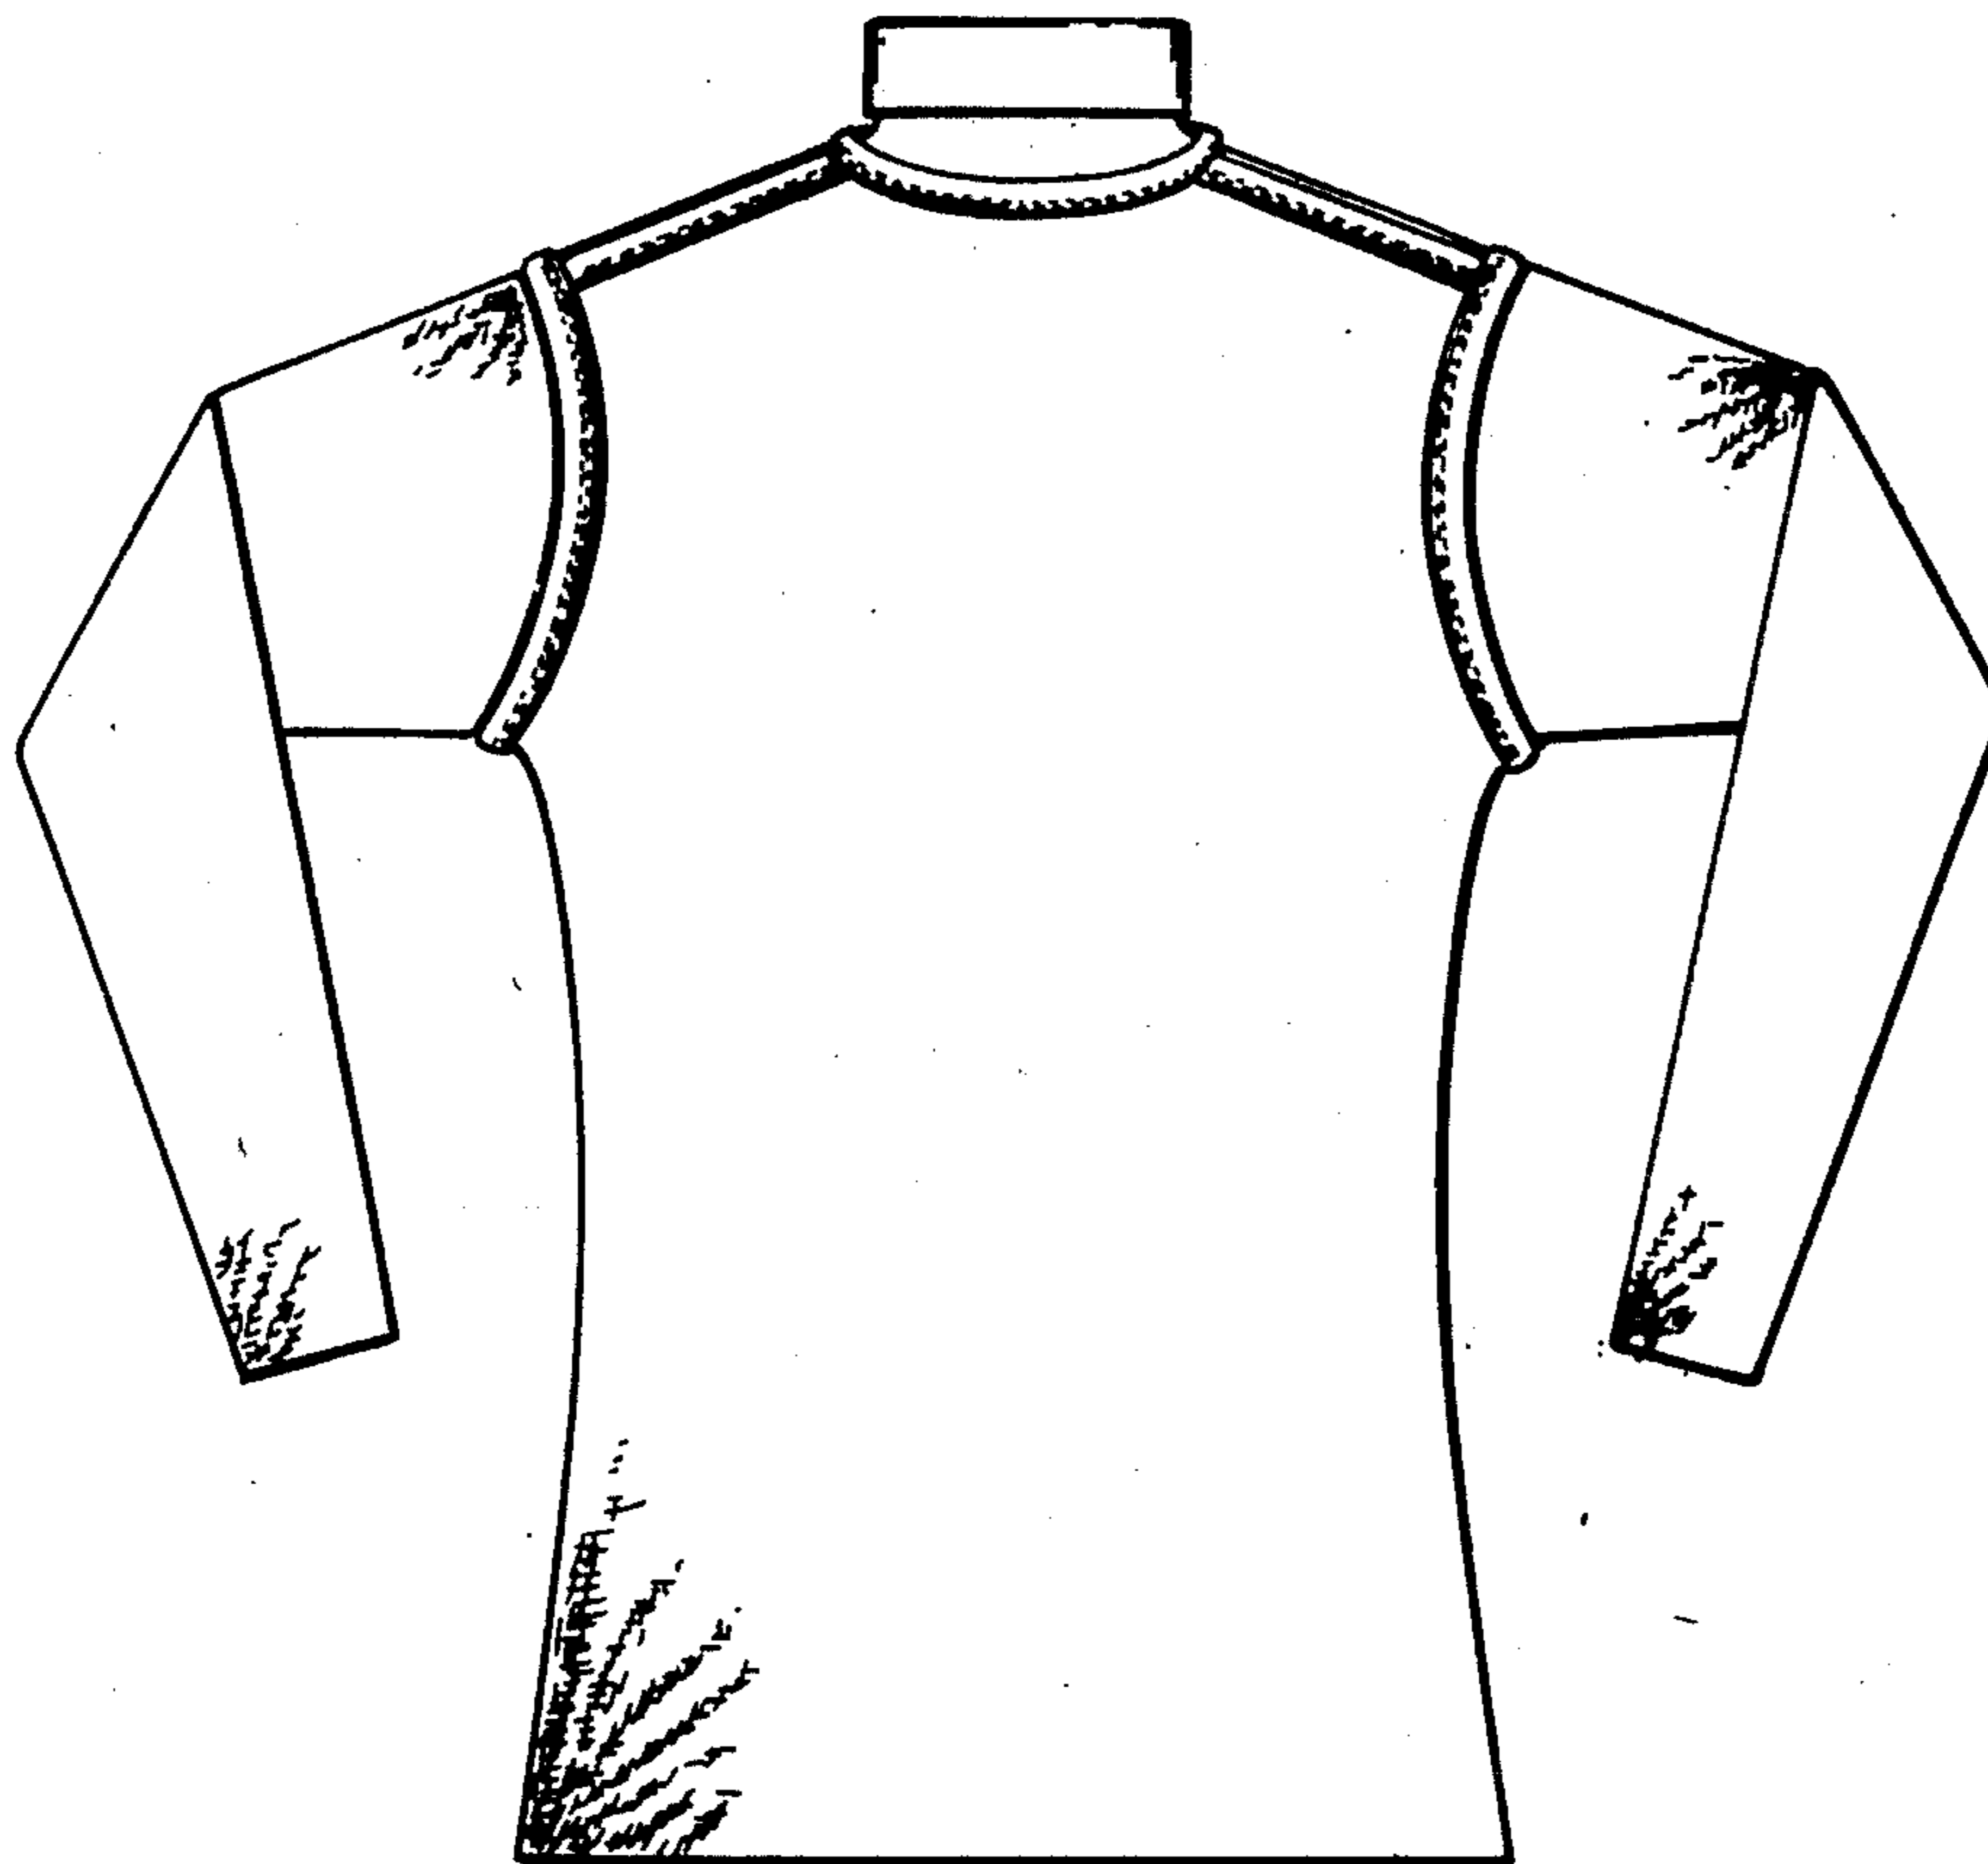

The ornamental design for a shirt, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a shirt showing my new design; and

FIG. 2 is a rear elevational view.

The characteristic feature of my design is the combination of the bands of uniform width around the base of the neck and the armholes and across the top of each shoulder between the base of the neck and the top of the armhole.
