CLAIM

The ornamental design for a combined aquarium and light fixture, as shown and described.

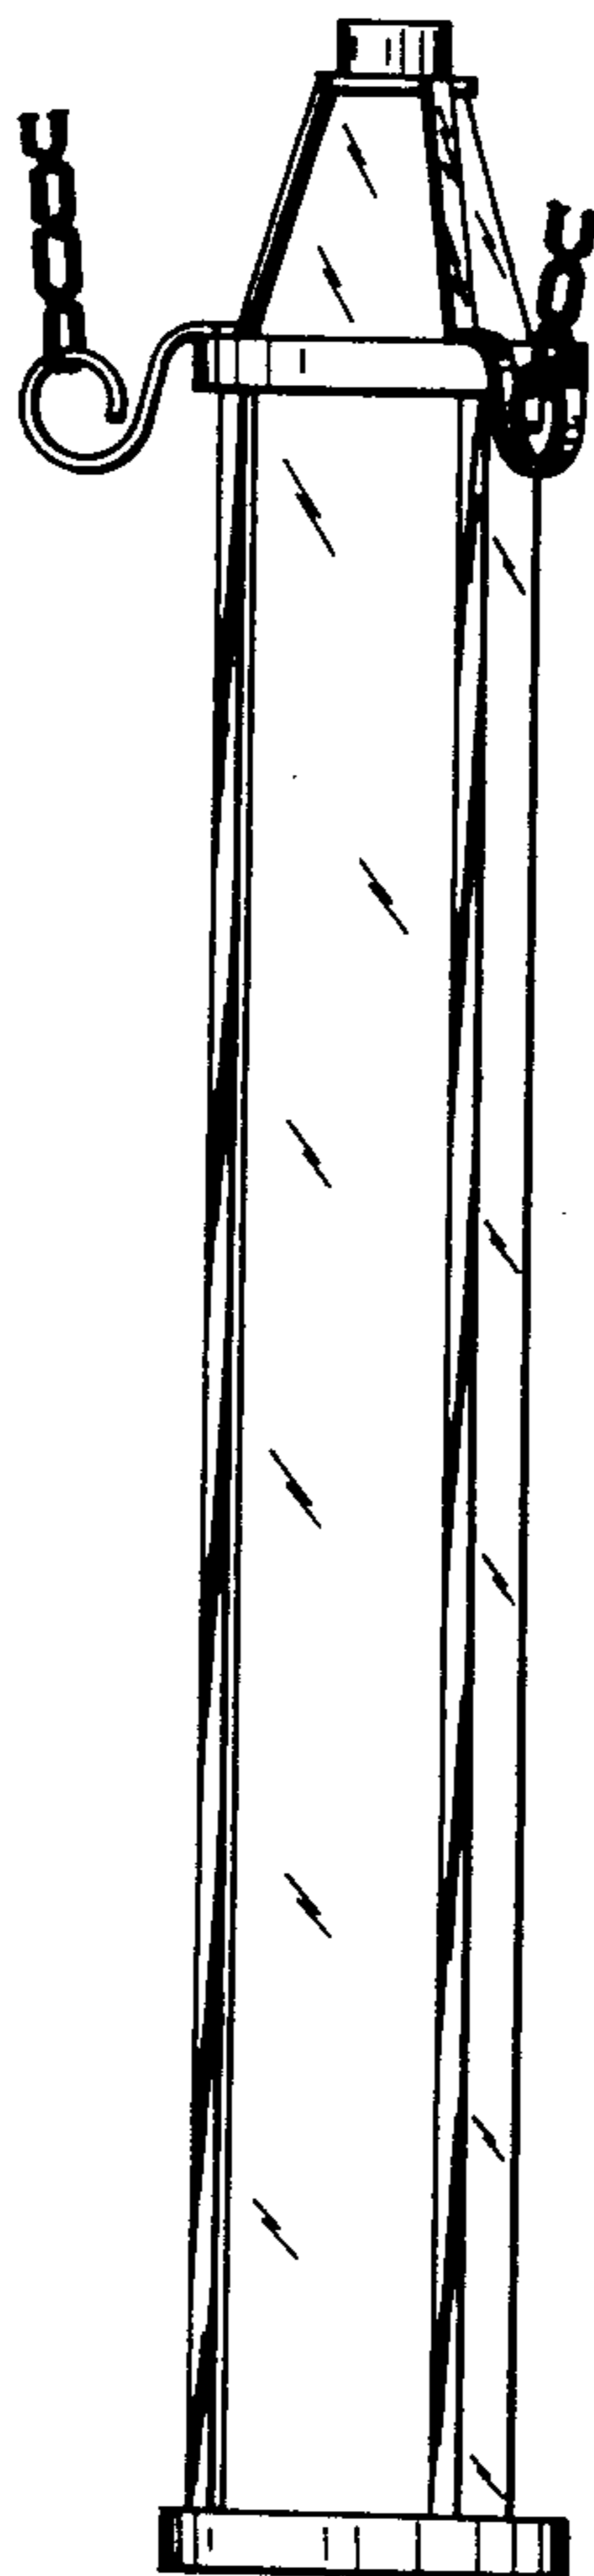

DESCRIPTION

FIG. 1 is a front elevation of the combined aquarium & light fixture, the back elevation being a mirror image thereof, while the left side elevation would show one elongated bar down the center, and the right side elevation would show two elongated bars symmetrically spaced 120° apart;

FIG. 2 is a top view thereof;

FIG. 3 is a bottom view thereof.

The chains are omitted in FIGS. 2 and 3 for convenience of illustration.
