[57] **CLAIM**

The ornamental design for a clock radio, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of a clock radio showing my new design;

FIG. 2 is a rear, bottom and left side perspective view thereof;

FIG. 3 is a front elevational view thereof; and

FIG. 4 is a top plan view with the structure which would be seen through the inclined, front transparent panel omitted for convenience of illustration.
