FIG. 1 is a top perspective view of a roadway expansion
joint sealing retainer extrusion, of my new design;
FIG. 2 and 3 are, respectively, top and bottom views
thereof on an enlarged scale, the extrusion being broken
away for convenience of illustration;
FIG. 4 is an end view thereof on an enlarged scale;
FIGS. 5 and 6 are, respectively, left and right side views
thereof on an enlarged scale, the extrusion being broken
away from convenience of illustration.

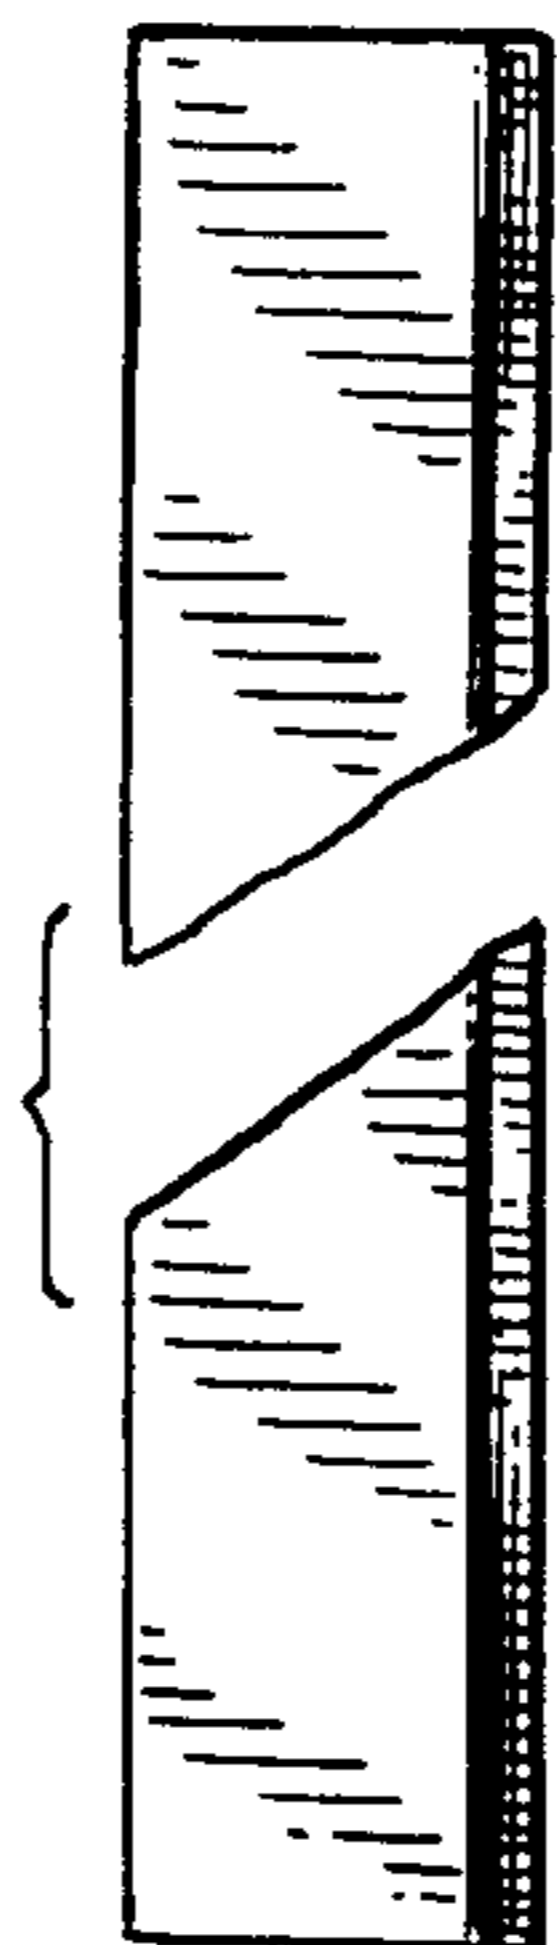

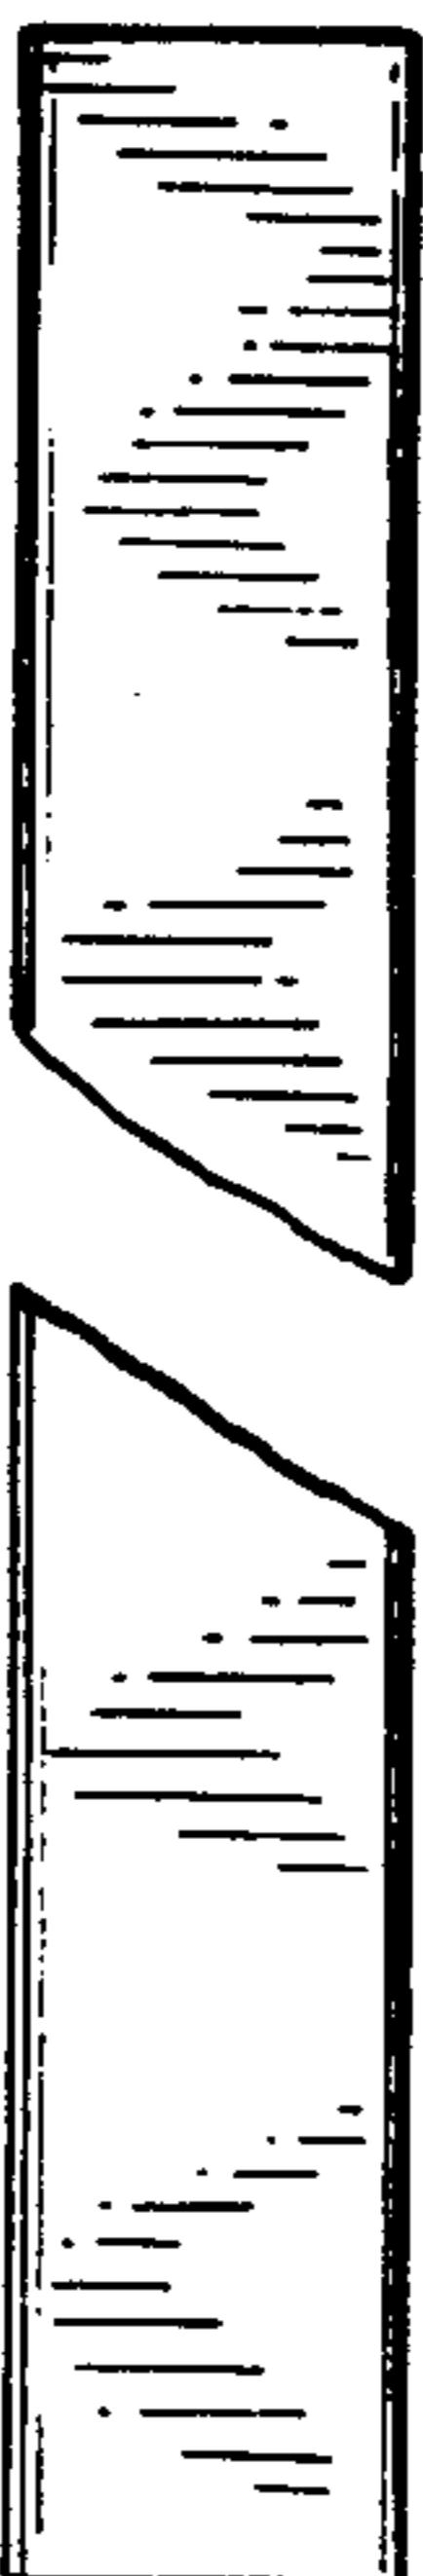

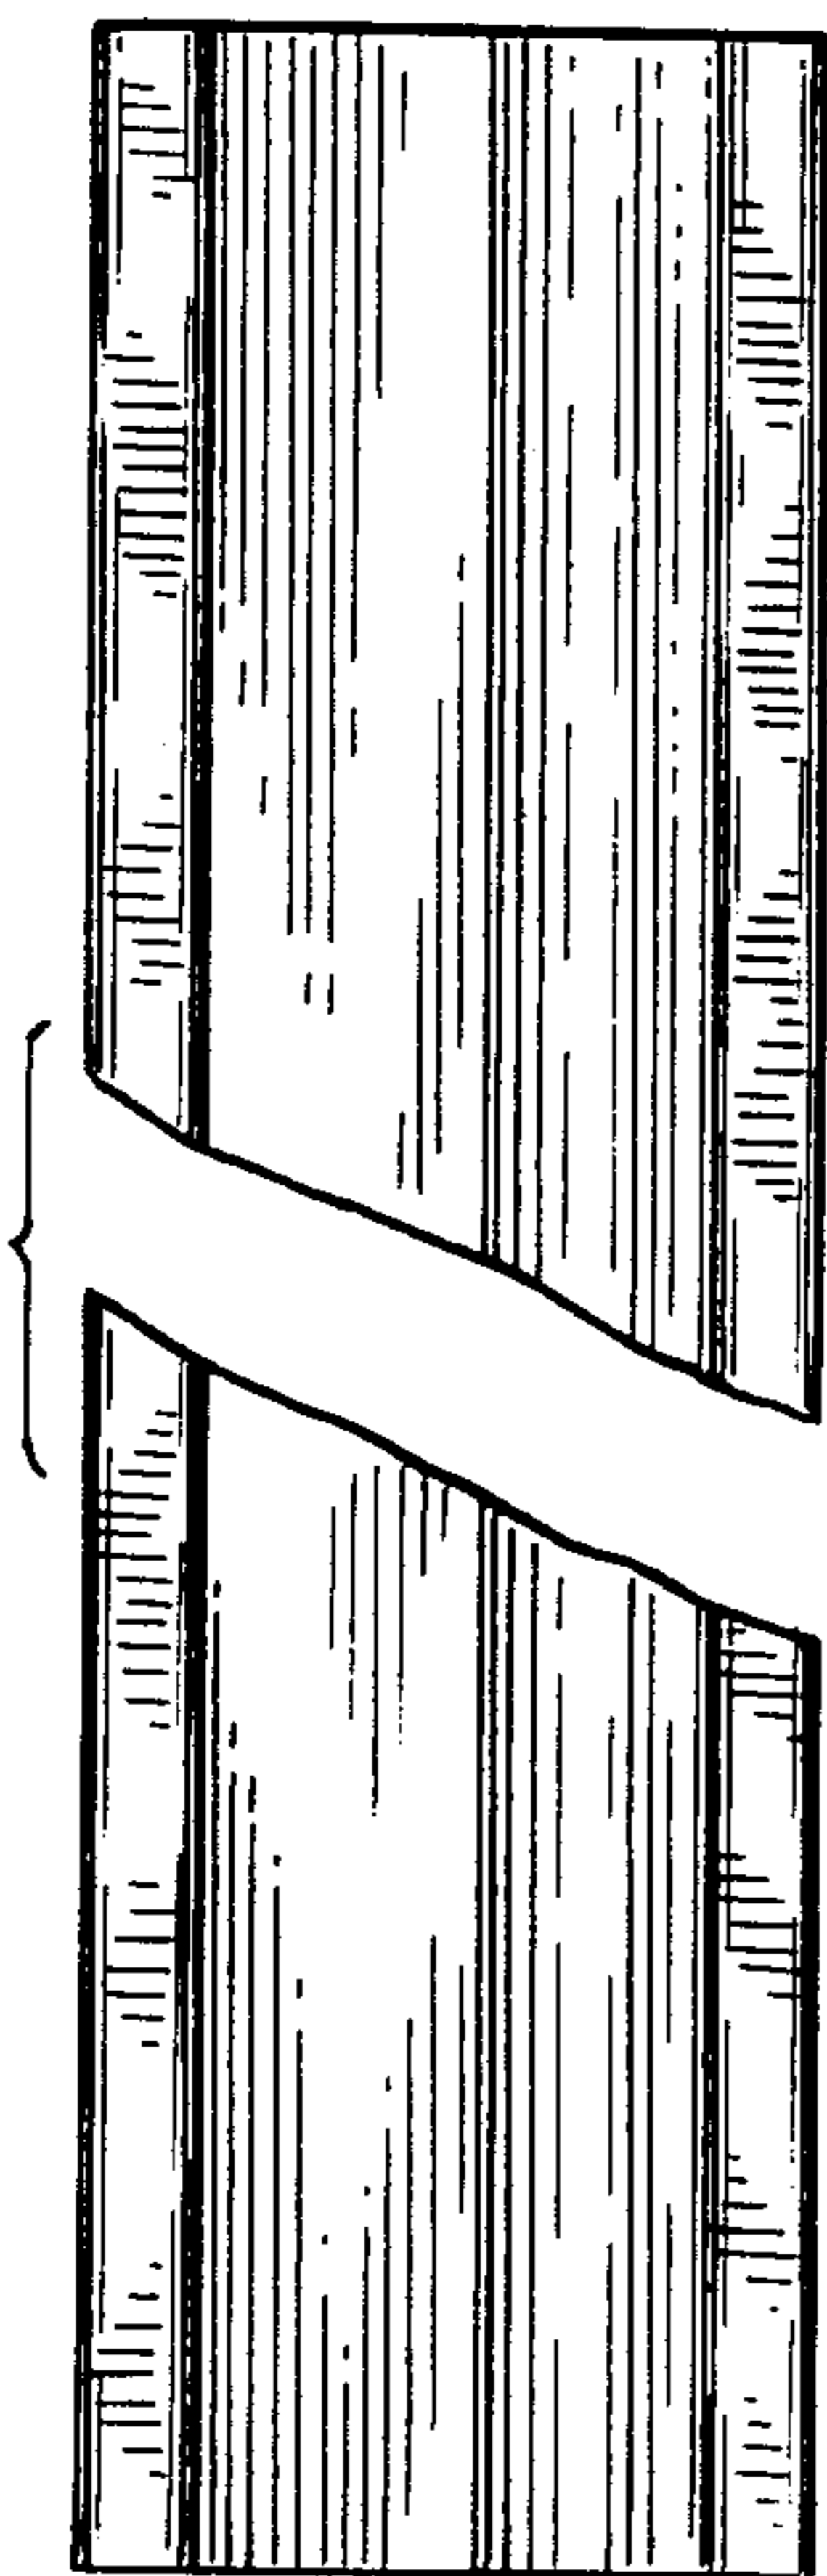

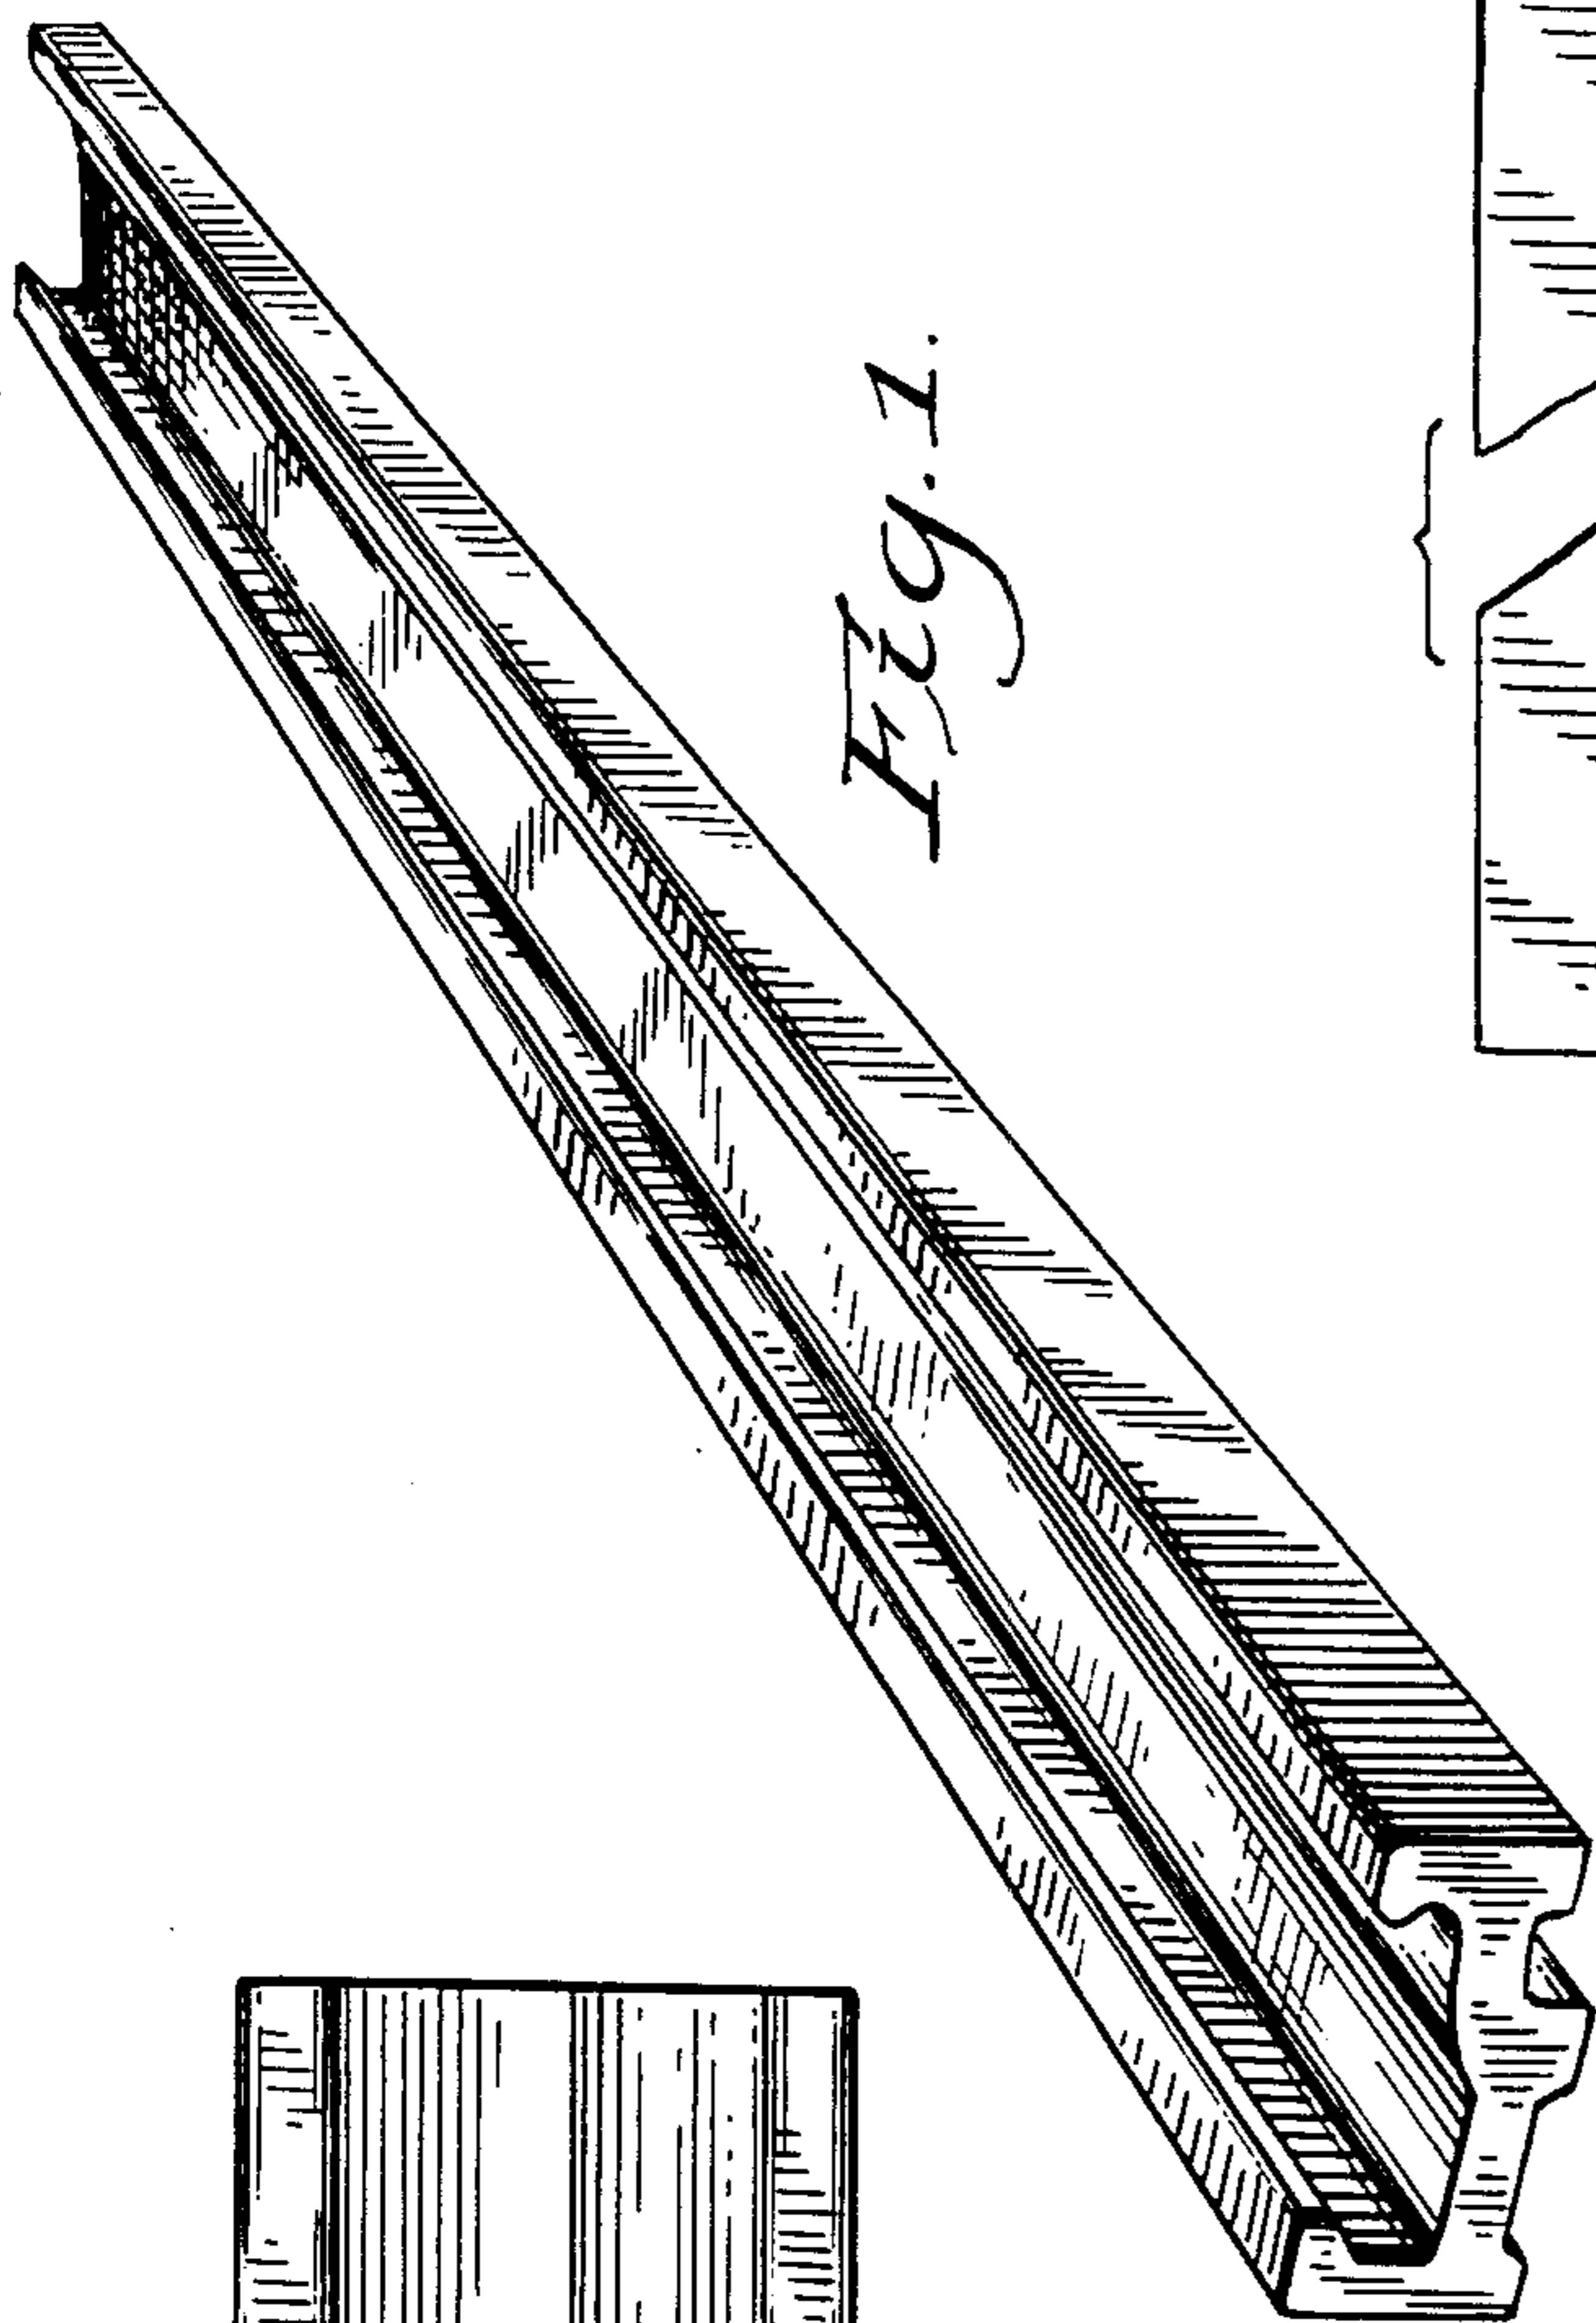

Fig. 3.
