[57] **CLAIM**

The ornamental design for a disposable loop and collector for transferring biological samples, substantially as shown and described.

DESCRIPTION

FIG. 1 is a plan view of a disposable loop and collector for transferring biological samples showing my new design;

FIG. 2 is a side view thereof;

FIG. 3 is a bottom plan view of the disposable loop and collector for transferring biological samples of FIGS. 1 and 2, and

FIG. 4 is a view of the other side of the disposable loop and collector for transferring biological samples of FIGS. 1 to 3.

FIG. 1.

FIG. 2.

FIG. 3.

FIG. 4.
