[57] **CLAIM**

The ornamental design for an electronic control cabinet, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an electronic control cabinet employing my new design.

FIG. 2 is a top plan view of the electronic control cabinet shown in FIG. 1.

FIG. 3 is a front elevational view of the electronic control cabinet shown in FIG. 1.

FIG. 4 is a right side elevational view of the electronic control cabinet shown in FIG. 1.

FIG. 5 is a bottom plan view of the electronic control cabinet shown in FIG. 1.

FIG. 6 is a rear elevational view of the electronic control cabinet shown in FIG. 1.

The left side of the electronic control cabinet is a mirror image of the right side.
