[57] CLAIM

The ornamental design for a grass and leaf collector for a lawn mower, substantially as shown.

DESCRIPTION

FIG. 1 is a perspective view of a grass and leaf collector for a lawn mower embodying my new design as seen from the front end and right hand side thereof; FIG. 2 is a left side elevational view thereof, it being understood that the broken line showing of the inlet chute is for illustrative purposes only; and FIG. 3 is a rear end elevational view thereof.
