[57] **CLAIM**

The ornamental design for a concrete table, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view, in perspective, showing my new design for a concrete table, the corresponding rear view being a mirror image thereof.

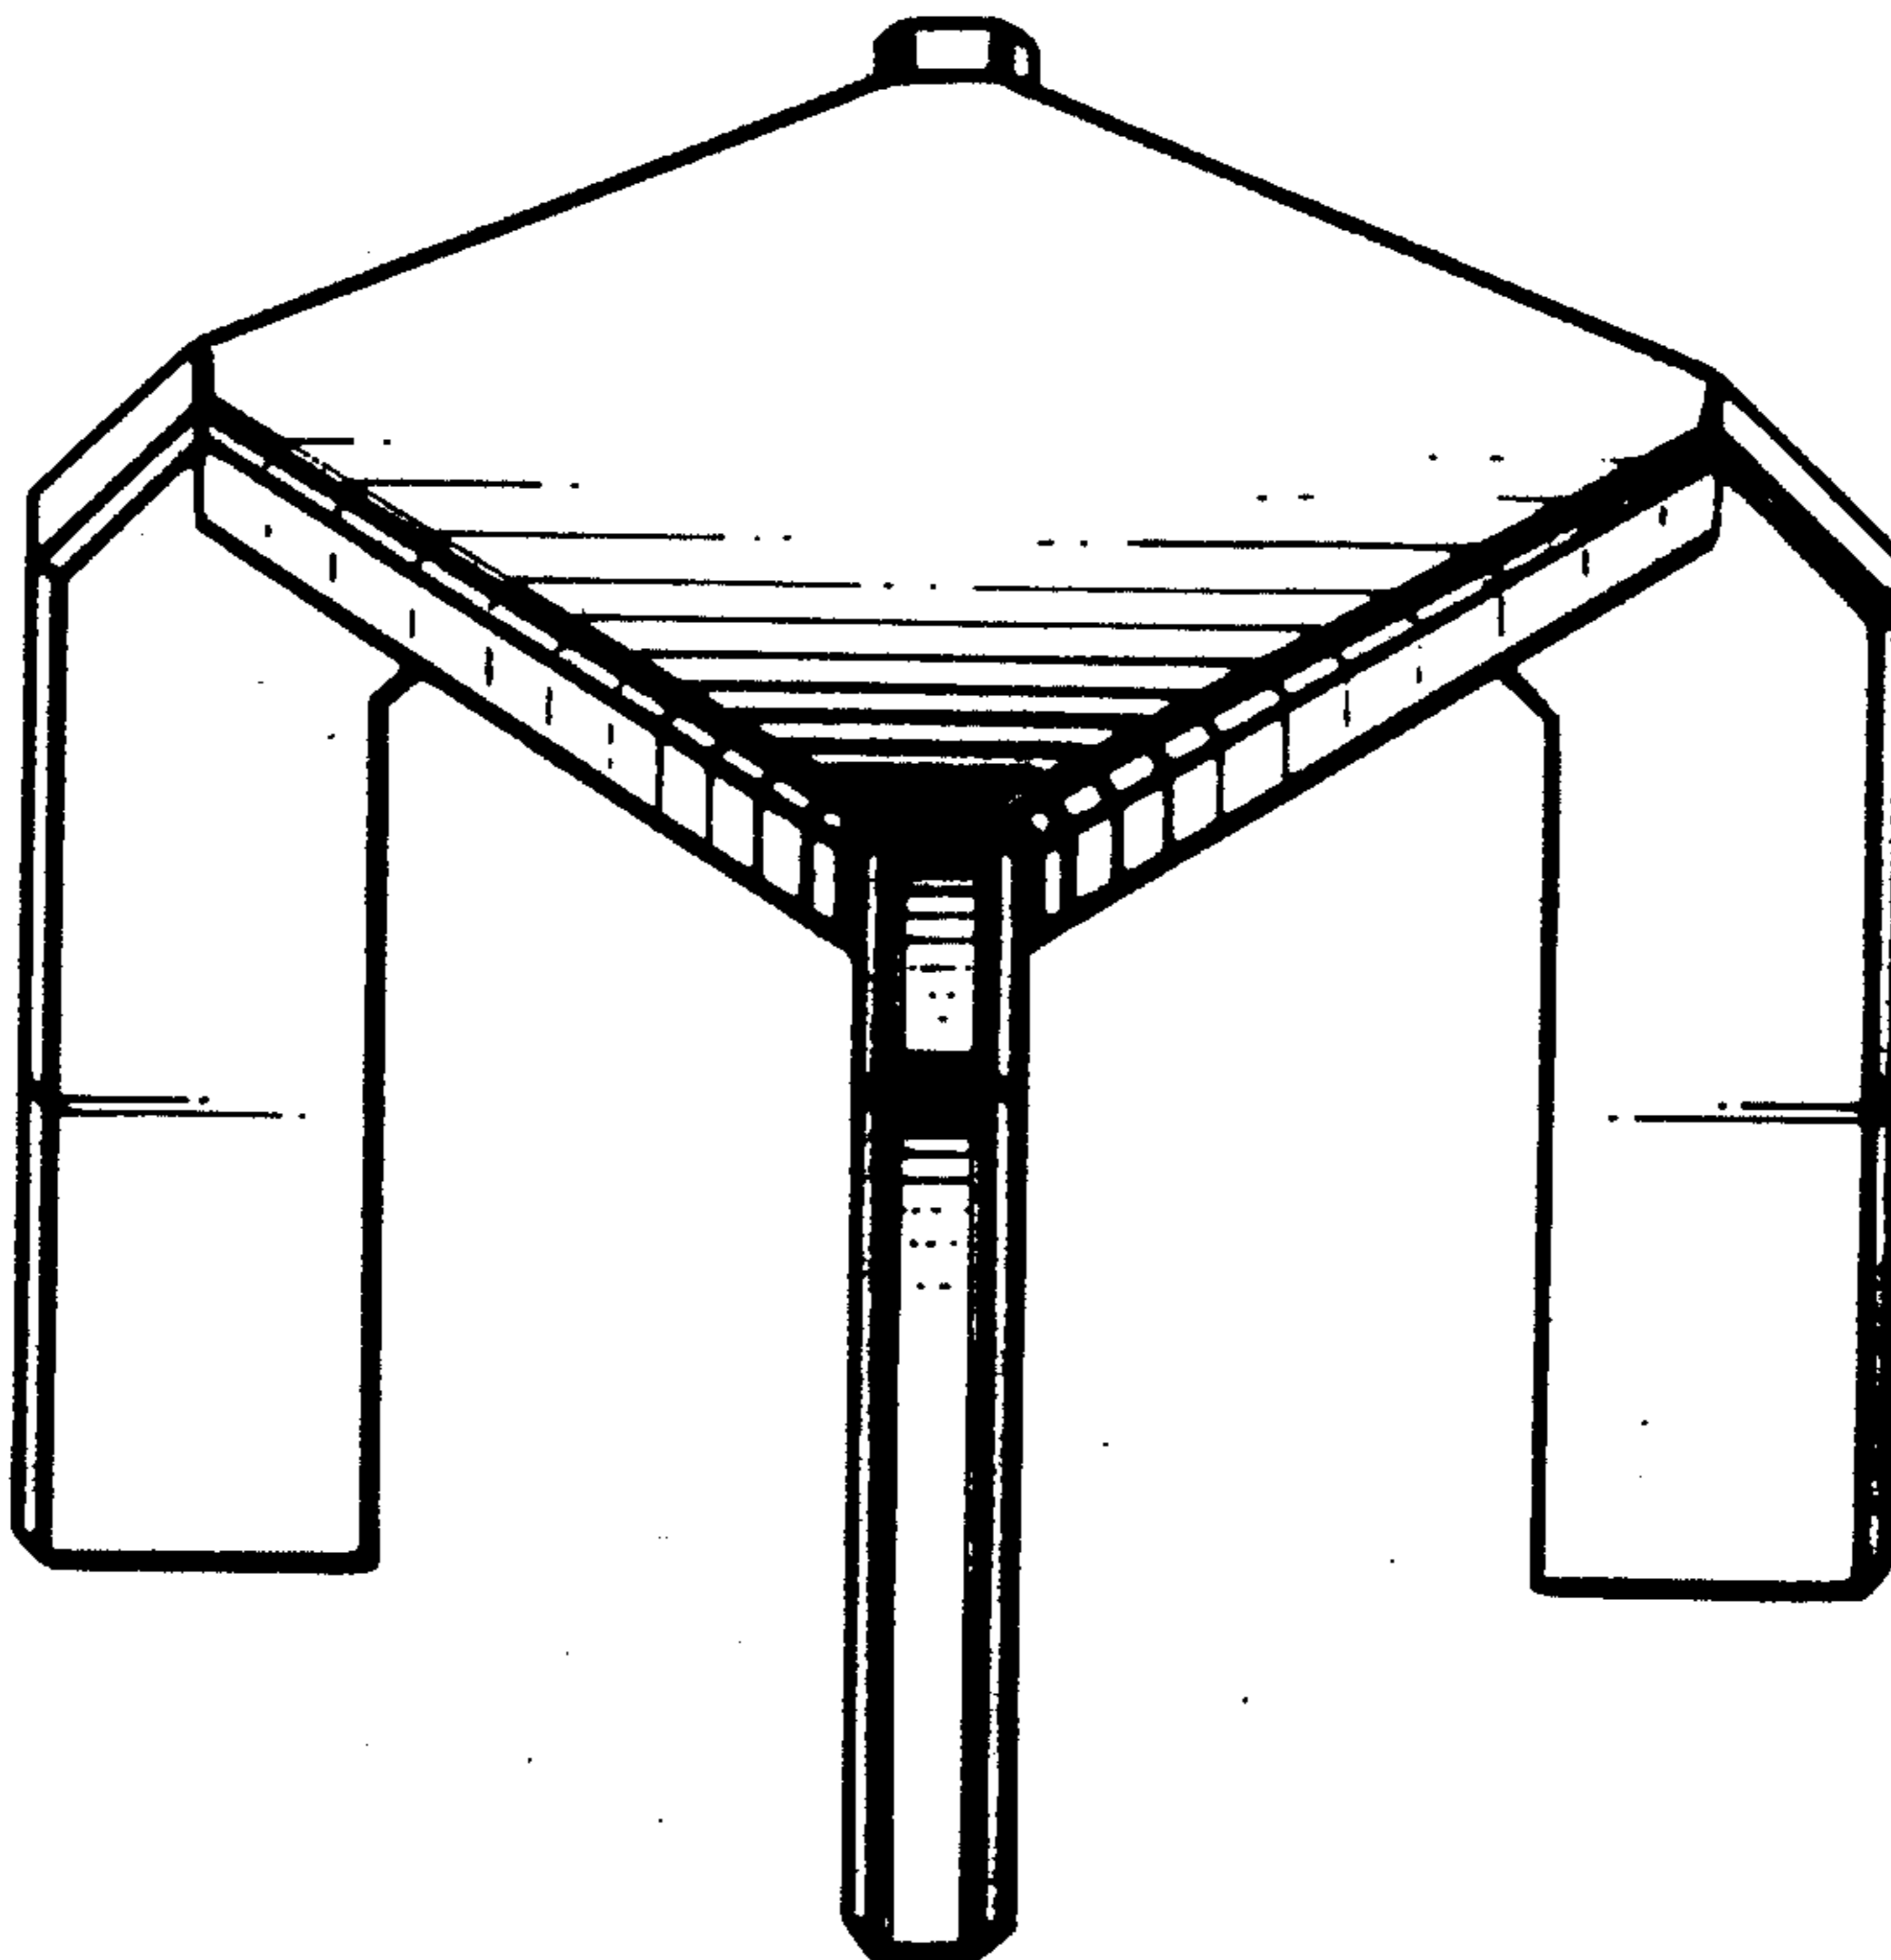

FIG. 2 is a top plan view thereof.

FIG. 3 is a front elevational view thereof, the rear elevational view being a mirror image thereof.

FIG. 4 is a bottom view thereof.

FIG. 5 is a cross-sectional view taken on line 5-5 of FIG. 2.

The characteristic features of my design reside in the relatively wide legs and the specific angularity of the top portions thereof and the inset appearance of the table top.
