## [57] CLAIM

The ornamental design for an electric heating plate for cookware, substantially as shown and described.

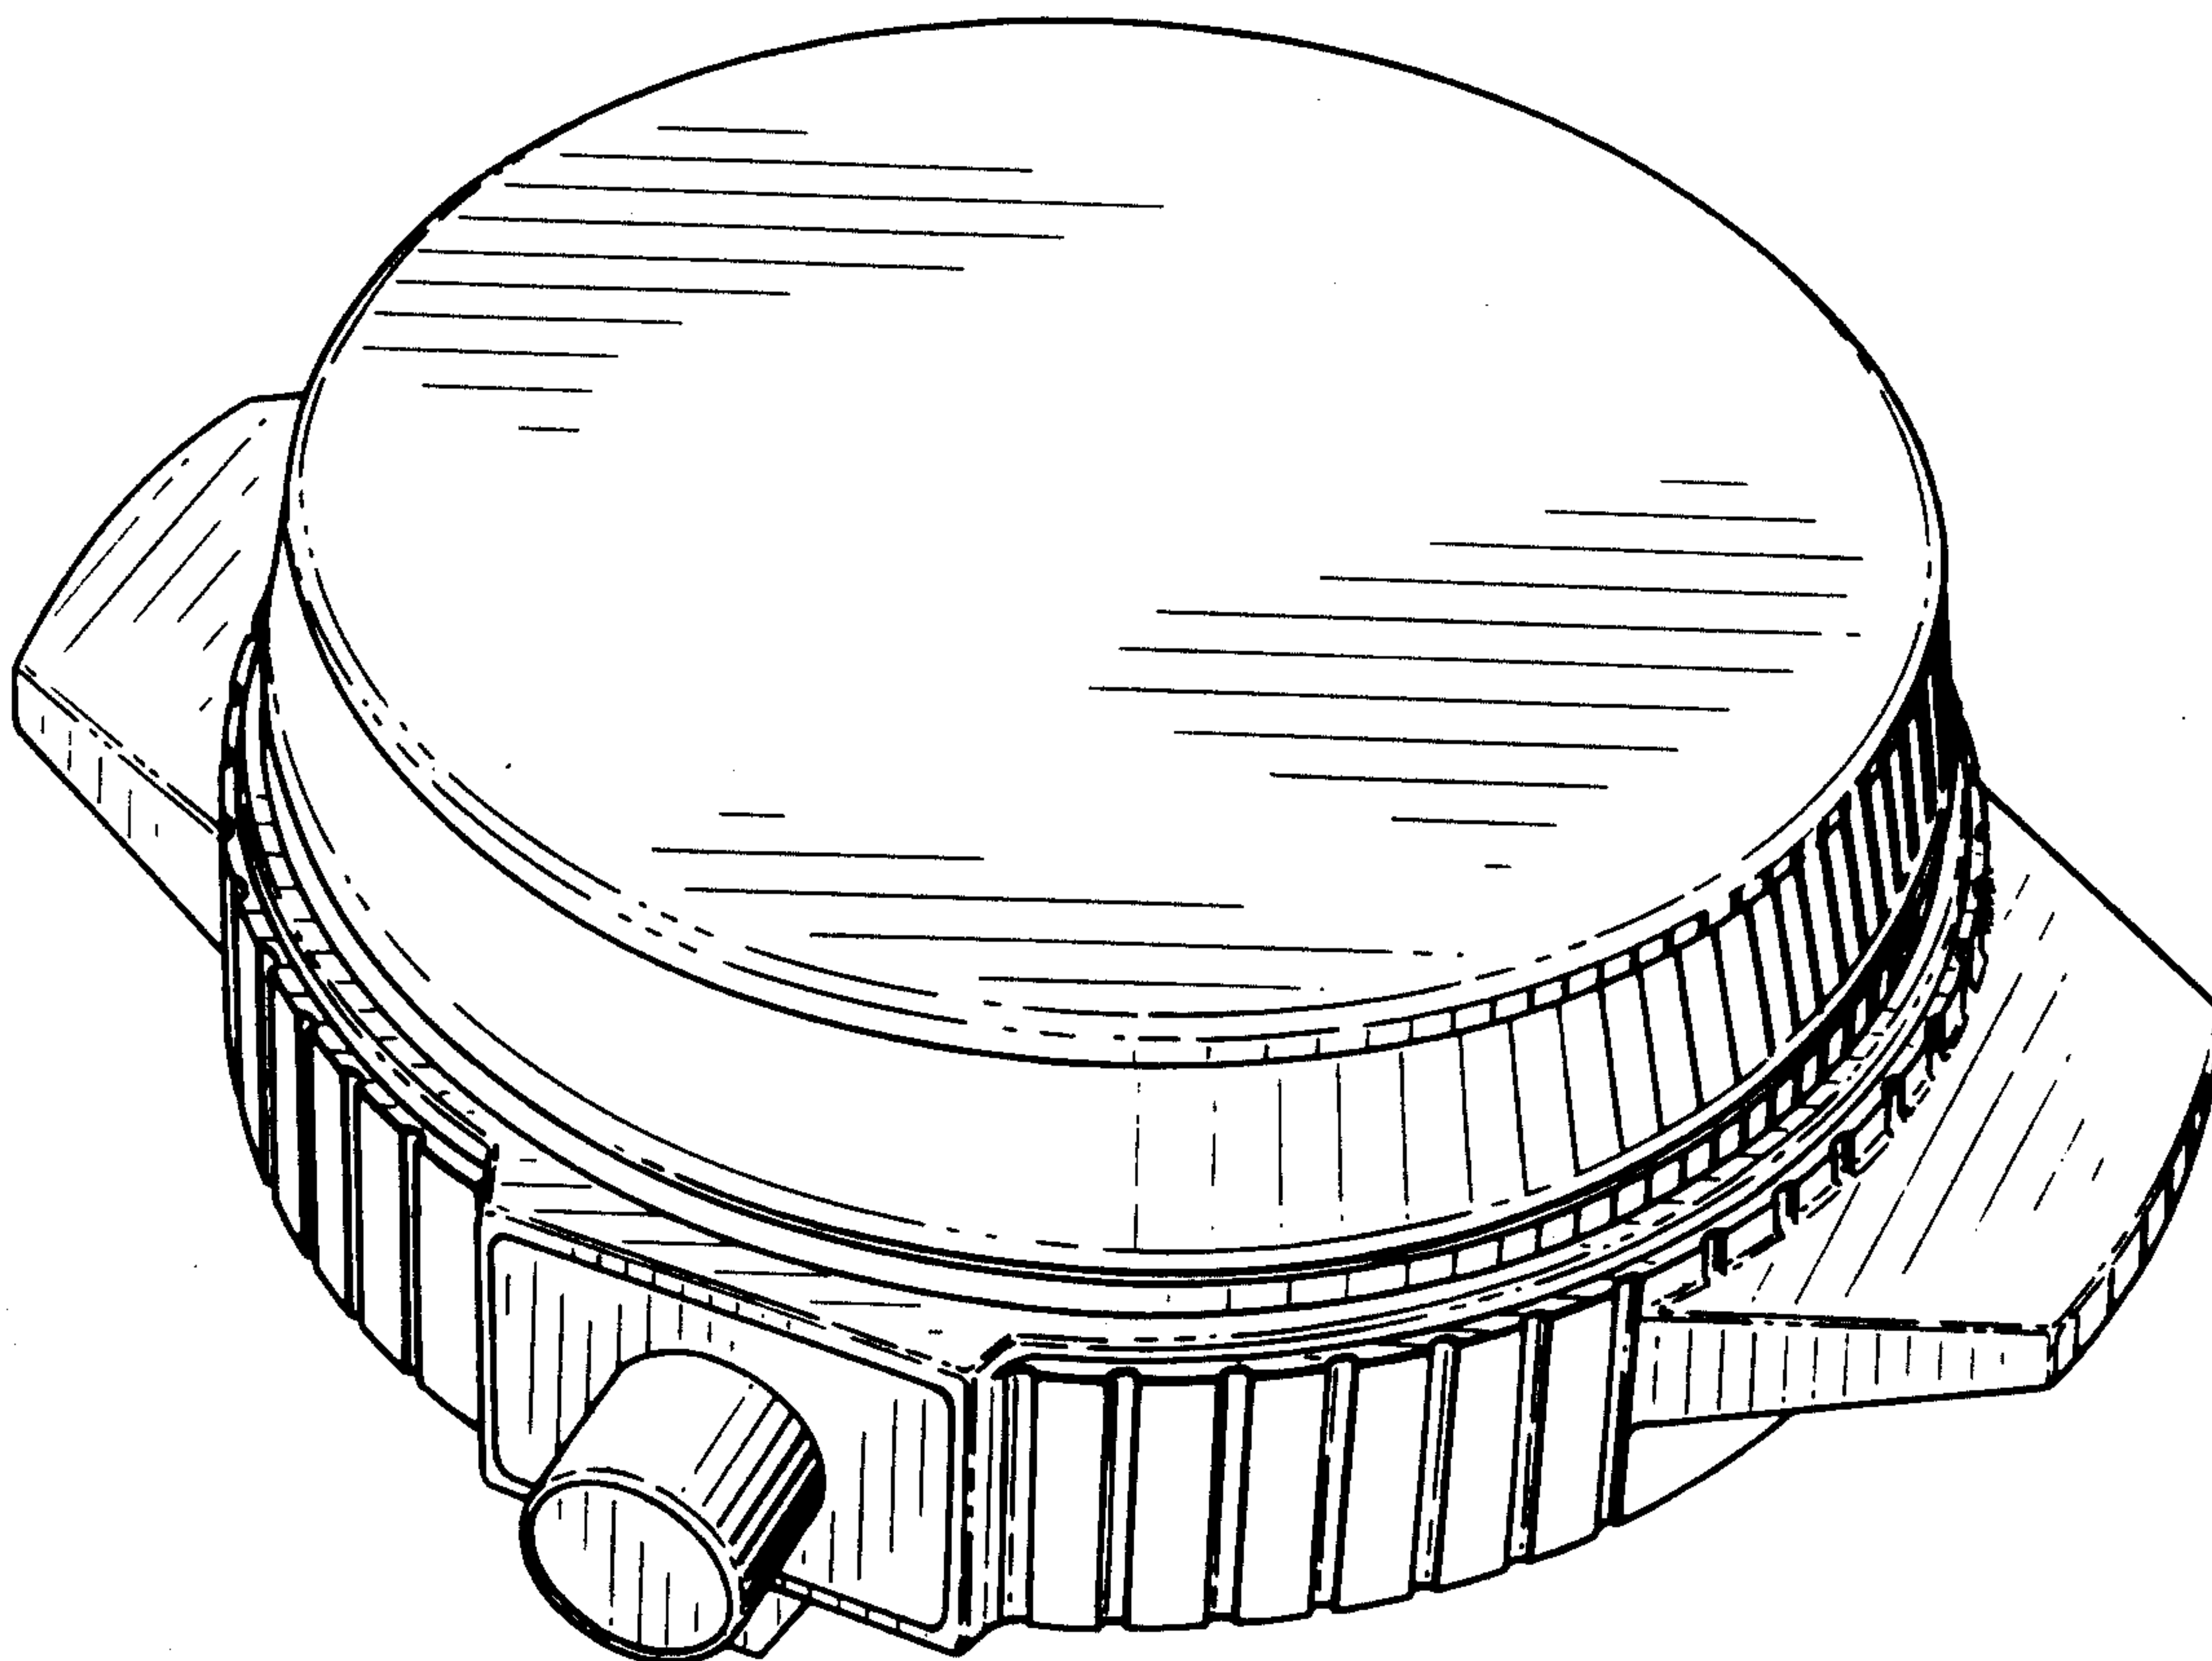

## DESCRIPTION

FIG. 1 is a perspective view of an electric heating plate for cookware taken from above and to the front thereof showing our new design;

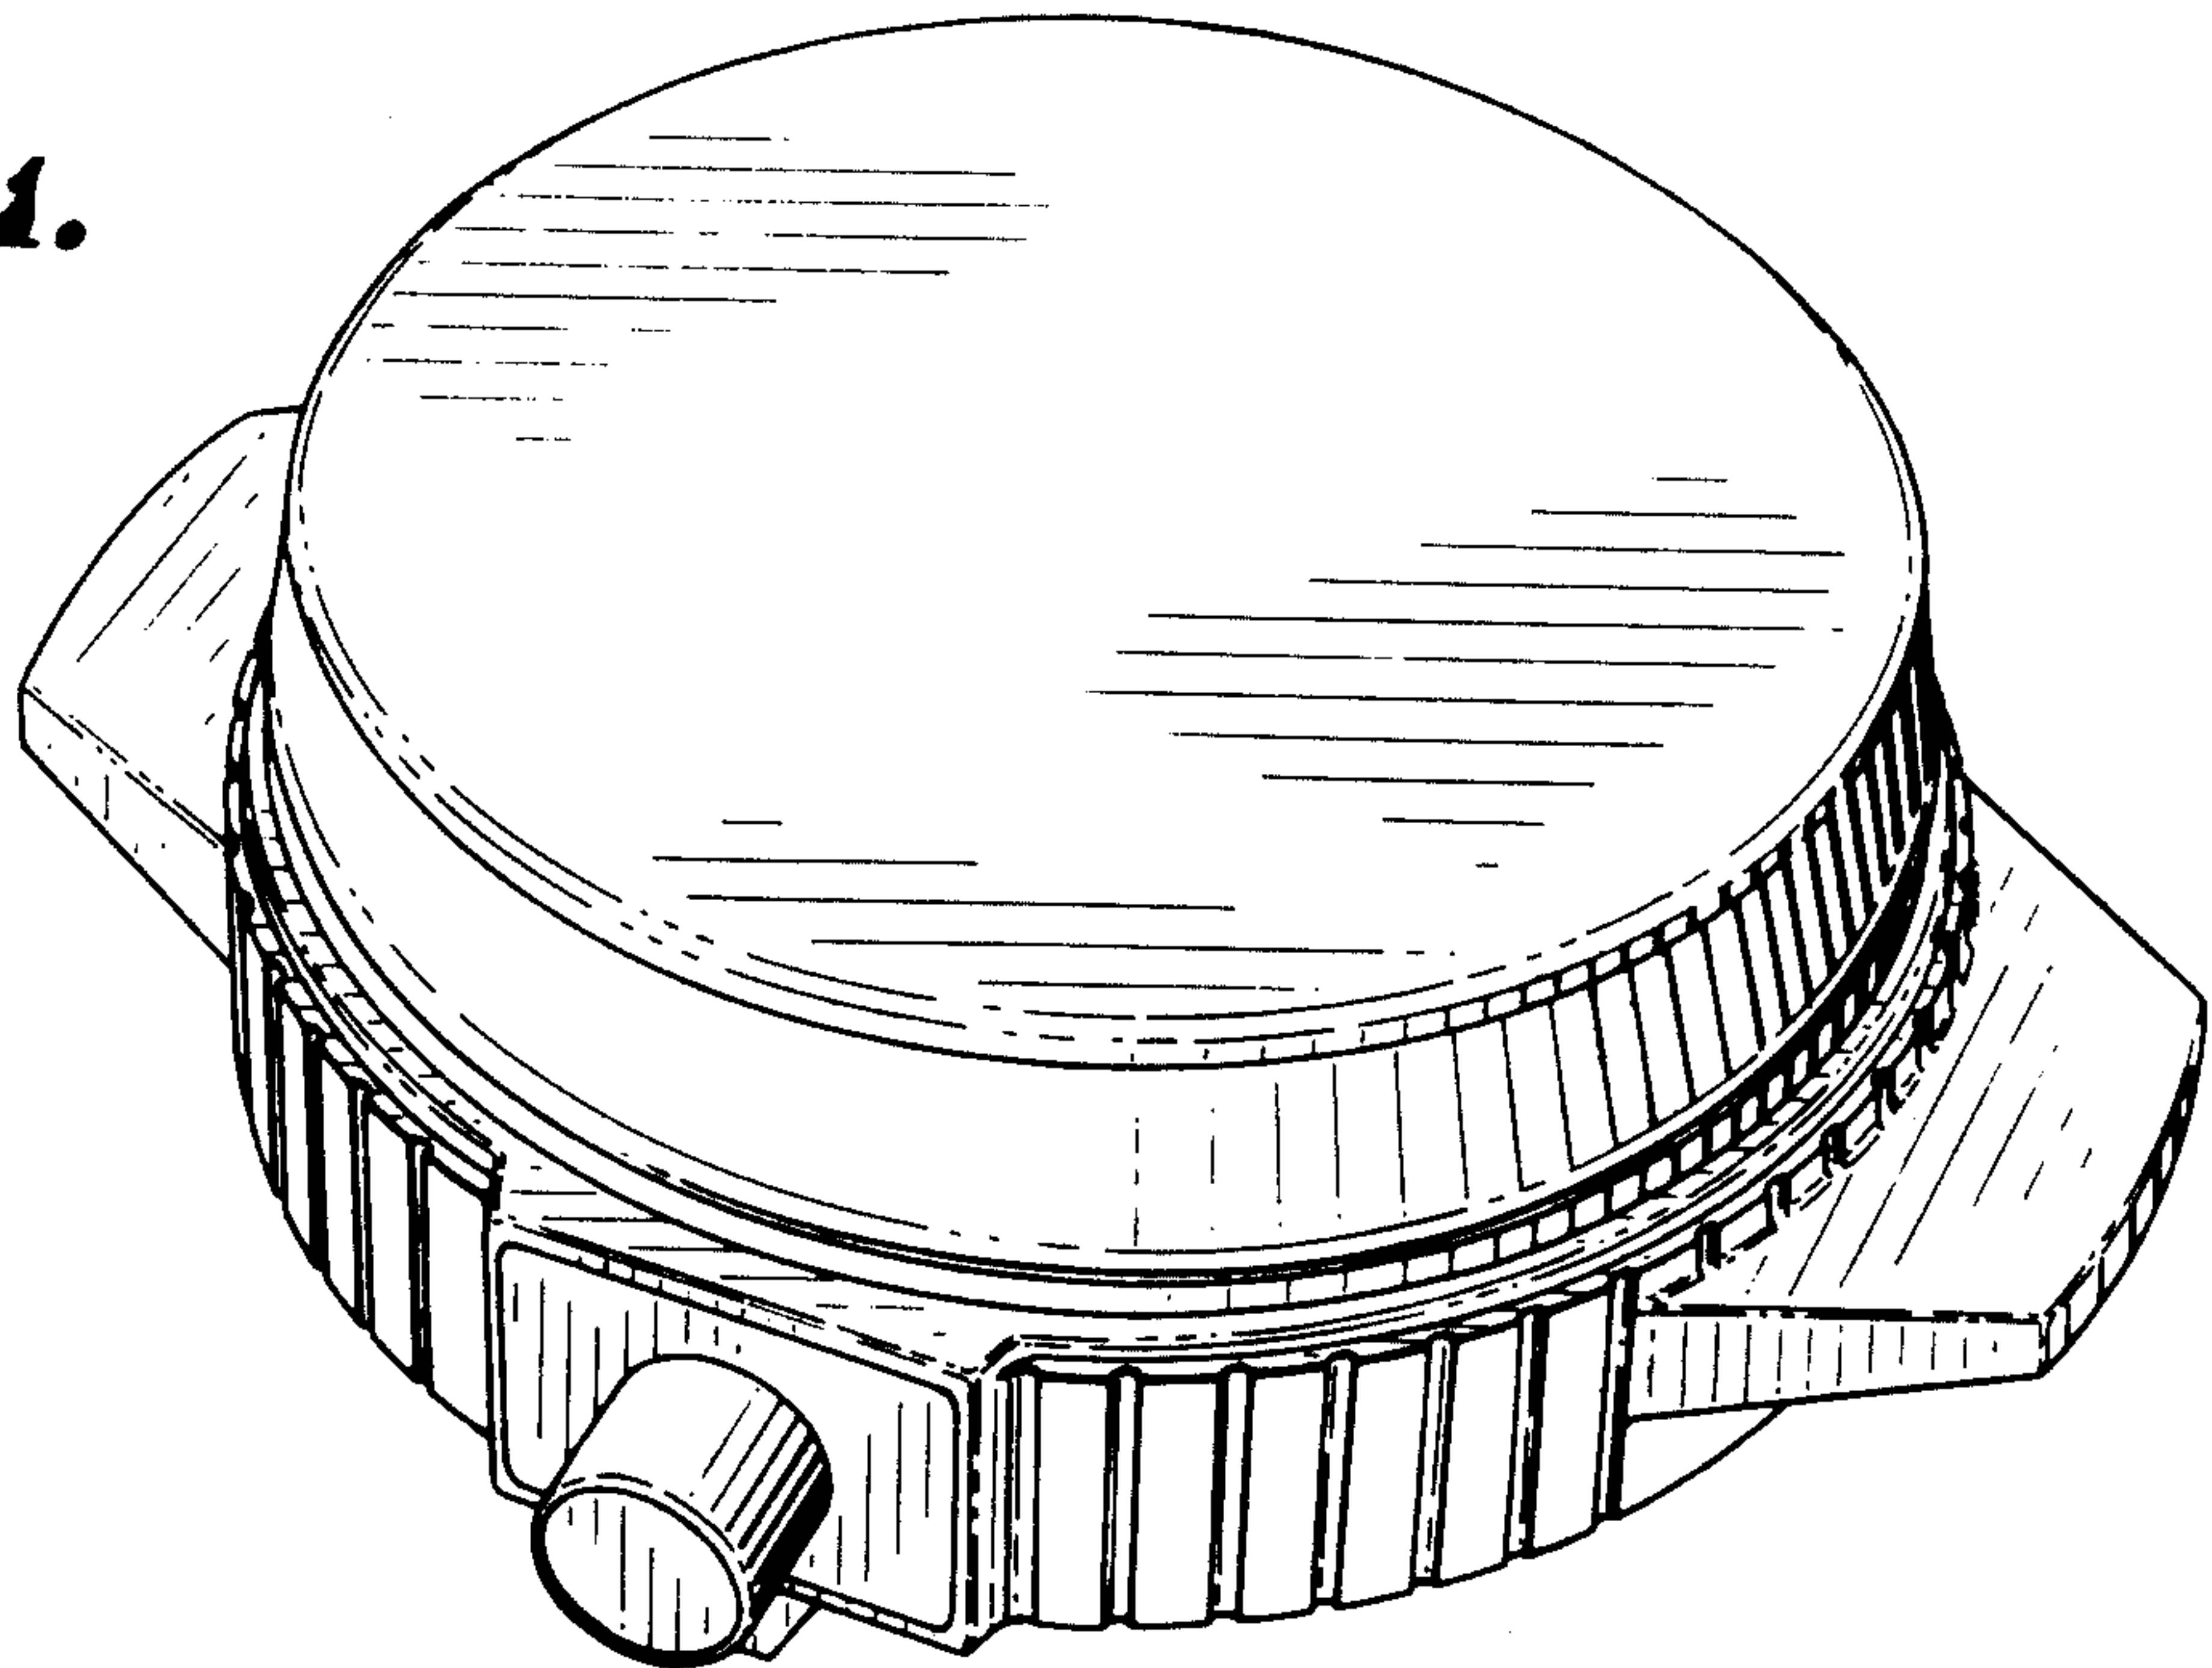

FIG. 2 is a side elevational view of one of the symmetrically identical sides thereof; and

FIG. 3 is a rear elevational view thereof.

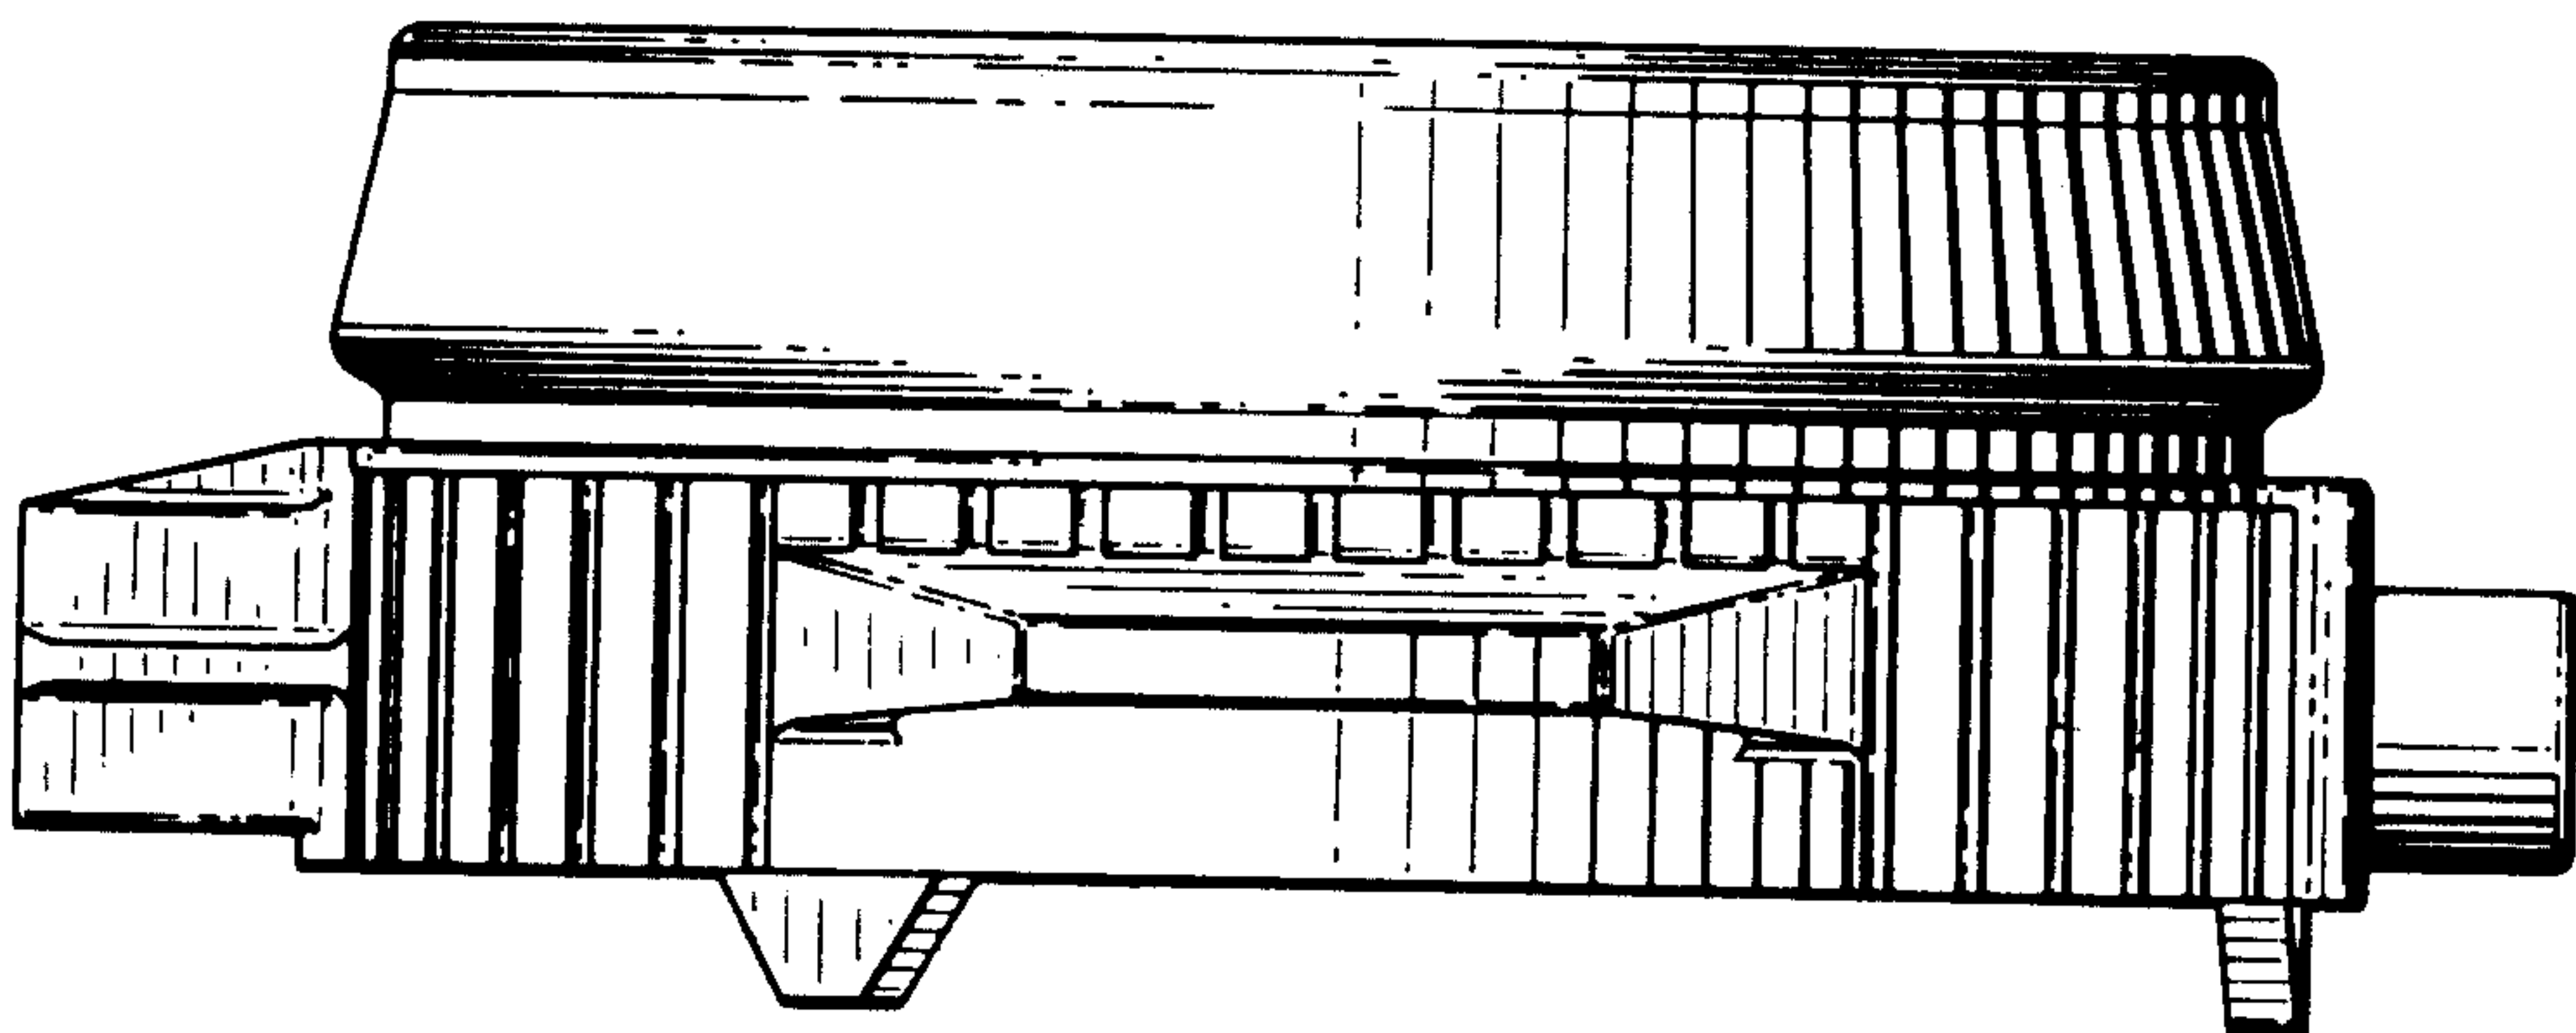

The bottom of the design is flat except for the three projecting support legs.

**Fig.1.**

**Fig.2.**

**Fig.3.**
